Heading: Use of Leave, Including Intermittent and Reduced-Schedule Leave

An employee does not need to use FMLA or AFLA leave in a single block. Rather, leave can be taken intermittently or on a reduced leave schedule when medically necessary.

Leave because of a serious health condition, or either type of family military leave under FMLA, may be taken intermittently (in separate blocks of time due to a single health condition) or on a reduced-schedule leave (reducing the usual number of hours worked per workweek or workday), so long as medically necessary.

If leave is unpaid, the District will reduce the employee’s salary based on the amount of time actually worked. In addition, while an employee is on an intermittent or reduced – leave schedule, the District may temporarily transfer the employee to an available position.
alternative position that better accommodates the recurring leave and wish has equivalent pay and benefits.

Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the District’s operations. Leave may not be taken on an intermittent basis when used to care for the employee’s own child during the first year following birth, or to care for a child placed with the employee for foster care or adoption, unless both the employee and employee agree to such intermittent leave. Approval for such intermittent leave may be granted by the Superintendent for extenuating circumstances but not for convenience.

Military family leave based due to qualifying exigencies may also be taken on an intermittent basis.

LEAVES

The School Board shall authorize employee absences as provided by law and Board policy. The Board recognizes the following justifiable reasons for absence:

1. Personal sickness or injury, pregnancy, jury duty, military service or emergencies beyond the employee’s control.

2. Family illness, bereavement, religious observances and other personal reasons.

3. Situations stemming from occupational status such as attendance at meetings, conventions, inservice courses, seminars, etc.

4. Other situations for which leave is provided by law.

Note: The Alaska Family Leave Act became law September 16, 1992, and applies to employers that have employed 21 or more employees for each working day during any period of 20 consecutive workweeks in the preceding two calendar years. Family leave includes, at a minimum, "unpaid leave" for "serious" health conditions for a total of 18 weeks during any 12 month period, and unpaid leave for pregnancy and childbirth or adoption for a total of 18 work weeks within a 12 month period. Employees are entitled to apply accrued paid leave toward the unpaid leave time. Employers must allow employees to continue their existing health insurance coverage at the same level the employee had before going on leave. However, the employee may be required to pay the premium cost for the continuation of the insurance coverage. The Commissioner of Education may approve a labor contract that does not meet the family leave requirements if the district can show a lack of qualified, available substitutes to replace a teacher on leave or a lack of available housing for replacement teachers who do not live in the community.

SICK LEAVE

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The district may additionally require written verification by the employee's doctor or practitioner. Such verification may be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury. Chronic absenteeism may be indicated when an employee has exhausted his/her entire ten-day sick leave benefit during three or more of the past five years.

At its expense, the district may require an employee to visit a physician selected by the district in order to receive a report on the nature and severity of an illness or injury. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or Principal, after giving notice to the employee, may deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization or extended medical treatment may be asked to submit a letter from his/her doctor stating that he/she is able to return and stipulating any recommended restrictions or limitations. The district may, at district expense, require the opinion of a physician chosen by the district.

Employee Notifications of Absence

Employees shall notify the district of their need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall again notify the district of the need for a substitute. If the duration of absence is unknown or becomes shorter than estimated, the employee shall notify the district of his/her intent to return by at least 3 p.m. of the working day preceding the day he/she returns. If failure to so notify the district results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

Personal Necessity

Certificated employees may use no more than seven days of their accrued sick leave during each contract year for reasons of personal necessity.

Acceptable reasons for the use of personal necessity leave include:

1. Death of a member of the immediate family.
2. An accident involving the employee's property or the person or property of a member of the immediate family.
3. An illness of a member of the employee's immediate family.
4. Fire, flood, or other immediate danger to the home of the employee.
5. Required court appearance other than those court appearances for which the employee is obligated to be absent from duty and compensation is required by law.
6. Personal business of a serious nature which the employee cannot disregard.

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or Principal. However, no such leave shall be granted for purposes of personal convenience, for the extension of a holiday or vacation period, or for matters which can be taken care of outside of working hours.

SABBATICAL

The School Board recognizes the importance of professional development and may grant a sabbatical leave of one school year to teachers who have seven years or more years of service with the district. Such leaves may be approved if they serve an educational purpose and meet all requirements of law.

The selection of teachers to receive sabbatical leave shall be based on the potential benefit to the district, the subject field and contribution of the teacher to education in the state, and seniority in the district.

When granting sabbatical leave, the Board shall determine the amount of leave which shall be paid by the district. The Board may grant a teacher credit on the salary schedule for any leave which the Board determines was educationally or professionally beneficial to the teacher or district.

The Superintendent shall establish procedures for procession and approving requests for sabbatical leave.

YUPIIT SCHOOL DISTRICT

FAMILY AND MEDICAL LEAVE

Note: Your district may be a “covered employer” under both the federal Family and Medical Leave Act (FMLA) and the Alaska Family Leave Act (AFLA). Covered employers must provide its employees with the benefits of these laws. FMLA covers employers who have at least 50 employees within 75 miles. AFLA covers public school district sites which have had at least 21 employees within 50 road miles during any period of 20 consecutive workweeks in the preceding two calendar years. Accordingly, some smaller districts may be covered by AFLA only, or, potentially, may not be covered at all. Additionally, some sites may be exempt from coverage while other sites in a district are covered. School districts can adopt a more generous policy by allowing employees who meet the hours-worked requirements to be eligible for family leave, regardless of the number of employees within a given radius.

The Board is committed to providing employees with family and medical leave in compliance with the Family and Medical Leave Act (FMLA) and the Alaska Family Leave Act (AFLA), as applicable. When both laws apply, the provisions more generous to the employee will govern.

In recognition that FMLA and AFLA provide some employer options for implementation of leave, the Board directs that leave under these laws shall be implemented as set forth below. To the extent only AFLA leave applies, and AFLA does not contain specific requirements for implementation of that leave, the Board adopts by policy those procedures and employer rights set forth in FMLA and its regulations. The Superintendent shall develop regulations, in accordance with this policy, setting forth the qualifications, entitlements, and procedures for leave in compliance with these laws.

(cf. 4161 – Leaves)

Covered Employees

Eligibility for FMLA and AFLA leave, as applicable, shall be based entirely on eligibility criteria established by these laws. This policy is not intended to expand eligibility for FMLA or AFLA leave beyond that which is legally required.

Under FMLA, an employee who has worked for the District for at least one year, and for 1,250 hours over the previous twelve months, is entitled to up to 12 weeks of leave for qualifying events. Under AFLA, an employee who has worked for the District for at least 35 hours a week in the last six consecutive months, or at least 17.5 hours a week during the preceding twelve months, is entitled to up to 18 weeks of leave for qualifying events. Leave which qualifies under both FMLA and AFLA is to be used simultaneously.

Unused family and medical leave does not accumulate from year to year.
Personnel

FAMILY AND MEDICAL LEAVE (continued)

Reasons for Taking Leave

Note: FMLA provides for two forms of military-related leave that are not covered by AFLA. Qualifying exigency leave and military caregiver leave are set forth in items 6 and 7 below. Districts not covered by FMLA may choose to provide similar military family leave.

Covered employees will be granted leave for the following reasons:

1. To care for the employee’s infant child during the first 12 months following birth;
2. To care for a child during the first 12 months following placement with the employee for adoption or foster care;
3. To care for a spouse, son, daughter, or parent with a serious health condition;
4. For incapacity due to the employee’s pregnancy, prenatal medical care or child birth;
5. Because of the employee’s own serious health condition that renders the employee unable to perform the employee’s job;
6. If FMLA is applicable, for qualifying exigency leave if the employee’s spouse, son, daughter, or parent is a military member and is on covered active duty; or
7. To care for a covered servicemember under the terms set forth in FMLA.

Notices

Required notices shall be posted by the District so that employees are aware of their rights and responsibilities when the need for family or medical leave arises.

All requests for family and medical leave shall be made in writing on a District form. The employee shall provide sufficient information to determine whether the leave qualifies for FMLA and/or AFLA leave.

The employee is required to provide advance notice, consistent with these laws, and leave may be denied if notice requirements are not met. The employee must ordinarily provide 30 days advance notice when the leave is foreseeable.
Concurrent Use of Paid Leave

Note: Both FMLA and AFLA are unpaid leaves. However, these laws permit employees and employers to substitute paid leave for unpaid leave. The policy language below requires employees to use all applicable paid leave in conjunction with FMLA/AFLA leave. If such a policy is not adopted, an employee may take his or her full entitlement of FMLA/AFLA leave, and then take any additional paid leave to which he or she is entitled. The policy helps minimize cumulative absences from work.

FMLA and AFLA are unpaid leaves. However, the District has elected to require employees to substitute paid leave for unpaid leave taken for an FMLA or AFLA qualifying event. Paid leave substitutions will include personal leave and annual leave; and sick leave if the employee requests leave because of the employee’s own serious health condition or for another event for which sick leave may be used under District policies or negotiated agreements.

An employee’s FMLA or AFLA leave runs concurrently with other types of paid leave and the District will give proper notice to the employee that FMLA or AFLA leave is being utilized. The substitution of paid leave for unpaid leave does not extend the maximum FMLA or AFLA leave period. When paid leave is exhausted, the remaining absences will continue to be FMLA or AFLA leave, as applicable, but will be unpaid.

(cf: 4161.1 – Sick Leave)
(cf: 4161.2 – Personal Leaves)

Medical Certification and Fitness for Duty

The District requires medical certification and recertification of any serious health condition of the employee or qualifying family member. Failure to provide timely certification when requested will result in denial of leave.

Employees on FMLA or AFLA leave must periodically report on their status and intent to return to work.

Employees are required to provide a fitness-for-duty certificate upon returning from FMLA or AFLA leave when the leave is taken because of the employee’s own serious health condition.

“Calendar Year” for Purposes of Leave Entitlement

Note: FMLA allows employers to choose their calendar year for determining the amount of leave to which an eligible employee is entitled. This can include the actual calendar year, the District’s fiscal year, or a rolling calendar year. The rolling calendar year is recommended as it allows the employer to look back and eliminate the potential for employees to stack FMLA leave entitlements between two calendar years.

For purposes of determining total leave availability for an eligible employee, the District utilizes a rolling twelve-month period measured backwards from the date leave is used, to avoid stacking of back-to-back leave entitlements.
Instructional Employees

Both the District, and its instructional employees, will comply with the special rules for instructional employees set forth in law. These rules shall be included in the regulations developed by the Superintendent.

Job Benefits and Protection

Note: For the duration of FMLA leave, the employer must maintain the employee’s health coverage under any group plan. There is a similar requirement under AFLA, except that school districts can require the employee to pay the full costs of coverage during periods of unpaid AFLA leave. For periods when the employee is concurrently on paid leave, health coverage requirements would apply consistent with what is provided to district employees on paid leave.

To the extent required by law, the District will maintain the employee’s health coverage under any group plan. The employee will be required to continue making employee contributions as required by the plan. An employee who fails to return to work after expiration of his or her available leave may be required to reimburse the District for those benefits paid, as allowable by law.

The District will restore a returning employee to his or her original or an equivalent position, with equivalent pay, benefits, and other employment terms, unless restoration is not required by law. The employee will not lose any employment benefit that accrued prior to the start of the employee’s leave.
The District will not interfere with, restrain, or deny to a qualifying employee any right provided by FMLA or AFLA. Nor will the District discriminate or retaliate against any person for utilizing leave, enforcing leave rights, or opposing any practice made unlawful by FMLA or AFLA, or for being involved in any proceeding related to these laws.

(cf. 0410 – Nondiscrimination in District Programs & Activities)
(cf. 4030 – Nondiscrimination in Employment)

No Alternative Employment

Note: Having a second job while on FMLA or AFLA leave does not violate these laws. However, employers may have and enforce a policy prohibiting its employees from outside work while on leave from the District.

The District prohibits employees who are on approved family and medical leave from engaging in other employment during the dates and times the employee would otherwise have been working for the District. Upon written request by the employee, the Superintendent may, in his or her sole discretion, grant an exception to this provision.

Enforcement of Rights

Employees who believe their rights under FMLA or AFLA have been violated are encouraged to bring this to the attention of the Superintendent or designee for investigation and resolution. Any employee may file a complaint with the U.S. Department of Labor for violations of FMLA, or the Alaska Department of Labor for violations of AFLA. An eligible employee may bring a civil action against an employer for violations.

The District reserves the right to take disciplinary action, up to and including termination, against any employee who abuses the rights, duties, and obligations of FMLA or AFLA.

CIVIC LEAVE

The School Board encourages employees to fulfill their civic responsibilities and will accommodate these responsibilities as provided for below.

JURY OR WITNESS DUTY

Any regularly contracted teacher or other full-time employee of the district who is required to be absent from duty pursuant to a court order, either as a witness or juror, shall receive regular salary/wage for such period of absence. The payroll adjustment will be made at the first payroll period following such service.

Employees must show the jury duty summons to their supervisor as soon as possible so that the supervisor may make arrangements to accommodate their absence. Employees are expected to report for work whenever the court schedule permits.

MILITARY LEAVE

Any regular full-time employee who is a reservist in any branch of the armed forces or a National Guard member shall be granted time off for military training or temporary military service required during the school year. An employee requiring such leave must notify his or her supervisor of the training schedule as far in advance as possible. An employee requiring such leave will receive regular pay during such service, less any military pay earned during that time, for a period authorized by law.

Any regular full-time employee with an active military obligation will be granted a leave of absence without pay if called to active duty within the U.S. armed services. Employees called for active duty will be entitled to reinstatement in accordance with all applicable state and federal laws.

Re: Correspondence

School Sale of Non-Nutritional Foods
The US Department of Agriculture and the Alaska Department of Education have notified school districts that the sale of non-nutritional foods in schools during the school day has been severely limited. Most food items sold in student stores would be considered non-nutritional and therefore could not be sold during the school day. There is a waiver process where schools can get approval to sell such items during fund raising activities (which is what the student store is). Middle and High Schools can get permission for up to 25 days for such sales to occur. Elementary Schools may be granted 10 days. Because YSD schools are K-12 buildings we would be limited to 10 days. School that host activities are encouraged to use their 10 days when they are hosting tournaments. At no time can student stores or the sale of non-nutritional foods be offered 30 minutes before or after school lunch service.

Additional regulations require 4 to 8 hours of specified training for district food service program managers as well as all food service workers. This will require that YSD food service workers work a longer contract year in order to provide time for these training programs.

Notification of Budget Non-Approval
The Department of Education has notified YSD that the FY’16 Budget did not meet the 70% for instruction rule. A waiver for this is required to be submitted this month. Lucienne Smith is working on this waiver for YSD. The FY’16 Budget included 68% for instruction. Very close.

Re: Superintendent’s Report

Count Dates
Count dates for student enrollment counts resulting in the YSD FY16 Foundation Funds begins on September 28 and ends on October 23.

Native Council Meetings
All YSD principals have been directed to attend Native Community Council meetings monthly to report on school events, issues and student achievement as well as attendance concerns.

Calista Corporation Supports Safety
The Calista Corporation has donated reflective zipper pulls for all elementary students in the district to help keep children safe during the dark winter months. Schools have been asked to distribute these in October at Parent Conferences so that they get attached to coats properly. Thank you notes will be sent to Calista Corporation from each school.

Technology Update for RSB
After several discussions with Len Fabich it is recommended that it is time to update the technology for the Regional School Board. Laptops would allow for Internet access and RSB packet access without Internet. Packet documents can be provided on a jump drive so that RSB members can read them without Internet. Laptops and jump drives would be brought to each meeting and the next meeting the jump drives would be sent back to members with new documents.

Akiachak to Host Regional Cross Country Meet
On September 26 Akiachak School lead by Coach Barron Sample will host the Regional Cross-country meet. Coach Sample and Mrs. Greusel have been planning this for some time. Seven teams are expected to arrive in Akiachak on September 25. Hosting something this big requires a lot of volunteers. If you or your family has some time, please contact Stacy Greusel for more information on how you can help with this wonderful event.

School Assemblies and Community Performance to Celebrate Healthy Ways of Life
Mike Williams has arranged for Samuel Johns an accomplished rapper to visit YSD Schools to speak to students about healthy ways of life. The day will end with a community performance.

- September 22 – Akiak School
  - Potluck at 5:30 and community performance after
- September 23 – Tuluksak School
  - Community Performance at 4:00
- September 24 – Akiachak School
  - Community Performance at 4:00

Akiak Math/Science Position
A teacher has been found for the Math/Science position at Akiak School. He has not yet accepted and will not be able to arrive until the beginning of the second quarter. Mr. Burns will need to teach some classes until this time. Mr. Boggs will work with him to create appropriate plans for students in these content areas.

Travel RFP
YSD has put out an RFP for two regular charters three times each month. One flight will be on Wednesday mornings and one on Thursday afternoons. Each flight will make 4 stops. It is expected that this will cut YSD travel costs by thousands of dollars. It will also allow for regular on-site support from YSD district support and related service providers.

Yupiit School District has invested a lot of money in the renovation of Akiachak LMT. Housing rentals, I will have an estimated cost of these repairs when finished.

Tuluksak water continues to be a major problem. The teachers arrived in the beginning of the school year to no water and the first day of school was cancelled due to no water. They have consistently not had water every weekend.
Special Programs Report:
Yupiit Regional School Board
September 17, 2015

STUDENT PATHWAYS:
Yupiit School District is sending 6 students, 2 from each campus, to Aniak for Alaska ExCel vocational training. Three students will attend a welding class from September 29 – October 12 and three will attend a heavy equipment operation class from October 14 - 23. We will also send 6 students to the Chugach School District’s Outdoor Leadership phase September 28 – October 7. Class fees and transportation costs are paid by the district from grant funds.

The district has just been notified, September 4, that we are receiving an increase in our Johnson – O’Malley grant that will enable us to send more students to EXCEL Alaska vocational education classes. We are very happy about this, as we are able to offer our students opportunities to acquire marketable job skills.

COUNSELOR MEETING:
On September 14 I met with the district’s school counselors to develop ways in which our students who attend these VTE classes can share their experiences with their classmates and community. We also discussed the proper way in which to insure that our students get the proper academic credit for these courses and stay current with their classes at school.

SCHOOL VISITS:
We are working with representatives of both the Chugach and Kuspuk programs to schedule visits to our communities to meet with parents and students to explain their programs and answer questions from our community members. I will provide those dates as we get confirmation.

AKIAK SCHOOL SUPPORT:
I spend at least one day each week in Akiak to work with the principal to support school improvement efforts and familiarize myself with the school and the community. I also observe and evaluate the Kindergarten teacher, Mrs Burns, who may not be evaluated by Mr. Burns.

MEETINGS AND TRAININGS:
I attended Migrant Education recruiting and records management training in Anchorage August 25-27. My responsibilities include managing Migrant Education grant funds and supervising the staff involved in recruiting and records management. The training was useful in educating me about the particulars of the program, and gave me a chance to get to know the State personnel involved with the program.
SPECIAL EDUCATION SERVICE PROVIDERS:
Anne Kosacheff - PT, was in Akiachak on August 24. Due to weather she was unable to make it to Tuluksak and has rescheduled for September.
Mark Smedley - School Psychologist will be in District from September 15 - 18. He will visit all 3 sites. He currently has 5 reevaluations planned and at least 2 referrals.
JoAnne Domko - speech language pathologist will be in District from September 14-18. She will visit all 3 sites. She will be updating goals and objectives for students who receive speech and language services, meeting with students and teachers and providing direct services to students.
Diane George - Special education director - will be in District from September 14-16 and September 21-23. She will be preparing for the special education desk audit which takes place in mid-October, planning and providing required 6 hours of training to special education paraprofessionals, reviewing and updating files and rosters in preparation for the October count and meeting with JoAnne Domko and Mark Smedley.

MEMORANDUM

TO: YSD Board of Education
FROM: Lucienne Smith, Contracted CFO
ALASKA EDUCATION & BUSINESS SERVICES, INC.

RE: SEPTEMBER 2015 Board Report

The FY16 Monthly Board Reports are attached as follows:

✓ Statement of Revenue Budget vs. Actual – recapping fund specific revenue
✓ Statement of Expenditure Budget vs. Actual – recapping fund specific expenditures
✓ Statement of Revenue Budget vs. Actual for the General Operating Fund
✓ Statement of Expenditure Budget vs. Actual for the General Operating Fund

FY 2015 Audit – We are finalizing our annual financial report with the auditors and will have a draft by next month. We were able to close out a number of funds that had been on the books since FY 2010.

Food Service – All our policy information has been updated on the Child Nutrition website, and we continue to move to have all policy processes performed online. With the advertisement for a part time person to focus on food product receiving and inventory, we look forward to having a well-documented program for the visiting EED – Child Nutrition Division folks this year.

Technology – All sites now have the MyFax capabilities, so the age of using a separate piece of equipment has been eliminated. All administrative offices and site offices can fax from and receive directly to their email. As the faxes arrive in electronic form it eliminates the need to make a paper copy, they can be electronically filed. All fax numbers have been updated on the letterhead and the website. A listing has also been provided to each site of all MyFax numbers.

In-service – Ongoing secretarial in-service is performed so all sites have solid knowledge of all things that are within their area of responsibility - i.e., the accounting software, daily time cards, food service reports, PowerSchool (where all student data is contained), on site deposits, responding to site questions, etc.

Waiver – As indicated last month, when we submitted our FY 2016 budget, it was at 68% instruction so we are required to submit a waiver. A copy of the draft waiver is included as part of this report.

E-rate – YSD has been approved for all their eRate application services for this school year. One item was approved at a lower rate than what was submitted and we are appealing. That correction will gain the YSD $55K in discounts for our internet bandwidth that was increased last year.

FY 2016 Enrollment – the count period for this year begins September 28th and continues for 20 school days thru October 23rd. From this count period we will realize our FY 2016 foundation funds; remember we budgeted for 464 students district wide (KKI-218; AKI-110; TUL-136).

Re: Request for Waiver (AS 14.17.520(d))

Dear State Board:

Pursuant to the minimum expenditure for instruction as set forth in AS 14.17.520 the Yupiit School District requests a waiver to the mandate.

The Yupiit School District requests a waiver to the 70% minimum expenditure for instruction requirement due to reasons and causes beyond the district’s control including the high cost of energy, water and sewer of which constitute 60% of the district’s maintenance budget and 11% of the overall budget, and the expense of receiving maintenance services and supplies – in short the high cost of maintenance & operations due to the geographic location of the district.

The District Administration and School Board remain committed to providing quality education and will remain vigilant in seeking cost savings and efficiencies to meet instructional needs. In an effort to create savings and efficiencies, the District outsourced their District-wide Technology Coordinator (instructional) and Business Manager positions.

On behalf of the Yupiit School District Board of Education and the students of the Yupiit School District, I am hereby formally requesting a waiver of the 70 percent requirement for the 2015-2016 school year.

We are sincerely appreciative of the ongoing support we receive from the Department of Education and Early Development. Please feel free to contact me if any further information is needed or is required.

Sincerely,

Norma Holmgaard
Superintendent

**DISTRICT PROFILE:** Based in Akiachak, Alaska. Yupiit School District (YSD) is a Regional Education Attendance Area located in Akiachak, Alaska. YSD operates 3 schools in 3 communities with an average daily membership of 464 (Pre K – Grade 12). The area serviced by YSD encompasses approximately 19 miles and all three villages are located along the Kuskokwim River.

The economy of all YSD communities is closely tied to commercial fishing on the Kuskokwim River in Southwest Alaska.

The YSD District Office is located in Akiachak, Alaska. Access from Bethel is by air or boat and vehicle (on an ice road for a few months in the winter). Transportation between sites within the Yupiit School District is by air, boat or ice road. From Anchorage you can fly into Bethel by commercial jet. From Bethel you fly a small plane to each of the villages.

**Instruction (100-400):** $8,853,775 or 68% of the total expenditures. This has increased mainly due to salary schedule increases to allow YSD to be competitive with the area districts. This includes 41.5
teachers, classroom aides, special education aides, 3 Principals, and one .5 Principal. Total salaries and benefits are 51% of the instructional function. The remaining 49% of instruction is budgeted for professional & technical, supplies, textbooks materials & media, staff & student travel, and utility services (communications) for internet access. The district has continued to preserve a 15:1 Student/Teacher ratio.

**School Administration Support Services (450):** $194,660 or 1% of the total expenditures. This is for the 3 site secretary/registrars.

**District Administration (510):** $412,384 or 3% of the total expenditures. Total salaries and benefits are 78% of this function. The remaining 22% represents travel expenses for the Superintendent, school board, and board secretary, traveling to sites for meetings, stipends for board members, professional services (legal fees), communications, supplies, and dues and fees to AASB complete the remainder of this budget.

**District Administration Support Services (550):** $410,648 or 3% of the total expenditures. This Function has decreased from the FY 2014 & FY 2015 budgets due to an increase in indirect recovery and by creating efficiencies within the business office decreasing in staff. Salaries and benefits account for 63% of this budget, with the remaining 47% for travel, professional & technical services, supplies, equipment and insurance.

**Operations and Maintenance (600):** $2,963,378 or 23% of the total expenditures. Salaries and benefits account for 20% of this budget. Utilities consist of 60% of this budget (with energy alone being 50%) and over 11% of the overall budget. This expense has begun to increases due to the age of the three school buildings.

**Student Activities (700):** $201,186 or 2% of the total expenditures. This function has decreased slightly due to reducing stipends. The students fundraise for a portion of the co-curricular activity travel. 17% of this budget is for paying extra duty stipends for coaching the various co-curricular activities and the remaining expenditures are for travel, supplies, and due and fees for participation.

MEMORANDUM

To: Regional School Board
From: Norma Holmgaard, Superintendent
Re: Strategic Plan Progress

IN INVOLVING ELDERS AND THE COMMUNITY

1. Identify and bring Elders into the school to teach traditional skills, arts and crafts, and technology and to model good behavior.
   a. Develop seasonally appropriate Elder activities twice each month in the school
   b. Identify and reach out to Elders who are active in each school and to those active in Tribal Court

   No progress at this time. Elder Mentor Program is being considered at each school. Tuluksak School has identified Elders for the program.

2. Continue parent outreach program including parent instruction
   a. Develop School/Parent Compact
      Each school has developed a compact to support children’s educations. Most parents and teachers discussed this before school began this year and during home visits. It will be discussed again at October conferences when teachers and parents will measure their progress.

   b. Meet with parents before school year starts – and revisit at the end: Use positive postcards to reinforce parent activities.
      Conferences were held at all schools before school start up. Postcards have not yet been purchased.

   c. Develop Parent/Peer networks: Posters created by kids for events (Perhaps a task for student governments)
      Networks have not yet been developed. Discussions with the Alaska Institute for Student Support have occurred to develop school and community engagement activities.

   d. Develop youth/parent tree to support attendance
      No progress at this time.

   e. Develop annual education program for parents around critical school district issues (attendance, culture and language curriculum)
      No Progress at this time.
YUPIK CURRICULUM AND STUDENT OUTCOMES

1. Improve attendance and academic achievement so students can either go on to higher education or enter a vocational program. *Attendance discussions have occurred in Akiak on July 20 and Tuluksak on September 8. Akiachak meeting has not yet been scheduled. Home visits by teachers and staff occurred the first week of school to build home and school relationships. These were very successful. Other activities and work are included in the Director’s reports.*

2. Use culturally appropriate assessments for students *No progress has been made on this.*

3. Establish procedures to award Elders and Paraprofessionals type M Certificates. *This is under investigation. An assessment has been acquired from LKSD to determine proficiency in reading, writing and speaking Yupik. In addition investigation is underway to identify courses that could be offered in-district for individuals wanting to earn a Type M certificate.*

4. Establish a Yupik Program Department responsible for Yupik curriculum, Yupik materials, Elder outreach, summer cultural school options *Department has been established. Two people working on curriculum, school based cultural activities, K-12 curriculum, and summer culture camps.*

5. Develop training programs for Yupik staff so that they can teach effectively. *No specific progress at this time but being investigated as in #3 above.*

LEAVES

The School Board shall authorize employee absences as provided by law and Board policy. The Board recognizes the following justifiable reasons for absence:

1. Personal sickness or injury, pregnancy, jury duty, military service or emergencies beyond the employee’s control.

2. Family illness, bereavement, religious observances and other personal reasons.

3. Situations stemming from occupational status such as attendance at meetings, conventions, inservice courses, seminars, etc.

4. Other situations for which leave is provided by law.

Note: The Alaska Family Leave Act became law September 16, 1992, and applies to employers that have employed 21 or more employees for each working day during any period of 20 consecutive workweeks in the preceding two calendar years. Family leave includes, at a minimum, "unpaid leave' for "serious" health conditions for a total of 18 weeks during any 12 month period, and unpaid leave for pregnancy and childbirth or adoption for a total of 18 work weeks within a 12 month period. Employees are entitled to apply accrued paid leave toward the unpaid leave time. Employers must allow employees to continue their existing health insurance coverage at the same level the employee had before going on leave. However, the employee may be required to pay the premium cost for the continuation of the insurance coverage. The Commissioner of Education may approve a labor contract that does not meet the family leave requirements if the district can show a lack of qualified, available substitutes to replace a teacher on leave or a lack of available housing for replacement teachers who do not live in the community.

SICK LEAVE

Every certificated employee working five school days each week is entitled to one and one-third days of sick leave a month. Such leave for employees working less than five days per week shall be proportionately less. Unused days of sick leave shall be accumulated from year to year without limitation.

The Superintendent or designee shall establish procedures for reporting and verifying such absences.

Certificated employees may transfer accumulated sick leave between districts and the Department of Education. Employees are responsible for initiating a transfer of sick leave credits within 90 days of employment.

Sick Leave Bank

The School Board authorizes the establishment of a sick leave bank to provide teachers sick leave benefits in unusual circumstances. Teachers may draw up to twice the number of days leave he/she has accumulated before the first day of school up to a maximum of 24 days. The Board may grant additional leave in cases of severe illness or external hardship.

SICK LEAVE

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The district may additionally require written verification by the employee's doctor or practitioner. Such verification may be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury. Chronic absenteeism may be indicated when an employee has exhausted his/her entire ten-day sick leave benefit during three or more of the past five years.

At its expense, the district may require an employee to visit a physician selected by the district in order to receive a report on the nature and severity of an illness or injury. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or Principal, after giving notice to the employee, may deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization or extended medical treatment may be asked to submit a letter from his/her doctor stating that he/she is able to return and stipulating any recommended restrictions or limitations. The district may, at district expense, require the opinion of a physician chosen by the district.

Employee Notifications of Absence

Employees shall notify the district of their need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall again notify the district of the need for a substitute. If the duration of absence is unknown or becomes shorter than estimated, the employee shall notify the district of his/her intent to return by at least 3 p.m. of the working day preceding the day he/she returns. If failure to so notify the district results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.
All Personnel

PERSONAL LEAVES

Personal Necessity

Certificated employees may use no more than seven days of their accrued sick leave during each contract year for reasons of personal necessity.

Acceptable reasons for the use of personal necessity leave include:

1. Death of a member of the immediate family.
2. An accident involving the employee's property or the person or property of a member of the immediate family.
3. An illness of a member of the employee's immediate family.
4. Fire, flood, or other immediate danger to the home of the employee.
5. Required court appearance other than those court appearances for which the employee is obligated to be absent from duty and compensation is required by law.
6. Personal business of a serious nature which the employee cannot disregard.

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or Principal. However, no such leave shall be granted for purposes of personal convenience, for the extension of a holiday or vacation period, or for matters which can be taken care of outside of working hours.

SABBATICAL

The School Board recognizes the importance of professional development and may grant a sabbatical leave of one school year to teachers who have seven years or more years of service with the district. Such leaves may be approved if they serve an educational purpose and meet all requirements of law.

The selection of teachers to receive sabbatical leave shall be based on the potential benefit to the district, the subject field and contribution of the teacher to education in the state, and seniority in the district.

When granting sabbatical leave, the Board shall determine the amount of leave which shall be paid by the district. The Board may grant a teacher credit on the salary schedule for any leave which the Board determines was educationally or professionally beneficial to the teacher or district.

The Superintendent shall establish procedures for procession and approving requests for sabbatical leave.

**FAMILY AND MEDICAL LEAVE**

Note: Your district may be a “covered employer” under both the federal Family and Medical Leave Act (FMLA) and the Alaska Family Leave Act (AFLA). Covered employers must provide its employees with the benefits of these laws. FMLA covers employers who have at least 50 employees within 75 miles. AFLA covers public school district sites which have had at least 21 employees within 50 road miles during any period of 20 consecutive workweeks in the preceding two calendar years. Accordingly, some smaller districts may be covered by AFLA only, or, potentially, may not be covered at all. Additionally, some sites may be exempt from coverage while other sites in a district are covered. School districts can adopt a more generous policy by allowing employees who meet the hours-worked requirements to be eligible for family leave, regardless of the number of employees within a given radius.

The Board is committed to providing employees with family and medical leave in compliance with the Family and Medical Leave Act (FMLA) and the Alaska Family Leave Act (AFLA), as applicable. When both laws apply, the provisions more generous to the employee will govern.

In recognition that FMLA and AFLA provide some employer options for implementation of leave, the Board directs that leave under these laws will be implemented as set forth below. To the extent only AFLA leave applies, and AFLA does not contain specific requirements for implementation of that leave, the Board adopts by policy those procedures and employer rights set forth in FMLA and its regulations. The Superintendent shall develop regulations, in accordance with this policy, setting forth the qualifications, entitlements, and procedures for leave in compliance with these laws.

*(cf. 4161 – Leaves)*

**Covered Employees**

Note: FMLA and AFLA are triggered when an employee has worked the requisite number of hours for a school district. AFLA protections will apply sooner than FMLA protections, especially for new employees or part-time employees. Accordingly, any employee who qualifies under FMLA due to length of service will qualify under AFLA. Because AFLA provides greater leave entitlements, school district employees will usually be entitled to 18 weeks of leave.

Eligibility for FMLA and AFLA leave, as applicable, shall be based entirely on eligibility criteria established by these laws. This policy is not intended to expand eligibility for FMLA or AFLA leave beyond that which is legally required.

Under FMLA, an employee who has worked for the District for at least one year, and for 1,250 hours over the previous twelve months, is entitled to up to 12 weeks of leave for qualifying events. Under AFLA, an employee who has worked for the District for at least 35 hours a week in the last six consecutive months, or at least 17.5 hours a week during the preceding twelve months, is entitled to up to 18 weeks of leave for qualifying events. Leave which qualifies under both FMLA and AFLA is to be used simultaneously.

Unused family and medical leave does not accumulate from year to year.
FAMILY AND MEDICAL LEAVE (continued)

Reasons for Taking Leave

Note: FMLA provides for two forms of military-related leave that are not covered by AFLA. Qualifying exigency leave and military caregiver leave are set forth in items 6 and 7 below. Districts not covered by FMLA may choose to provide similar military family leave.

Covered employees will be granted leave for the following reasons:

1. To care for the employee’s infant child during the first 12 months following birth;
2. To care for a child during the first 12 months following placement with the employee for adoption or foster care;
3. To care for a spouse, son, daughter, or parent with a serious health condition;
4. For incapacity due to the employee’s pregnancy, prenatal medical care or child birth;
5. Because of the employee’s own serious health condition that renders the employee unable to perform the employee’s job;
6. If FMLA is applicable, for qualifying exigency leave if the employee’s spouse, son, daughter, or parent is a military member and is on covered active duty; or
7. To care for a covered servicemember under the terms set forth in FMLA.

Notices

Required notices shall be posted by the District so that employees are aware of their rights and responsibilities when the need for family or medical leave arises.

All requests for family and medical leave shall be made in writing on a District form. The employee shall provide sufficient information to determine whether the leave qualifies for FMLA and/or AFLA leave.

The employee is required to provide advance notice, consistent with these laws, and leave may be denied if notice requirements are not met. The employee must ordinarily provide 30 days advance notice when the leave is foreseeable.
Concurrent Use of Paid Leave

Note: Both FMLA and AFLA are unpaid leaves. However, these laws permit employees and employers to substitute paid leave for unpaid leave. The policy language below requires employees to use all applicable paid leave in conjunction with FMLA/AFLA leave. If such a policy is not adopted, an employee may take his or her full entitlement of FMLA/AFLA leave, and then take any additional paid leave to which he or she is entitled. The policy helps minimize cumulative absences from work.

FMLA and AFLA are unpaid leaves. However, the District has elected to require employees to substitute paid leave for unpaid leave taken for an FMLA or AFLA qualifying event. Paid leave substitutions will include personal leave and annual leave; and sick leave if the employee requests leave because of the employee’s own serious health condition or for another event for which sick leave may be used under District policies or negotiated agreements.

An employee’s FMLA or AFLA leave runs concurrently with other types of paid leave and the District will give proper notice to the employee that FMLA or AFLA leave is being utilized. The substitution of paid leave for unpaid leave does not extend the maximum FMLA or AFLA leave period. When paid leave is exhausted, the remaining absences will continue to be FMLA or AFLA leave, as applicable, but will be unpaid.

(cf. 4161.1 – Sick Leave)
(cf. 4161.2 – Personal Leaves)

Medical Certification and Fitness for Duty

The District requires medical certification and recertification of any serious health condition of the employee or qualifying family member. Failure to provide timely certification when requested will result in denial of leave.

Employees on FMLA or AFLA leave must periodically report on their status and intent to return to work.

Employees are required to provide a fitness-for-duty certificate upon returning from FMLA or AFLA leave when the leave is taken because of the employee’s own serious health condition.

“Calendar Year” for Purposes of Leave Entitlement

Note: FMLA allows employers to choose their calendar year for determining the amount of leave to which an eligible employee is entitled. This can include the actual calendar year, the District’s fiscal year, or a rolling calendar year. The rolling calendar year is recommended as it allows the employer to look back and eliminate the potential for employees to stack FMLA leave entitlements between two calendar years.

For purposes of determining total leave availability for an eligible employee, the District utilizes a rolling twelve-month period measured backwards from the date leave is used, to avoid stacking of back-to-back leave entitlements.
Instructional Employees

Both the District, and its instructional employees, will comply with the special rules for instructional employees set forth in law. These rules shall be included in the regulations developed by the Superintendent.

Job Benefits and Protection

Note: For the duration of FMLA leave, the employer must maintain the employee’s health coverage under any group plan. There is a similar requirement under AFLA, except that school districts can require the employee to pay the full costs of coverage during periods of unpaid AFLA leave. For periods when the employee is concurrently on paid leave, health coverage requirements would apply consistent with what is provided to district employees on paid leave.

To the extent required by law, the District will maintain the employee’s health coverage under any group plan. The employee will be required to continue making employee contributions as required by the plan. An employee who fails to return to work after expiration of his or her available leave may be required to reimburse the District for those benefits paid, as allowable by law.

The District will restore a returning employee to his or her original or an equivalent position, with equivalent pay, benefits, and other employment terms, unless restoration is not required by law. The employee will not lose any employment benefit that accrued prior to the start of the employee’s leave.
FAMILY AND MEDICAL LEAVE (continued)

The District will not interfere with, restrain, or deny to a qualifying employee any right provided by FMLA or AFLA. Nor will the District discriminate or retaliate against any person for utilizing leave, enforcing leave rights, or opposing any practice made unlawful by FMLA or AFLA, or for being involved in any proceeding related to these laws.

(cf. 0410 – Nondiscrimination in District Programs & Activities)
(cf. 4030 – Nondiscrimination in Employment)

No Alternative Employment

Note: Having a second job while on FMLA or AFLA leave does not violate these laws. However, employers may have and enforce a policy prohibiting its employees from outside work while on leave from the District.

The District prohibits employees who are on approved family and medical leave from engaging in other employment during the dates and times the employee would otherwise have been working for the District. Upon written request by the employee, the Superintendent may, in his or her sole discretion, grant an exception to this provision.

Enforcement of Rights

Employees who believe their rights under FMLA or AFLA have been violated are encouraged to bring this to the attention of the Superintendent or designee for investigation and resolution. Any employee may file a complaint with the U.S. Department of Labor for violations of FMLA, or the Alaska Department of Labor for violations of AFLA. An eligible employee may bring a civil action against an employer for violations.

The District reserves the right to take disciplinary action, up to and including termination, against any employee who abuses the rights, duties, and obligations of FMLA or AFLA.

CIVIC LEAVE

The School Board encourages employees to fulfill their civic responsibilities and will accommodate these responsibilities as provided for below.

JURY OR WITNESS DUTY

Any regularly contracted teacher or other full-time employee of the district who is required to be absent from duty pursuant to a court order, either as a witness or juror, shall receive regular salary/wage for such period of absence. An employee requiring such leave will receive regular pay during such service, less any military pay earned during that time, for a period authorized by law.

WILLFUL DISRUPTION OF THE SCHOOL

The School Board recognizes that parents, legal guardians, and other adults may misunderstand or disagree with the policies of the District or the actions of its employees. The Board expects the staff and administration to respond to such concerns in a polite and professional manner. The Board also expects that parents and other adults will conduct themselves in an appropriate manner in their efforts to pursue such matters, including use of the District’s complaint procedures.

When approved in advance by the Board, funds may be solicited or materials distributed for those nonprofit, nonpartisan charitable organizations that are properly chartered or licensed by state or federal law.

With the approval of the Superintendent, school-related organizations may organize fund-raising events involving students. The Superintendent or Principal shall inform parents/guardians of the purpose of fund-raisers sponsored by schools or school groups. The Superintendent may limit fund-raising activities in order to prevent interference with the instructional program or to protect students from dangerous or unsafe situations. No students shall be barred from an activity because they did not participate in fund-raising activities.

YUPIIT SCHOOL DISTRICT
Revised 8/2014
ADVERTISING AND PROMOTION (continued)

The district will not unlawfully discriminate against advertisers who meet the requirements of Board policy and administrative regulations and procedures.

(cf. 0410 – Nondiscrimination in District Programs and Activities)

Agreements to advertise within a school that includes a contribution to the school shall be approved by the Superintendent.

Revised 8/2014
ADVERTISING AND PROMOTION

The Superintendent shall review advertising and promotional material to be distributed through the schools to ensure that it complies with the provisions of Board policy and administrative regulations prior to approving the dissemination of such information. Authorized material/information may be disseminated through school-sponsored publications or by students on a voluntary basis.

All advertising and promotional information distributed through the schools shall identify the name and contact location of the sponsoring group. All surveys or questionnaires requiring student or parent/guardian response must have prior approval of the Superintendent.

District services and activities involving commercial products will not include the distribution of unsolicited merchandise for which an ensuing payment is requested.

Revised 8/2014
COMMERCIALS

The School Board believes commercials in the educational program are intrusive and are not in the best interests of our students. Commercials are not part of our students' compulsory education and do not merit the same attention and trust as is accorded to educational materials. School time shall not be used for the promotion of commercial products.

Schools are established and maintained with funds allocated specifically for education, and class time shall be dedicated entirely to educational purposes. Advertisements may be studied, however, as part of the consumer education curriculum.
USE OF SCHOOL FACILITIES

Note: A.S. 14.03.100 authorizes boards to grant the use of school facilities for lawful gatherings and assemblies and mandates that boards adopt written bylaws to ensure reasonable and impartial use of school facilities. If challenged, the district should be prepared to legally defend the reasonableness of its rules. The following sample policy may be revised to reflect local philosophy and needs. The district should be able to provide supporting rationale for its policy/regulations; that is, the policy/regulations must be deemed to be “reasonable.”

Note: Under the No Child Left Behind Act of 2001, districts that make their premises and facilities available for use by youth and community groups must apply that policy equitably to all groups, including the Boy Scouts or other affiliated groups. Specifically, schools are prohibited from denying equal access to school facilities to the Boy Scouts or any other youth group “for reasons based on membership or leadership criteria or oath of allegiance to God and country.”

The Board believes that the schools belong to the citizens of the community and that community use of the school facilities fosters understanding and support for school programs. The Board shall make school facilities and grounds available to citizens and community groups for lawful gatherings and assemblies to the extent that such use serves the interests of the citizens and does not conflict with school or district purposes. The Superintendent shall establish administrative regulations governing the reasonable and impartial use of school facilities and grounds by community members or groups. Applications for use of school facilities shall be submitted to the principal.

Job Description

Constitutional Responsibilities

The Board of Directors establishes policies to supervise, control and direct the business of AASB within the limits of, and consistent with, the Resolutions and Beliefs, Constitution and Bylaws approved by the Delegate Assembly. Within these limits, the Board of Directors:

- Actively promotes the purposes of the Association;
- Interprets AASB's Constitution and Bylaws;
- Adopts such policies, rules, and regulations for the conduct of its business as it shall deem advisable;
- Employs and annually evaluates the Executive Director;
- Adopts and periodically adjusts the Association's budget;
- Provides oversight for the operation of the Legal Assistance Fund and AASB Scholarship Fund;
- Proposes changes to the dues structure to the general membership;
- Sets/approves/adopts the amount AASB will charge for all meetings, services and materials.

Corporate Responsibilities

In the exercise of its corporate responsibilities, the Board of Directors adopts and maintains a Board Policy Manual which sets forth procedures and guidelines for the Board's operations and Director's participation in AASB activities. In order to accomplish the overall mission of the Board of Directors and to achieve its corporate objectives, each member of the Board has several kinds of individual responsibilities. Members should:

- Prepare well for each Board meeting, through full and careful study of the agenda and its support materials, other relevant materials and through discussion of agenda items, where appropriate, with school board association staff members, fellow school board members, and others as desired in the formulation of preliminary personal views on each topic in advance of the Board meeting. These judgments are to serve as a base point for further discussion in the meeting;
- Attend the entire board meeting by arranging travel schedules in advance to permit on-time arrival and staying through the full meeting;
- Participate effectively in the Board meeting by ensuring that the concerns formulated in the preparation stage are heard by the whole Board. Each Director is expected to retain an open mind until all the facts and view points on issues are before the Board. Conclusions on action items are sought that are believed to be in the best interests of AASB. And, once a decision is made, the director is expected to support such Board conclusions, even when one may have some reservations about them;
- Evaluate and follow-up on the actions taken in the Board meeting, by keeping track (through published AASB reporting documents) of how the actions of the Board are being implemented in the short- and long-run, and bringing up any concerns with the President, Executive Director or Board of Directors, as appropriate;
- Establish two-way communication through the Board Liaison Network and with their respective school boards to explain and discuss actions taken by the Board of Directors, and;
- Provide personal liaison to the member boards through the Board Liaison Network or caucuses leadership, or in such other ways as are determined by the President or Board of Directors;
- Fulfill responsibilities of any collateral assignment as an AASB committee member or AASB appointed representative to other agency committees or task forces in accordance with the purpose of the committee or the nature of the representation on behalf of AASB and consistent with the precepts of preparation, attendance, participation and evaluation set forth above, and;
- Participate actively in the legislative activities of AASB, in the most effective manner, to be jointly decided with the Executive Director, and;
- Diligently participate in the annual evaluation of the Executive Director by completing the evaluation instrument and returning it to the designated officer in a timely manner, participating fully and constructively in the Board's evaluation discussion, and assisting in setting professional performance goals for the Executive Director, and;
- Accept occasional public speaking assignments such as chairing caucuses and introducing speakers at meetings and giving reports as appropriate before the Board or general membership, and;
- Acknowledge and abide by the AASB Board of Directors Job Description and Code of Ethics.

Additionally, the Board Member serves as an Ambassador of the Association. As such, each member of the Board functions as a representative of AASB to member school districts and the general public. Each Director must assume responsibility for explaining AASB's programs, the basis for governance decisions, AASB's vision for the future as described in the AASB's Long Range plan, and AASB's missions and goals, together with the action plans approved by the Board to realize that vision and attain those missions and goals.

Finally, the Board member serves as an advocate for AASB both at home and at the state level. Each member of the Board is part of the governance team selected by the AASB general membership. He or she is expected to be a vigorous, knowledgeable and articulate advocate of AASB and its programs, as approved by the Board of Directors, so that the value of membership in AASB can be made fully and clearly known in the district from which the Director comes, as well as to all other school boards around the state. As a result of this advocacy, the attitudes, opinions and conclusions about AASB, formulated by school board members around the state, can be made with full understanding of all the facts that Directors can make available.

Code of Ethics

As a member of the Association of Alaska School Boards Board of Directors I will strive to improve public education, and to that end I will:

- Attend all three regularly scheduled AASB board meetings and other teleconference meetings, insofar as possible, and become informed concerning the issues to be considered at those meetings;
- Recognize that I should endeavor to make policy decisions only after full discussion at publicly held board meetings;
- Render all decisions based on the available facts and my independent judgment, and refuse to surrender that judgment to individuals or special interest groups;
- Encourage the free expression of opinion by all board members, and seek systematic communications between the board and member school boards;
- Work with other AASB board members to establish effective board policies and to delegate authority for the administration of the association to the Executive Director;
- Communicate to other AASB board members, and the Executive Director, expressions of member and public reaction to AASB resolutions, policies and programs;
- Inform myself about current educational issues by individual study and through participation in programs providing needed information, such as those sponsored by my state and national school boards association;
- Support the employment of those persons best qualified to serve as association staff, and insist on a regular and impartial evaluation of all staff;
- Avoid being placed in a position of conflict of interest, and refrain from using my board position for personal or partisan gain;
- Remember always that my first and greatest concern must be the educational welfare of the students attending the public schools.

My signature below indicates that I have read and agree to abide by the AASB Board of Directors Job Description and Code of Ethics.
