The Health Office needs help putting together first aid bags for every teacher.

If you are interested in volunteering during your study to fill first aid bags in the Health Office please email Mrs. Lamontagne at [nlamontagne@windhamsd.org](mailto:nlamontagne@windhamsd.org).

## Windham Town Museum

The Board of Trustees at the Windham Town Museum is looking for help with photography. They have new cameras that need to be set up and they would like to learn some tips on great ways to take pictures of old maps, artifacts and photos.

## Parkland Medical Center

Derry, NH

We currently have opportunities available, which I wanted to pass this along to students that are in need of volunteer hours, are looking at starting a career in the medical field, or folks that are just wanting to volunteer in general.

This is a great opportunity to network in the healthcare industry and gain exposure and experience.

You will need to complete the [Volunteer Application Form](#) and email it to the contact person below.
