

**Dear Windham SAU Families,**

Graduation is almost here for the class of 2022– this is a time for celebrating! Unfortunately, these happy occasions sometimes involve underage drinking which can result in tragedy.

To ensure the safety of our newest graduates, the WHS Last Night Committee is preparing for the treasured town tradition to provide a memorable, and more importantly, SAFE celebration.

The Last Night event is held at the high school on the evening of graduation (June 10). Students will enjoy an overnight party filled with live entertainment, music, attractions, games, crafts, and a vast array of food, prizes, and raffles.

#### **HOW CAN YOU HELP?**

Let's come together as a community to provide a **safe and sober celebration** by keeping our Class of 2022 graduates off the roads the evening of their graduation!

#### **WE NEED YOU! Join the Last Night Committee and/or Volunteer for day of event support.**

Not just for WHS Senior parents. Younger families encouraged to participate. It takes a village to coordinate this event. Your student will be there soon enough.
