2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

It is the mission of Davis Senior High School to educate students over a broad spectrum of academic and artistic areas; to expand their worlds socially and culturally; and to further their growth into mature, responsible adults.

Davis Senior High School offers students a full range of academic, athletic, and extracurricular activities. The Spring 2019 CAASPP exam generated strong results overall. Parents play an integral part in the school's success. The PTA supports the school through teacher grants and a regularly updated website that provides the community with site news and information. Our students can find challenge and variety in the numerous electives, AP courses, Career Technical Education (CTE) classes and extracurricular programs such as Speech and Debate. At the same time they can also access supports such as the Academic Center, Student Success Center, and Math and Science Tutors (MAST.) Efforts at DSHS continue to create, maintain, and structure supports for all students to foster academic success. Our school provides health and wellness supports through our counselors, Crisis Counselor, School Nurse, Physical Education Courses, and Student Success Center. Staff is developing a Multi-tiered System of Supports and Response to Intervention (RTI) to meet the academic, behavioral and social-emotional needs of all students.

Tom McHale serves as Davis Senior High School's principal. Three assistant principals, Chandra Wengler, Sonam Singh, and Nina Nero, Athletic Director, Jeff Lorensen, and Head Counselor Cathie Pereira complete the D.S.H.S. administrative team, working with students, staff, parents and community members in many program areas. The school is focusing on collaboration among and between departments and grade level "lateral teams" in order to improve learning for all students. D.S.H.S. functions with a wide range of committees focused on direct communication and decision-making to provide support, accomplish site priorities, and meet the needs of students, families, and staff. Committees include Site Council, Climate Committee, Curriculum and Instruction, Site Liaison, English Language Advisory Committee, and MTSS.

Davis Senior High School embraces the DJUSD Graduate Profile Competency Areas:

- Communication
- Civic and Cultural Awareness
- Creativity and Innovation
- Critical Thinking and Problem Solving
- Adaptability and Resilience
- Collaboration

2021-22 School Overview

D.S.H.S. supports three school-wide goals: 1) 21st Century Teaching and Learning, 2) Closing the Opportunity Gap, and 3) Creating an Inclusive and Safe Environment, and is developing a Multi-tiered System of Supports.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The Davis Senior High School facilities are for the most part aging but in good condition. The school has experienced rapid growth over the last two decades necessitating expansion of the campus. This has created a piecemeal and not so cohesive physical plant. The number of and placement of both student and staff bathrooms are inadequate. Although the school consists of separated and alphabetized wings, they are not clearly marked. In addition, the different wings of the school housing the different curricular departments are not always physically together. Thus, in some departments, like Social Studies, classrooms are housed in different wings by necessity. However, the buildings are well maintained by an excellent, caring district maintenance and operations team as well as a dynamic custodial staff. In recent years a new gym has been added as well as a sports stadium including an all-weather track and field area as well as an artificial turf athletic field. In addition, a state of the art All Student Center opened in January of 2018 as a central meeting place for students and staff. This building includes food service, Athletic Director's office, and our Career Center. D.J.U.S.D Maintenance and Operations and Facilities departments check the status of our safety/alarm system.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

2020-21 Career Technical Education Programs

DJUSD currently offers pathways in the industry sectors of Agriculture & Natural Sciences, Health Science and Medical Technology, Information & Communication Technologies, Software and Systems Development, Transportation, Arts, Media, & Entertainment, and Engineering & Architecture.

Some of the programs and classes offered that are specifically focused on career preparation and/or preparation for work include: Agricultural Engineering- Advanced Design and Fabrication, Agricultural Engineering I & II, Animal Science, Automotive Technology- Advanced, Automotive Technology- Basic, Electric Vehicle Technology and Build, Biotechnology & Biotech Internship, Computer Programming (C++/JAVA), Cyber Security, Internet Engineering I & II (CISCO), Journalism 2 / Multimedia (semester), Journalism 2 / The HUB (Semester newspaper), Ornamental Horticulture, Robotics Engineering, Principals of Biomedical Science, AP 2D Art and Design, and Stagecraft Production.

The primary representative of the District's CTE program is Garry Pearson. Industries represented on the committee include engineering and architecture, health sciences and medical technologies, information and communication technologies, and transportation. Additionally, our existing programs collaborate and partner with various educational institutions, including Yolo County Office of Education, the Yolo County Regional Occupational Program, Sacramento City College and American River College, Woodland Community College and Yuba Community College (the Los Rios and Yuba Community College Districts) and the University of California, Davis.

2020-21 Career Technical Education (CTE) Participation

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents support our students in a variety of ways. The PTA funds a variety of staff initiatives through its Partners in Education grant program including instructional technology, support for Friendship Day, helping students in need to participate fully in campus activities, and our Naviance program that supports students with their four year plans and college and career goals.

2021-22 Opportunities for Parental Involvement

Parents receive a regular PTA newsletter highlighting important upcoming events and information and includes messages from the principal and head counselor. Parents are invited to Back to School Night, Open House, College Night, and Parent Night for incoming 10th grade students. Several parent booster groups support athletics, performing arts, clubs, and academic activities. Our Blue and White foundation is a major contributor to various campus projects. The Davis Schools Foundation provides funding for specific site programs and personnel. The D.S.H.S. Site Council is comprised of teachers, students, administrators, and parents and directs the vision and mission of the school. Parents organize Grad Night for seniors and chaperone dances and field trips. Parents participate on the English Language Advisory Committee (ELAC.) We have formed a Spanish Speakers Support Group to help families connect better to our programs and services. Parents representatives serve on every interview panel to select new personnel. Parents also coordinate a variety of booster groups that support Robotics, Speech and Debate, athletics teams, performing music groups and more.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.01	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Davis Senior High School administration updates its Comprehensive Safety Plan at the beginning of every school year. The plan is approved by School Site Council in January and by the BOE in the spring. The primary purpose of the safety plan is to help school officials protect the lives and well-being of students and staff through emergency preparedness planning to ensure prompt and appropriate response of trained school personnel. Elements of the D.S.H.S. Comprehensive Safety Plan include child abuse reporting, disaster procedures, suspension/expulsion policies, procedures to notify teachers of dangerous pupils, discrimination and harassment policies, school wide dress code, safe ingress and egress, policies for safe & orderly environment, school discipline, and hate crime reporting. The safety plan is implemented with the support of our Safety Team, which includes five campus supervisors, our Site Safety Coordinator, Administration, and Safety Resource Officer. Elements of the safety plan are monitored and reviewed by the Safety Team in collaboration with District Leadership, Davis Police Department, and the Davis Fire Department. Campus supervisors and the supervising administrator meet daily to make any necessary adjustments.

Professional Development

The school has 1-hour sessions dedicated to professional development each Wednesday for teachers/staff to attend (30 days for 1-hour each). Additionally, the school has one (1) full day prior to the start of the school year and two (2) full days spread throughout the year, dedicated to professional development.

Davis Joint Unified School District focuses on professional growth offerings on our mission and objectives. Our focus is given to professional learning that promotes DJUSD goals of 21st Century Teaching and Learning, Closing the Opportunity and Achievement Gaps, and Creating Safe and Inclusive Environments. DJUSD goals also include professional learning structures that support teaching and learning that will build student competencies identified within our Graduate Profile. These areas of focus were developed with wide-scale stakeholder input and are embedded within our Local Control Accountability Plan.

Davis Joint Unified School District uses a variety of professional learning models to engage staff in their continued growth. Built on the foundation of internal expertise and consultants from outside our district, staff have opportunities during the school year and summer to complete professional development learning episodes and time to implement best practices learned. These activities are supported by federal, state, and local funding as well as generous local parcel taxes. The professional growth occurring in Davis Joint Unified School District has a heavy emphasis on collaboration where time is reserved weekly for dedicated site-based staff collaboration in grade level or departmental teams under the direction of site administrators. Staff also has the opportunity to collaborate with grade-level/content peers. Davis Joint Unified School District also has instructional coaches that provide professional growth opportunities with model lessons, collaborative planning, and in-context learning. Examples of recent Davis Joint Unified School District professional learning include:

- Comprehensive site focuses on the foundational understanding, implementation, and sustenance of MTSS and PBIS
- Ethnic Studies Institute to develop and support Ethnic Studies teachers, in addition to Ethnic Studies framework and curricular supports from the UC Davis History Project
- Reading Apprenticeship literacy series and mentorship through WestEd
- UC Davis Mathematics Project Teacher Leadership program (K-12) trained math teachers, instructional coaches, and some administration in the Common Core State Standards and progression of mathematical practices
- Elementary and Secondary Summits, where DJUSD staff-led sessions in best practices and promising innovation pilots
- Yolo County Mental Health First Aid
- National Equity Project to support the DJUSD Administrative Leadership Team, students, and staff in developing capacity as equity leaders
- Mindful Schools where each site sent a team to learn mindfulness practices for school settings
- Elementary and Secondary Canvas resource pages
- K-6 formative assessment and personalized curriculum using the i-Ready Diagnostic Assessment platform
- Site developed training (TK – 12) based upon needs articulated by staff, parents, and students to meet specific needs and goals. Sites develop professional growth with the support of outside expertise, district leadership, and staff

District-wide professional learning for “Grading for Equity” to support equitable, transparent, and content-focused grading practices

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
