What we hope to accomplish over the next year as a Board

(These are not the same as the goals of the YSD Strategic Plan, but are directed directly at the actions of the Board)

Goal #1: The Board will engage tribal and village-based organizations to get Elders and others involved in schools through IRAs, Village Corps; listen to local advisory school boards; help enlist community support and the Board will visit local schools regularly.

Goal #2: The Board will be trained in Governance and Finance and participate in regional, state and national education entities.

Goal #3: The Board will become familiar with the facilities plan and continue regular reviews of their policies.

Goal #4: The Board will institute and review an annual survey process.

The Board would like a short piece that would allow them to present to IRAs and others that underscore what they are trying to do. Perhaps this could emphasize the goal of local involvement and why it is important.

Strategic Plan
Approved August 17, 2018

Mission Statement:
To educate all children to be successful in any environment

Vision Statement (new draft):
All members of the community are proud and committed to our school system. Students have a positive learning environment, speak the Yupiaq language, know their culture, attend school regularly and graduate prepared to be successful in any environment. The majority of our teachers and school staff are Yupik and speak their language, and the curriculum and instruction is based in Yupik values and traditions. Our community members, elders, parents, and students feel ownership in our schools.

Values
Love for Children  Spirituality  Sharing
Humility  Hard work  Respect for Others and Their Property
Cooperation  Family Roles  Knowledge of family tree
Hunter Success  Domestic Skills  Knowledge of Language
Avoid conflict  Humor  Respect For Land
Respect For Nature
Strategic Actions:

1) Students Succeed Culturally and Academically
   a. Language and Culture: Implement Yupik culture and language curriculum at all grade levels. Develop dual language program, to include:
      i. Values (Yuuyaraq)
      ii. Language Immersion and Dual Language
      iii. Orthography
   b. Attendance: Increase student attendance at all grade levels.
   c. Recognition: Establish program to ensure academic, athletic, and artistic student efforts are recognized on a regular basis.
   d. Academic Progress/Growth: Increase academic progress and growth at all grade levels.
   e. Graduation: Increase district graduation rate.
   f. Preparation: Ensure all students are prepared to be successful in both Native and non-Native environments.
   g. Safety and Satisfaction: Ensure all students report high levels of satisfaction and feel safe in schools.

2) Community, Parents and Elder Involvement
   a. Ownership: Increase opportunities for involvement, dialogue, building partnerships, and promoting commitment to education
   b. Participation: Provide healthy activities and ways for meaningful parent, elder, and community involvement
   c. Communication: Improve relationship with community through increased and improved communication.
   d. Satisfaction: Ensure community, parents, and elders are satisfied with the safety and quality of schools.
   e. Parent Support: Provide parent education and resources with a focus on younger parents, Yupik language development and helping families support children as successful students.

3) Staff Recruitment and Retention
   a. Local/Native Hire: Develop systems to recruit and develop local and Native teachers, teacher aids, and staff.
   b. Recruitment and Preparation: Improve hiring, orientation, and training of teachers and staff.
   c. Retention: Improve support and retention efforts of quality teachers, administrators, and staff.
   d. Satisfaction: Ensure all teachers and staff feel safe and satisfied in their work and community environment.
   e. Evaluation: An efficient and effective evaluation process.

4) Education System Change
   a. Native Hire: Establish plan to increase Yupik and Alaska Native hire across all district positions.
   b. Advocacy: Develop plan to improve advocacy efforts at local, state and federal level to work towards increased tribal educational sovereignty

Re: Unfinished Business  

The Administration recommends the approval of the Internet in the box.
Remote and Home Learning Proposal for Yupiit School District

Using Internet-In-A-Box, 1-to-1 Devices, and a lot of training and technical support to provide meaningful learning opportunities to Yupiit School District Students during shut-down and beyond.

WHY THE DISTRICT NEEDS INTERNET IN A BOX (SUPERINTENDENT)

Over the past year the leadership team and myself have put our thinking caps on to explore ways to teach students when they are not in a classroom seat. There is not an educator in the field who is in favor of remote learning over actual face to face teaching in a classroom. Our children are losing a year of instruction in their academic lives. We are excited to share with you an idea that is being used in developing countries that also do not have access to the internet. It is called "Internet in a Box". There are no barriers to putting this plan for teaching in place. Please allow us to share this wonderful idea with you and accept our recommendation to put this program in action as soon as possible. Cassandra

HOW INTERNET IN A BOX WORKS (ANNALISE KLEIN)

This information comes from a one pager I created, which you can access (and share with others) through this link.

Imagine: Your students are learning at home and have access to a searchable encyclopedia, dictionary, world maps, educational videos from Ted Talks, Crash Course, and Khan Academy. Internet-in-a-box (IIAB) brings students all of this learning content on a small hard drive which allows them to wirelessly connect their laptop or iPad to this database. No internet needed!

In a nutshell: Internet-in-a-box (IIAB) is an off-grid knowledge server. It provides access to public domain content to remote communities worldwide.

Why this works for YSD: IIAB gives us digital learning resources without the need to increase internet bandwidth in the village. It’s simple, cost-effective, and allows teachers and students to continue their familiar modes of instruction with increased resources at home. By providing an IIAB server to each household, multiple children can simultaneously access it through their individual devices. Other family members can use these resources too!
Implementation Process

Contractor will work with us to develop what resources we want on our IIAB. Currently, here is how it looks, but we can give him feedback. http://iiab.me/yupiit/ He will then write this data onto a microSD card and make copies.

Each household receives a server with IIAB content (raspberry pi 4) that can fit in your hand!) This server stays powered on inside the student's house.

Students join the device's standalone network (no internet required) through their iPad, laptop, phone, or desktop computer.

Students are directed to a home screen with links to different resources. Teachers can assign videos to watch, research projects, or activities through the different resources available.

Original Proposal (from Annalise) if helpful

Teachers continue to develop two week packets. Each household will receive an internet-in-a-box (IIAB), which will allow students to use their laptops or iPads to give them offline access to digital content, instructional videos, an encyclopedia, etc.

Rationale: Keep systems that already exist and are working. The worksheet packet pickup/dropoff seems to be a straightforward way to collect data. We don't have to invest money in too much fancy tech or bandwidth. Teachers aren't being asked to pivot to an entire new digital teaching model. Students aren't expected to navigate a digital learning model/platform on their own.

Phase 1 (Nov-Dec)
1) Norm on the types of technology that we're buying for students
2) Buy internet-in-a-box (IIAB), one per household if funds permit ($100-150/device)
3) Workshops for teachers showing the resources on the IIAB.
4) Teachers continue to plan two week packets that can include watching videos, researching information, doing activities from the IIAB resources

Phase 2 (Jan-Mar)
1) Teachers make two week packets. Students pick up and drop off as before.
2) Maybe some classes decide to take pictures or make a video using their tech. On that individual level, we figure out how they'll turn that in... maybe it's airdropping it at school, maybe it's saving it to a thumbdrive, etc. But we're doing beta testing on layering more tech on a case by case basis, allowing interested teachers to opt in.

Phase 3 (??)
1) Introduce Kolibri (Khan Academy offline, but interactive and graded work)
2) Develop streamlined system for turning in digital work w/o relying on strong internet (airdropping, thumbdrives)

USING 1-TO-1 DEVICES

PROVIDING TECHNICAL ASSISTANCE AND EDUCATOR SUPPORT THROUGH ALASKA PACIFIC UNIVERSITY (Matthew Turner)

A proposal is still in the works from APU. Should get some more details on this maybe Friday. I asked that their proposal meet the following objectives:

- Strategic implementation of the initiative
  - Teacher/Student/Household readiness
  - Assessment (student and teacher)
  - Organizational Strategy
    - Sharing learning and curriculum development across District

- Support to our educators for developing meaningful, culturally integrated learning and assessment measures using these devices and other methods.
  - Pre-made modules with an assessment guide
  - Glossary, one-pagers, or video tutorials for using education apps/digital learning

- Some strategies to develop household and community capacity for this type of learning.

APU, in turn, is suggesting these components to the project:

1. Community-Based Lessons
   - These lessons are produced by Steve and his students at APU
   - Clare will take the lessons and sort for different grade levels and school sites
   - Collaborate on how to translate these lessons to a virtual/off-line format
   - Distribute to teachers at the three school sites

2. APU Course
   - For teachers AND paraeducators
   - What is PBL and how do we implement?
   - Teacher accountability with student and parent engagement

3. Facilitate community advisory board
   - Meet monthly
   - As we roll out these community-based lessons, there needs to be an advisory board who can observe and document the strengths and weaknesses of the implementation. We would use these data points to inform the next phase: designing deeper culturally relevant/place-based learning in all three YSD school sites for the 2021-22 school year.
   - Purpose of the advisory board
     - Observe and listen
     - Collect data (quantitative and qualitative)
Internet in a box (iiab) is an alternative source for information when a location doesn’t have internet availability. It uses a device like a hard drive with wireless connectivity so anyone with a web browser can access the content on the device being used (such as Raspberry Pi). That means any device with a web browser can connect including laptops, iPads, eReaders, and phones. All sorts of Information, programs, and any type of data can be downloaded onto the internet-in-a-box device. All free source information can be downloaded to the device. Students can then search for and access the information just like they search for and access information on the internet. Example: The Fifth Grade social studies class is learning about all 50 states in the United States. Each student has a state to research. The student can find information about their state when accessing the information on the internet-in-a-box device. Then they could write a report, make a PowerPoint slide show, create an iMovie, or create a scrapbook about their researched state. This was an actual 5th grade lesson in one of our schools a few years ago with the only difference being that the information the students searched for was found on the real internet. With internet-in-a-box, the teacher still needs to provide the framework for the research: what information needs to be found, what needs to be included in the final project, does the student need to present the project to a group of people? The only difference is the source of the information.

One of the many resources we could have access to is Kahn Academy Lite on this device. It includes Math, Science, Economics, and some Arts and Humanities. One use would be by using our MAP scores and the MAP-to-Kahn Academy feature from NWEA, students can access math lessons at their knowledge point. This allows students to build the necessary foundation skills needed for grade-level course work. This connects Kahn Academy with one of our benchmark assessment tools.

The many resources available include: World maps and satellite imagery, a large collection of textbooks, a variety of lessons through Kolibri a web-based learning management system (similar to our ACELLUS), Core Knowledge: Teaching materials in PDF format for preschool to grade 5 from Core Knowledge (www.coreknowledge.org) in language arts, social studies and science. Teachers would use the systems of Kolibri and Core Knowledge by selecting pre-written lessons that match our standards and goals. Example: A First Grade Class is learning about r-controlled vowels through our adopted reading program, Into Reading. This is new learning for the students and the teacher wants the students to know how to read and write words with r-controlled vowels. The Kolibri lessons provide students with instruction and the Core Knowledge provides the students with activities to learn and practice reading and writing r-controlled vowel words. This enables our students to continue with new learning and not just practice what was already taught (although practice is still important to the learning process).

Great Books from Project Gutenberg, are free and open source books. These books can be made available on internet-in-a-box devices. Teachers can assign readings from parts or all of individual books included in this book collection. The teacher would support the readings with either paper or digitally uploaded discussion questions. The teacher could set up a FB group for the students and facilitate group discussion using this social media platform. This is similar to reading books and discussing them in classrooms.

The following link goes to a page listing resources available: http://iiab.me/yupiit/
Finally, and a bit harder to manage, the device can be dropped off over the weekend at the school and teachers can download the device with content from our district adopted programs. This system could look similar to how schools are currently doing packet exchanges. I am still investigating whether some of our district adopted internet based programs and correspondence courses (some of the reading and math online resources and companion programs and ACELLUS) can be downloaded to an internet-in-a-box device.

One thing to keep in mind, internet-in-a-box is a tool, like web-based-internet. The use of it for teaching still depends on the effectiveness of each teacher’s ability to use the tool for learning. To that end, I strongly urge the district to consider the need for good training for our teachers for delivering quality remote learning lessons if we adopt this or any other remote learning tool. This training is needed for effective use of any level of technology from paper packets to internet-in-a-box. We now have a connection with APU that could provide both our local and non-local educators with quality distance education opportunities for creating, delivering, and assessing remote learning lessons.

For this to be successful in the homes, families will need to be supported with some training and on-going technical support. The schools should consider having a technical support person available to provide assistance as family’s needs arise. Also in support of the learning that would be asked of students, schools should consider some sort of “Homework Helpline” where students can call in and get learning support to complete the academic assignments.

SPED DIRECTOR (KARY DELSIGNORE)

One to one technology that has a preloaded drive can offer exceptional education students embedded accommodations, allowing them to access, use, and practice materials independently or with support while receiving remote instruction or in school instruction.

Materials that are uploaded to the memory of the device should include materials that can use the text to speech accommodation to make contents accessible to students. Students using the devices should be allowed multiple ways to show their learning whether it be typing, speech to text accessibility option or by using a record feature on the device.

In addition to grade level content that all students should have, students with exceptional need may require additional materials loaded to ensure that gaps at their instructional level can also be addressed. For instance a 5th grade student may need the 5th grade material as well as the reading material from 1st grade, if that is their instructional level. Special education teachers should be consulted about content to be loaded so that it will meet the individual needs of each student with an IEP or 504. Some students will require an oversized keyboard for typing.

Families and students may require additional training and support as they begin to use the device. It might be helpful in some instances to have step by step start up instructions written and recorded as a video on the device as additional support.

I would suggest that each site have call in support lines for technical help and subject specific tutoring available during the school day to encourage and support technology use and the completion of academic assignments for all students throughout the normal school day. Teachers could provide this support from home with district provided cell phones.
ACCOUNTABILITY FOR THE PROGRAM (PRINCIPALS)

(Jackson)
We have to be able to look at what the implementation will look like in terms of who does and where. The concept is sound, as Anthony has said, we need to look at who, what, where and how it is going to come to us.

We can say all the nice things about the opportunity, but we need to get down to the dirt of it and figure out what is needed to make it work.

The group may want to purchase a few of these, get them in hand, connect with the various applications that we need and want to load and then develop an implementation strategy from our findings.

Mike Wright who is a computer professional that writes books and develops server side solutions for the PI devices, did mention that we may need to look into a larger device that may hold more based on the initial specifications that were first presented. But, we could also ‘scale’ it up later to our desired use and just start small to accommodate the need of the project.

WHERE WILL FUNDING COME FROM? (JOHN STACKHOUSE)

CARES grant fund 319
Approx $189K budgeted for tech devices
Accounting lines 319.010.360.450; 319.011.360.450; and 319.012.360.450

Title 1A grant fund 256 (For sustainability funding past the life of the CARES or ANE pots.)
Approx $92K available for budgeting into tech devices or recurring costs
Accounting lines 256.010.360.450; 256.011.360.450; and 256.012.360.450

ANE grant fund 365.
Approx $1M. Suggest that these funds focus primarily on the APU contract for multiple year training and support.
Accounting lines 365.010.360.450; 365.011.360.450; and 365.012.360.450

COST ANALYSIS (ANTHONY GRAHAM)

a. Strongly recommending the district work with an outside organization to ensure this program is successful. Lynx Education is a Alaska-based competitive company and has decades of experience working in Alaska schools.
Remote Support

Full Support
Educational Technology Support for full fiscal year.
Current school year, including remote access (VPN needed) as well as phone support with staff and faculty.
Support will be available during district hours with a 2 hour response and with a 12 hour response time when the district is closed. Support time will be utilized for both technology support and planning.

Discovery/Program Assessment
2 days on site for assessment and initial discovery with administration.
Additional onsite days at $1500 to be utilized only for emergency situations up to 3 days per month as available. These days will be available on a case by case basis depending on availability.
Additional days onsite due to weather delays will be charged an additional $400 per day unless the district chooses to utilize onsite days from the pool.
Additional phone/remote support at $200 hour up to 2 additional days (16 hours)

The group's median percentiles for the Early Literacy Composite are also shown. Each percentile is compared to the national median percentile of 50.

**School Growth**

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these math scores mean?
The data above show the overall math performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% Well Below Average
15% Below Average
40% Average
15% Above Average
10% Well Above Average

The right portion of the bar graph shows the percentage of students in each performance category based on their Math Composite scores. The risk categories show the likelihood that students will achieve year-end performance goals based on current scores.

The table shows both the student percentages and the actual number of students in each of the five performance levels and in each of the categories (see key below). The group’s median percentiles for each measure and for the Math Composite are also shown. Each percentile is based on the national median percentile of 50.

- **High Risk** (< 50% chance)
- **Moderate Risk** (50% to 80% chance)
- **Low Risk** (> 80% chance)

School Growth

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these math scores mean?
The data above show the overall math performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% □ Well Below Average
15% □ Below Average
40% □ Average
15% □ Above Average
10% □ Well Above Average

School Growth
Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these math scores mean?
The data above show the overall math performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% = Well Below Average
15% = Below Average
49% = Average
15% = Above Average
10% = Well Above Average

School Growth

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these math scores mean?
The data above show the overall math performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% • Well Below Average
15% • Below Average
45% • Average
15% • Above Average
10% • Well Above Average

School Growth

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these early numeracy scores mean?
The data above show the overall early numeracy performance of this group based on Fall benchmark testing. The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% ▪ Well Below Average
15% ▪ Below Average
40% ▪ Average
15% ▪ Above Average
10% ▪ Well Above Average

The right portion of the bar graph shows the percentage of students in the five categories based on their Early Numeracy Composite scores. These categories describe the likelihood that students will achieve year-end performance goals based on their current scores.

The tables show both the student percentages and the actual number of students in each of the five performance levels and in each of the five categories (see key below). The group’s median percentiles for each measure and for the Early Numeracy Composite are also shown. Each is compared to the national median percentile of 50.

School Growth

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.

Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:

**1** The test duration was too short to provide a valid result.

**2** The overall RIT score for this test is above the valid range.

**3** The overall RIT score for this test is below the valid range.

**4** The standard error for this test is below acceptable limits.

**5** The standard error for this test is above acceptable limits.

**6** The test has been identified as invalid.

**7** High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

## Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:

1. The test duration was too short to provide a valid result.
2. The overall RIT score for this test is above the valid range.
3. The overall RIT score for this test is below the valid range.
4. The standard error for this test is below acceptable limits.
5. The standard error for this test is above acceptable limits.
6. The test has been identified as invalid.
7. High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons: 
- ***1 The test duration was too short to provide a valid result.
- ***2 The overall RIT score for this test is above the valid range.
- ***3 The overall RIT score for this test is below the valid range.
- ***4 The standard error for this test is below acceptable limits.
- ***5 The standard error for this test is above acceptable limits.
- ***6 The test has been identified as invalid.
- ***7 High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

### Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:

- ***1 The test duration was too short to provide a valid result.
- ***2 The overall RIT score for this test is above the valid range.
- ***3 The overall RIT score for this test is below the valid range.
- ***4 The standard error for this test is below acceptable limits.
- ***5 The standard error for this test is above acceptable limits.
- ***6 The test has been identified as invalid.
- ***7 High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

Re: Action Item B

The AIMS Web/Maps Data for Akiak School is presented for your information.
What do these early numeracy scores mean?
The data above show the overall early numeracy performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

The right portion of the bar graph shows the percentage of students in the five performance levels for each measure. The national percentages for these levels are also provided for comparison.

The tables show both the student percentages and the actual number of students in each of the five performance levels and in each of the five categories (see key below). The group’s median percentile for each measure is also shown. Each median is compared to the national median percentile of 50.

School Growth
Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
Scores and Skills Plan  
- ArlicaqSchoolAKI, Grade 1, Early Literacy, Fall '20-21

**Early Literacy Summary**

![Bar graph showing percentage of students in different literacy levels]

**What do these early literacy scores mean?**

The data above show the overall early literacy performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

<table>
<thead>

**School Growth**

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these math scores mean?
The data above show the overall math performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% = Well Below Average
15% = Below Average
40% = Average
15% = Above Average
10% = Well Above Average

School Growth

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these reading scores mean?

The data above show the overall reading performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% Well Below Average
15% Below Average
40% Average
15% Above Average
10% Well Above Average

School Growth

Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these math scores mean?
The data above show the overall math performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% — Well Below Average
15% — Below Average
40% — Average
15% — Above Average
10% — Well Above Average

School Growth
Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these reading scores mean?
The data above show the overall reading performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

- Oral Reading Fluency
- Reading Comprehension
- Vocabulary

School Growth
Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these math scores mean?
The data above show the overall math performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10%  ■ Well Below Average
15%  ■ Below Average
49%  ■ Average
15%  ■ Above Average
10%  ■ Well Above Average

School Growth
Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.
What do these reading scores mean?
The data above show the overall reading performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10%  ■ Well Below Average
15%  ■ Below Average

Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:

1. The test duration was too short to provide a valid result.
2. The overall RIT score for this test is above the valid range.
3. The overall RIT score for this test is below the valid range.
4. The standard error for this test is below acceptable limits.
5. The standard error for this test is above acceptable limits.
6. The test has been identified as invalid.
7. High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:

1. The test duration was too short to provide a valid result.
2. The overall RIT score for this test is above the valid range.
3. The overall RIT score for this test is below the valid range.
4. The standard error for this test is below acceptable limits.
5. The standard error for this test is above acceptable limits.
6. The test has been identified as invalid.
7. High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:
- **1** The test duration was too short to provide a valid result.
- **2** The overall RIT score for this test is above the valid range.
- **3** The overall RIT score for this test is below the valid range.
- **4** The standard error for this test is below acceptable limits.
- **5** The standard error for this test is above acceptable limits.
- **6** The test has been identified as invalid.
- **7** High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

Re: Action Item C

The AIMS Web/Maps Data for Tuluksak School is presented for your information.
What do these early literacy scores mean?
The data above show the overall early literacy performance of this group based on Fall benchmark testing. The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

10% Well Below Average
15% Below Average
49% Average
15% Above Average
10% Well Above Average

School Growth
Growth scores cannot be computed because they require data from two seasons. This group has been tested in only one season this year.

The right portion of the bar graph shows the percentage of students in each category based on their Early Literacy Composite scores. The tables show both the student percentages and the actual number of students in each of the five performance levels and in each of the four categories (see key below). The group’s median percentiles for the Early Literacy Composite are also shown. Each percentile is compared to the national median percentile of 50.

- High Risk (< 50% chance)
- Moderate Risk (50% to 80% chance)
- Low Risk (> 80% chance)
What do these reading scores mean?
The data above show the overall reading performance of this group based on Fall benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

- 10% are Well Below Average
- 15% are Below Average
- 45% are Average
- 15% are Above Average
- 10% are Well Above Average

The right portion of the bar graph shows the percentage of students in each performance level based on their Reading Composite scores. The risk category is determined by the likelihood that students will achieve year-end performance levels from their current scores.

The tables show both the student percentages and the actual number of students in each of the five performance levels and in each of the categories (see key below). The group's median percentiles for each measure and for the Reading Composite are also shown. Each percent compared to the national median percentile of 50.

- High Risk (< 50% chance)
- Moderate Risk (50% to 80% chance)
- Low Risk (> 80% chance)

School Growth

Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:

***1 The test duration was too short to provide a valid result.
***2 The overall RIT score for this test is above the valid range.
***3 The overall RIT score for this test is below the valid range.
***4 The standard error for this test is below acceptable limits.
***5 The standard error for this test is above acceptable limits.
***6 The test has been identified as invalid.
***7 High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

Note: This data is not available for reporting. Please refer to help and documentation for more information.

### Explanatory Notes

Tests shown in gray are excluded from summary statistics. Either the test occurred outside the testing window for a term, had an invalid score, or was a repeat test for a student within a term.

Test Invalidation Reasons:

- **1** The test duration was too short to provide a valid result.
- **2** The overall RIT score for this test is above the valid range.
- **3** The overall RIT score for this test is below the valid range.
- **4** The standard error for this test is below acceptable limits.
- **5** The standard error for this test is above acceptable limits.
- **6** The test has been identified as invalid.
- **7** High level of rapid guessing has invalidated test.

Due to statistical unreliability, summary data for groups of less than 10 are not shown.

* This data is not available for reporting. Please refer to help and documentation for more information.

Re: Action Item D

The Administration recommends the approval of the Red Cross Agreement.
Licensed Training Provider Agreement

This Licensed Training Provider Agreement ("Agreement") is by and between The American National Red Cross ("Red Cross") and Akiak Schools (the "LTP") (each a "Party" and together the "Parties"), effective as of the last date of signature set forth below ("Effective Date"), for the purpose of licensing Red Cross training materials and curriculum to LTP in order to permit individuals who are (i) either employees or volunteers of LTP, and (ii) are also Red Cross-certified instructors in good standing ("Instructors"), to deliver instruction in the Red Cross training courses that are included within the product package(s) listed in Appendix B ("Courses") at the locations designated in Appendix C.

1. LTP Responsibilities. LTP will:
   1.1. Teach Courses using only Red Cross-approved instructional materials and other copyrighted and proprietary educational content as Red Cross may provide from time to time to licensed training providers of Course instruction ("Course Materials"), using only Instructors who possess current, appropriate Red Cross instructor certification for each such Course, and in compliance with the most current Red Cross Training Provider Resource Guide ("Guide"), policies and procedures (collectively, the "Policies")
   1.2. Before commencing instruction activities under this Agreement, provide Red Cross with a list of all Instructors who will teach Courses on behalf of LTP.
   1.3. Notify Red Cross within ten (10) business days of any additions to or deletions from LTP's list of Instructors who will teach Courses on behalf of LTP.
   1.4. Only sponsor, promote, and teach Courses and otherwise perform under this Agreement within the United States of America and its territories ("U.S."), as the Red Cross is only permitted to solicit, deliver services and provide program support within the U.S.
   1.5. Permit Red Cross to enter upon LTP's premises and perform random observations of LTP's Courses.
   1.6. Enter accurate and complete records for each completed Course ("Course Records"), along with all other requested information, into the Red Cross’s Learning Management System or any similar, successor system ("LMS") within ten (10) calendar days of each completed scheduling instance of a Course (each such instance hereinafter referred to as a "Class"), and comply with all terms and conditions of the LMS during such use.
   1.7. Only issue Course completion certificates, using Red Cross-approved systems and forms, to students who have successfully completed a Course that has been administered in compliance with this Agreement (it being understood that Red Cross may invalidate any Course completion certification not issued in conformity with this section 1.7).
   1.8. Pay all fees payable under this Agreement when due, in accordance with section 5 below.
   1.9. Obtain and maintain adequate insurance to cover its performance, and the performance of its employees, volunteers, and contractors, under this Agreement, as Red Cross insurance does not extend to LTP or its Instructors.

2. License to Course Materials; Access to Red Cross LMS and CPS.
   2.1. Red Cross is the owner of Course Materials. Subject to the terms and conditions of this Agreement, Red Cross hereby grants LTP a limited, non-exclusive, non-transferrable, and non-sublicensable license to publicly display and perform, Course Materials solely for the purpose of conducting Courses authorized under this Agreement. LTP may not revise, edit or create derivative works of Course Materials, in whole or in part.
2.2. Course Materials will be made available to LTP by digital download or other means as determined by Red Cross. LTP shall only obtain Course Materials for Courses that LTP is authorized to provide, and only through distribution means either authorized or directed by Red Cross.

2.3. Red Cross will provide LTP with access to the LMS and an authorized means of digitally downloading and printing Course completion certificates in a form determined by Red Cross. LTP has no right or authorization to design or create its own Course completion certificates.

2.4. LTP shall use reasonable efforts to protect the Course Materials from use not permitted under this Agreement. This Agreement does not constitute a transfer of ownership rights in the Course Materials. LTP shall not use facts and information from the Course Materials to create its own courses and course materials.

2.5. LTP may, from time to time, at its election, participate in Red Cross’s Class Posting Service (“CPS”). Using the CPS, licensed training providers of Red Cross may advertise the availability of courses to prospective students on Red Cross’s on-line store, for additional fees. LTP agrees that its participation in the CPS will be governed by the terms and conditions contained in Red Cross’s CPS User Guide, as the same may be amended from time to time. Red Cross may suspend or terminate the CPS with respect to all licensed training providers, including LTP, at any time or from time to time, in its sole discretion.

3. Use of Names and Marks.

3.1. Red Cross grants LTP the limited, non-exclusive, non-transferable and non-assignable license in the U.S. to use the name and logo of the Red Cross in the format set forth in the Guide (the “Authorized Mark”) solely to promote that LTP is an authorized provider of the Courses, and subject to all restrictions herein this Agreement and the Policies.

3.2. Except as expressly provided in this Agreement, neither Party may use the other Party’s name(s), logos trademarks or other intellectual property in marketing materials, press releases, presentations other than Courses, or otherwise without the advance written consent of the other Party, which consent may be granted or withheld in the other Party’s sole discretion.

3.3. LTP shall not state or imply that Red Cross sponsors or endorses LTP’s business, products or services generally, or that any other training courses and services other than the Courses, are owned or endorsed by or otherwise associated or affiliated with Red Cross.

3.4. LTP shall not (i) create a compound mark with the Authorized Mark or (ii) use the Authorized Mark with any other design, slogan or trademark when such combination would tend to cause confusion as to source or affiliation.

3.5. LTP shall not in any instance, use a Greek red cross design in association with its business, goods and/or services.

4. Term and Termination.

4.1 This Agreement will be effective as of the Effective Date listed above and ends on the day before the thirty-six (36) month anniversary thereof, unless earlier terminated as provided below.

4.2 Red Cross may immediately terminate this Agreement if LTP breaches this Agreement. Red Cross may also terminate this Agreement if LTP breaches the terms of the CPS.

4.3 Either Party may terminate this Agreement with advance written notice to the other Party of at least thirty (30) days.

4.4 Notwithstanding expiration or any termination of this Agreement, the provisions of this Agreement will continue to govern with respect to any amounts payable to Red Cross for Courses completed prior to such expiration or termination. The Parties’ obligations under section 7 below will also survive expiration or any termination of this Agreement.
5. Fees and Invoicing.
5.1 LTP will remit payment by credit card upon entry of Course Records into LMS; or will be invoiced, if approved. All fees for CPS are non-refundable and will be paid by credit card at the time LTP submits the Class for posting.
5.2 For each Class enrollee, LTP will be charged the per student fee that is applicable to that Course. Courses are included within the product package(s) listed on Appendix B. Fees for Courses are set forth in the price list attached to Appendix B.
5.3 Red Cross may approve or deny LTP’s request to be invoiced at Red Cross’s sole discretion. Invoices will be sent via postal mail, may be issued up to four (4) times per month, and will include all transactions submitted in that billing period. Payment in full is due thirty (30) days from the date of each invoice. Past due amounts will be subject to collections actions and may be referred to an external collections agency. In such an event, Red Cross will be entitled to all costs of collection including interest, reasonable attorney’s fees and litigation expenses, and collection agency fees and expenses. LTPs with high credit risk or late payments may also result in the suspension or termination of LTP’s invoicing privileges at Red Cross’s sole discretion. Credit card payment upon submission of Course Records will be required if invoicing privileges are suspended or terminated, and such payment will be a condition to Red Cross’s issuance of Course completion certificates from and after such suspension or termination.
5.4 If approved for invoicing, LTP may elect to have invoices delivered electronically to one (1) email address. LTP will provide Red Cross a single valid email address for electronic invoice delivery. LTP will receive a link in the email to a PDF copy of the invoice, which link will expire after thirty (30) days. LTP understands that LTP will not receive an invoice via postal mail after enrollment in electronic invoice delivery.
5.5 If LTP desires that invoices issued by Red Cross reflect LTP-issued purchase order numbers, then any such purchase order must be received by Red Cross at least ten (10) business days prior to the Class date; it being understood that under no circumstance will the absence of a LTP-issued purchase order number on any invoice excuse LTP’s timely payment of that invoice.
5.6 To pay an invoice by credit card or to establish ACH payments, call 888-284-0607. To pay an invoice by check, include the remittance advice showing the LTP account name, customer number and invoice number, and send to:

American Red Cross - Training Services
25688 Network Place
Chicago, IL 60673-1256

5.7 If LTP desires that Red Cross use LTP’s vendor payment portal, Red Cross will not be obligated to pay LTP or any third party any fee or expense for such use, regardless of any provision to the contrary in such portal’s terms of use. LTP will, on demand, promptly reimburse Red Cross for any such fee or expense.
5.8 If LTP has account balance or invoice questions or concerns, immediately upon receipt of invoice, LTP may email billing@redcross.org or call 888-284-0607 to report and resolve the inquiry.
5.9 At least annually, Red Cross will review its national Course price list, and may increase its prices for Courses. Red Cross will notify LTP of any such increase. Such notice (which Red Cross may send to LTP’s contact for notices or contact for billing in Appendix A) will specify the date on which the increase will take effect under this Agreement. That date will be at least thirty (30) days after the date of such notice. As of that effective date, prices under this Agreement will automatically be modified to reflect such increase without need for the Parties to take any other action, including (without limitation) the execution of any separate modification of, or amendment to this Agreement.
5.10 If the Red Cross determines that any course offered by the LTP and/or its Instructors is not taught in accordance with Red Cross Policies, the LTP will be responsible for any costs associated with the re-training of course participants. Red Cross, at its sole discretion, will determine the appropriate party to conduct the re-training, which may include the LTP or any Red Cross employee, volunteer, or third-party licensed training provider.

6. Notices. Each Party’s contacts for notices and billing under this Agreement is listed on Appendix A.

7. Confidentiality. Except as required by applicable law or otherwise provided herein, each Party will maintain the confidentiality of all provisions of this Agreement or other confidential information, documents and materials received for the purposes of this Agreement.

   8.1 Red Cross reserves all rights not expressly granted herein, in its registered and common law trademarks, service marks, names, emblems, logos and designs including without limitation, the Authorized Mark (the “Red Cross Marks”), and in the Course Materials in whole or in part (collectively the “Red Cross IP”).
   8.2 LTP acknowledges and agrees that the Red Cross IP is and shall remain the property of Red Cross, and that the license granted under this Agreement does not constitute a transfer to LTP of any ownership rights in the Red Cross IP. Further, the Parties agree and acknowledge that LTP’s use of the Red Cross IP shall inure solely to the benefit of Red Cross.
   8.3 LTP shall not commit, or cause any third party to commit, any act challenging, contesting or in any way impairing or attempting to impair Red Cross’s right, title and interest in and to the Red Cross IP, including seeking registration of the Red Cross IP in whole or in part, or of any confusingly similar trademark or service mark anywhere in the world or incorporating LTP’s business under the Red Cross Marks or any aspect of the Red Cross Marks or any name confusingly similar to the Red Cross Marks.
   8.4 Upon the expiration or termination of this Agreement, all rights in the Red Cross IP herein granted to LTP immediately expire, and LTP will immediately cease all use of the Red Cross IP.

   9.1 Severability. In the event any provision of this Agreement is held invalid, illegal or unenforceable (any such provision, an “Invalid Provision”) in any jurisdiction, the Red Cross and the LTP shall promptly negotiate in good faith a lawful, valid and enforceable provision that is as similar in terms to such Invalid Provision as may be possible while giving effect to the future benefits and burdens accruing to the Parties hereunder. But, in no way will the Invalid Provision affect the validity or enforceability of any other portion or provision of this Agreement, regardless of the ability of the Parties to negotiate a new provision.
   9.2 Independent Contractors. Each Party is an independent contractor with respect to the other, and nothing herein shall create any association, partnership, franchise, or joint venture between the Parties or an employer-employee relationship. No agent, employee or servant of any Party shall be, or shall be deemed to be, the employee, agent or servant of the other Party, and each Party shall be solely and entirely responsible for its acts and the acts of its agents, employees and servants.
   9.3 Assignment. Neither Party’s rights under this Agreement may be assigned, or its obligations delegated, in whole or in part, without the prior written consent of the other Party. Any attempted assignment or delegation in violation of the foregoing will be null and void.
9.4 **Governing Law.** The Agreement is governed by the laws of the District of Columbia, without giving effect to its choice or conflict of law rules.

10. **Entire Agreement; Modifications and Waivers.** This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, understandings and representations, both written and oral, between the Parties with respect to the subject matter of this Agreement. Amendments, addenda and waivers to this Agreement will be effective only if made, in each case, by a non-preprinted document clearly understood by both Parties to be an amendment, addendum or waiver, as the case may be. Any additional or different terms or conditions contained in any purchase order, confirmation, receipt, invoice, click-through agreement, or similar documents will not be binding on either Party, whether or not such terms and conditions would materially alter this Agreement (and even if the receiving Party has signed or otherwise acknowledged such purchase order, confirmation, receipt, invoice, click-through agreement or similar document), and each Party hereby rejects all such additional or different terms and conditions.

The Parties, acting through their duly authorized officers, have executed this Agreement, which shall come into force as of the Effective Date. Execution of this Agreement confirms LTP’s receipt of the Training Provider Resource Guide, which may be updated from time to time.

FIRST AMENDMENT TO LICENSED TRAINING PROVIDER AGREEMENT
BETWEEN THE AMERICAN NATIONAL RED CROSS AND
Akiak Schools

THIS FIRST AMENDMENT to the Licensed Training Provider Agreement (the “First Amendment”), which is effective as of the last date of signature set forth below, is entered into by and between the American National Red Cross (“Red Cross”) and the undersigned (“LTP”).

WHEREAS, Red Cross and LTP entered into a Licensed Training Provider Agreement dated as of the same date as this First Amendment (the “Agreement”); and

WHEREAS, Red Cross and LTP desire to amend the Agreement to reflect a new understanding between the parties as set forth below;

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties hereto agree as follows:

1. Subsection 5.9 of the Agreement is hereby amended by inserting the following sentence at the end of said section:

Notwithstanding anything in the foregoing to the contrary, LTP acknowledges that Red Cross will implement a price increase on or about January 4, 2021. LTP hereby waives the above requirement for advance notice with respect to such increase.

2. Miscellaneous.

(a) This First Amendment constitutes the entire agreement between the Parties with respect to the subject matter of this First Amendment, and supersedes all prior agreements, understandings and representations, both written and oral, between the Parties with respect to such subject matter. This First Amendment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which when taken together shall constitute one and the same instrument.

(b) Except as amended by this First Amendment, the Agreement is hereby ratified and confirmed, and all other terms of the Agreement shall remain in full force and effect, unaltered and unchanged by this First Amendment.

IN WITNESS WHEREOF, the parties have executed this First Amendment, effective as of the date first indicated above.

Thank you for choosing to be a Training Provider for the American Red Cross. As a Red Cross Training Provider, your organization has joined a long tradition of providing life-saving education and training throughout the United States dating back to 1909.

Purpose of the Resource Guide
This American Red Cross Training Provider Resource Guide provides your organization with the basic information it needs to serve as an American Red Cross Training Provider. For information about your responsibilities as a Training Provider and the responsibilities of the Red Cross to you, refer to your Training Provider Agreement.

Types of Red Cross Training Providers
Both Authorized Providers and Licensed Training Providers are companies or individuals licensed to use Red Cross training materials in the instruction of Red Cross training courses based on their contractual agreement with the Red Cross:

- An **Authorized Provider (AP)** is a company, organization or individual that signs a *Training Provider Agreement* licensing the AP to teach Red Cross courses to individuals within the AP’s company or organization.
- A **Licensed Training Provider (LTP)** is a company or self-employed individual that is an independent business offering Red Cross training to outside companies, organizations or individuals as permitted through their *Training Provider Agreement*.

The American Red Cross Training Provider Resource Guide provides information about the resources available to you and your instructors in preparing for and delivering Red Cross training programs.
ABOUT THE RED CROSS

Proceeds from Red Cross training support the life-saving mission of the Red Cross - including disaster relief, blood collection, and Service to the Armed Forces.

Global Red Cross and Red Crescent Network
The Global Red Cross and Red Crescent Network is the largest humanitarian network in the world, with a presence in almost every country. The global network is unified and guided by seven Fundamental Principles.

**Humanity**
The Global Red Cross and Red Crescent Network, born of a desire to bring assistance without discrimination to the wounded on the battlefield, endeavors – in its international and national capacity – to prevent and alleviate human suffering wherever it may be found. Its purpose is to protect life and health and to ensure respect for the human being. It promotes mutual understanding, friendship, cooperation, and lasting peace amongst all peoples.

**Impartiality**
It makes no discrimination as to nationality, race, religious beliefs, class, or political opinions. It endeavors to relieve the suffering of individuals, being guided solely by their needs, and to give priority to the most urgent cases of distress.

**Neutrality**
In order to continue to enjoy the confidence of all, the Network may not take sides in hostilities or engage at any time in controversies of a political, racial, religious, or ideological nature.

**Independence**
The Network is independent. The National Societies, while auxiliaries in the humanitarian services of their governments and subject to the laws of their respective countries, must always maintain their autonomy so that they may be able at all times to act in accordance with the principles of the Movement.

**Voluntary Service**
It is a voluntary relief movement not prompted in any manner by desire for gain.

**Unity**
There can be only one Red Cross or Red Crescent Society in any one country. It must be open to all. It must carry on its humanitarian work throughout its territory.

**Universality**
The Global Red Cross and Red Crescent Network, in which all Societies have equal status and share equal responsibilities and duties in helping each other, is worldwide.
American Red Cross

Mission
The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors.

Vision Statement
The American Red Cross, through its network of volunteers, donors, and partners, is always there in times of need. We aspire to turn compassion into action so that:
- All people affected by disaster across the country and around the world receive care, shelter, and hope;
- Our communities are ready and prepared for disasters;
- Everyone in our country has access to safe, lifesaving blood and blood products;
- All members of our armed services and their families find support and comfort whenever needed; and
- In an emergency, there are always trained individuals nearby, ready to use their Red Cross skills to save lives.

History
Clara Barton and a circle of her acquaintances founded the American Red Cross in Washington, D.C. on May 21, 1881. Barton first heard of the Swiss-inspired global Red Cross network while visiting Europe following the Civil War. Returning home, she campaigned for an American Red Cross and for ratification of the Geneva Convention protecting the war-injured, which the United States ratified in 1882.

The American Red Cross Today
Today, the supporters, volunteers and employees of the American Red Cross provide compassionate care in five critical areas:
- People affected by disasters in America.
- Support for members of the military, their families and veterans.
- Blood collection, processing, and distribution.
- Health and safety education and training.
- International relief and development.

For more information, visit redcross.org.
RESOURCES FOR RED CROSS TRAINING PROVIDERS

The Red Cross Learning Center
The Red Cross Learning Center (www.redcrosslearningcenter.org) provides functionality for American Red Cross Training Services programs to administer, track, report, and deliver training as well as maintain certification data. The Learning Center includes all the content used by students, instructors, and third-party administrative provider partners in one place. Users will be able to access different resources and functionality based on user profile roles (student, instructor, partner administrator).

Students (non-instructors) taking online only or blended learning courses will use the Red Cross Learning Center—Student Portal to:

- Access and launch online courses.
- Access relevant digital course materials.
- View their certifications.
- Link to the Red Cross store to purchase course materials and supplies.
- Learn more about the science behind the course content.
- Learn about other opportunities such as becoming an instructor.
- Get help from the Training Support Center.

The Red Cross Learning Center—Instructor Portal allows instructors to:

- Access and launch any online or blended courses you are taking.
- Access all instructor resources for teaching and administering courses such as:
  - View their certifications.
  - Program and course materials – digital versions of participant manuals, instructor manuals, written exams, and instructor bulletins.
  - Teaching Resources – streaming video segments and course presentations supporting course delivery.
  - How-to Information and Videos to support instructors use of the portal and functionality.
  - Administrative policies and procedures.
  - About the Science sections, including expert answers to technical questions and research topics.
  - Information about other Red Cross training programs
- Manage classes they are teaching by being able to:
  - Set up blended learning classes in advance.
  - Monitor student online course completion status.
  - Report and close out courses taught.
  - Provide digital certificates to students immediately through system-generated emails.
  - View details for class history on all courses they have taught.
- Manage instructor certifications through access to:
  - View certifications.
  - Launch online instructor recertification and program update courses.
  - Learn about bridging to become an instructor in other program areas or becoming an instructor trainer.
- Stay abreast of the latest information:
  - Network with other instructors through the Forum.
  - Read the latest news from the Red Cross.
  - Read the latest instructor newsletter iConnection.
Partner Administrators
Training Providers can designate one or more individuals to the role of Partner Administrator, which allows users to manage Red Cross certified instructors affiliated as instructors with their organization. The Red Cross Learning Center–Partner Portal view provides access to all resources and functions of the instructor portal view plus additional functionality to manage instructors.

The administrator role does not require the user to have an instructor certification. Training Providers should contact their sales representative to request one or more partner administrator roles for their account.

Partner Administrators use the Red Cross Learning Center—Partner Portal to:
- Manage Instructors:
  - Request to affiliate (add) and unaffiliate (remove) Red Cross certified instructors to their organization’s Red Cross Training Provider Agreement.
  - View instructor list and run standard reports on certification and expiration alerts.
- Manage classes:
  - Utilize the Class Posting Service to list classes being offered by the partner on the Red Cross website.
  - Set up blended learning classes and assign instructors.
  - View online course completion status for all blended learning classes.
  - Close out and report classes on behalf of instructors.
  - View class history details for all classes taught.

In order for certified Red Cross Instructors and instructor trainers to access the password-protected areas of the Red Cross Learning Center, they must be affiliated with an approved Training Provider. The Red Cross Learning Center may be accessed at www.redcrosslearningcenter.org.

Red Cross Store
The Red Cross Store is an online store providing 24 hours a day, 7 days a week ability to order a variety of training supplies and products, including:
- Training program materials such as instructor and participant manuals, textbooks, and DVDs.
- Training supplies including CPR manikins, AED training devices, breathing barriers, and pocket masks.
- First aid and emergency preparedness kits.
- Red Cross apparel and accessories.

For more information, visit the Red Cross Store at www.redcross.org/store or link to it from the Red Cross Learning Center at www.redcrosslearningcenter.org.
Training Support Center

The Training Support Center (TSC) is available to assist Training Providers with program inquiries, course record entry, billing inquiries, and other support functions for administrators, instructors, and instructor trainers. TSC representatives are available through the “Click to Chat” or “Create a Support Case” functionality on the Red Cross Learning Center (www.redcrosslearningcenter.org) “Questions ” page, by e-mail at support@redcrosstraining.org, or by phone at 1-800-RED-CROSS.

The hours of operation for the TSC are:
   Monday—Friday from 7:30 a.m. to 11:00 p.m. ET
   Saturday from 7:30 a.m. to 8:00 p.m. ET
RED CROSS TRAINING PROGRAMS

The Red Cross offers a broad range of training programs for both lay public and professional responders in the areas of first aid, CPR/AED, swimming and water safety, and caregiving.

Information, including an Instructor Bulletin detailing key information on instructor certification requirements and course options for programs, can be found on each program page of the Red Cross Learning Center (www.redcrosslearningcenter.org) in the Course Materials page under the Classes section.

Your Training Provider Agreement details the training program or programs that your organization is licensed to teach. To add training programs to your agreement, contact your sales representative.

First Aid and CPR training programs for organizations, schools, and the community:

First Aid/CPR/AED
The purpose of the courses in the First Aid/CPR/AED program is to help participants recognize and respond appropriately to cardiac, breathing, and first aid emergencies; to know how to care for a suddenly injured or ill person until more advanced medical personnel arrive and take over.

The First Aid/CPR/AED program is available in two delivery formats: classroom (instructor-led) and blended learning, featuring online simulation learning followed by an in-person skills session.

The program offers the flexibility of selecting First Aid, CPR, and AED courses for adults, children, and infants depending upon your training needs. With a variety of course options and delivery formats, courses in the First Aid/CPR/AED training program range from 3 hours to 6 hours in duration.

English and Spanish versions of the program are available.

The First Aid/CPR/AED training program includes supplemental, add-on training modules for more advanced training and certification in key topics, including OSHA-mandated Bloodborne Pathogens Training, Anaphylaxis and Epinephrine Auto-Injector, Asthma Inhaler Training, and Administering Emergency Oxygen.

Responding to Emergencies: Comprehensive First Aid/CPR/AED
Responding to Emergencies (RTE) is a 30-hour, lay-level first aid and CPR/AED program designed primarily for high schools and colleges that require a curriculum that can be taught over the course of a semester and adapted to a variety of course outlines. The program is available in a classroom (instructor-led) only format and features an integrated teaching approach that includes classroom lecture, videos, simulated emergency situations, discussion, and hands-on skills practice.

Content for the RTE program includes:
- Recognizing and responding appropriately to cardiac, breathing, and first aid emergencies.
- First aid, CPR, and AED skills to give immediate care to a suddenly injured or ill person.
- Proper care and special considerations for emergencies involving adults, children, and infants.
- Injury management, medical emergencies, and healthy lifestyle tips.
**Wilderness and Remote First Aid**
The Wilderness and Remote First Aid program is designed to teach individuals how to use first aid skills to help in emergency situations where help is delayed. The program is based on the 2010 Boy Scouts of America (BSA) Wilderness First Aid Curriculum and Doctrine Guidelines.

The Wilderness and Remote First Aid program is appropriate for audiences from youth-serving organizations as well as adults who participate in outdoor recreational activities or who work in remote settings where emergency medical services (EMS) response is more than 1 hour away.

The Wilderness and Remote First Aid program emphasizes experiential learning and major portions of the course are meant to be taught in outdoor settings.

**First Aid and CPR training programs for healthcare providers and professional rescuers:**

**Basic Life Support**
The purpose of the Basic Life Support (BLS) program is to ensure that healthcare providers have the knowledge and skills necessary to respond to breathing and cardiac emergencies. The course emphasizes active, hands-on learning and uses scenario activities to help participants learn how to provide CPR, use an AED, and relieve an obstructed airway for adult, child, and infant patients.

The Basic Life Support program is available in two delivery formats: classroom (instructor-led) and blended learning, featuring adaptive learning functionality, followed by an in-person skills session.

**Advanced Life Support**
The American Red Cross Advanced Life Support (ALS) course provides participants with the knowledge and skills they need to assess, recognize and care for patients who are experiencing a cardiovascular, cerebrovascular, or respiratory emergency. The course emphasizes providing high-quality patient care by integrating psychomotor skills, rhythm interpretation, electrical interventions, and pharmacologic knowledge with critical thinking and problem solving to achieve the best possible patient outcomes.

The Advanced Life Support program is available in two delivery formats: blended learning, featuring adaptive learning functionality, followed by an in-person skills session and classroom.

**Pediatric Advanced Life Support**
The American Red Cross Pediatric Advanced Life Support (PALS) course provides participants with the knowledge and skills they need to assess, recognize, and care for pediatric patients who are experiencing a respiratory emergency, shock, or a cardiac emergency. The course emphasizes providing high-quality patient care by integrating psychomotor skills, rhythm interpretation, electrical interventions, and pharmacologic knowledge with critical thinking and problem solving to achieve the best possible patient outcomes.

The Pediatric Advanced Life Support program is available in two delivery formats: blended learning, featuring adaptive learning functionality, followed by an in-person skills session and classroom.
CPR/AED for Professional Rescuers
The CPR/AED for Professional Rescuers (CPRo) program trains individuals with a duty to act including lifeguards, police, security personnel, firefighters, and athletic trainers — to respond to breathing and cardiac emergencies in adults, children, and infants until more advanced medical personnel take over.

This course is also intended for individuals serving in roles that would be called upon to provide support in emergency situations, such as aquatic facility, gym/fitness club, or community/recreation center staff.

Emergency Medical Response
The purpose of the American Red Cross Emergency Medical Response program is to train participants in the knowledge and skills of an emergency medical responder (EMR) to help sustain life, reduce pain, and minimize the consequences of injury or sudden illness until more advanced medical personnel take over.

Ideal for corporate emergency response teams, law enforcement, security officers, or students wishing to begin a career in public safety or healthcare upon graduation, this 56-hour classroom (instructor-led) course is designed to meet or exceed National Emergency Medical Services Education Standards Emergency Medical Responder Instructional Guidelines.

Title 22 – California First Aid for Public Safety Personnel
In accordance with the requirements of Title 22 of the California Code of Regulations, the purpose of the First Aid for Public Safety Personnel (FAPSP) course is to train lifeguards, fire fighters, and peace officers in the knowledge and skills necessary to help sustain life, reduce pain, and minimize the consequences of injury or illness until more advanced medical help arrive.

Aquatics and Swimming and Water Safety programs:

Lifeguarding
The purpose of the Lifeguarding program is to train lifeguards to act with speed and confidence in emergency situations both in and out of the water. Topics include water rescue skills, surveillance and recognition, first aid, breathing and cardiac emergencies, CPR, AED, and more.

Courses within the Lifeguarding Program include Lifeguarding (for facilities with pool depths greater than 7 feet), Shallow Water Lifeguarding (for facilities with pool depths less than or equal to 5 feet), and Aquatic Attraction Lifeguarding (for facilities with aquatic attractions and pool depths less than or equal to 3 feet). Lifeguarding courses are available in both the traditional, instructor led delivery as well as blended learning delivery, which combines eLearning with in-person skills practice.
Swimming and Water Safety
The Swimming and Water Safety Program teaches people of different ages and abilities how to be safe in, on around the water and how to swim. In a logical progression, the program covers the knowledge and skills needed for aquatic skill development. As participants develop these skills, they become safer and better swimmers.

The Swimming and Water Safety program contains the following basic level courses and presentations:
- Parent and Child Aquatics (2 levels)
- Preschool Aquatics (3 levels)
- Learn-to-Swim (6 levels)
- Adult Swim (3 levels)
- Private Swim Lessons
- Water Safety Today
- Personal Water Safety
- Basic Water Rescue
- Small Craft Safety
- Home Pool Essentials: Maintenance and Safety (online only course)
- Water Safety Presentations:
  - General Water Safety
  - Home Pool Safety
  - Parent Orientation to Swim Lessons
  - Sun Safety
  - Rip Current Safety

The Swimming and Water Safety program offers two paths for instructor certification:
- Water Safety Instructor
- Basic Swim Instructor

Safety Training for Swim Coaches
The American Red Cross Safety Training for Swim Coaches program uses a blended learning delivery method that combines online knowledge acquisition and an in-water skills session. This program was developed in partnership with USA Swimming to teach those involved in competitive swimming, including coaches, officials, athletic trainers, and aquatic exercise trainers, how to help:
- Maintain a comfortable and safe environment for swimmers.
- Prevent accidents and emergencies.
- Respond to swimmers with illnesses or injuries in water or on land.

The 6-hour full course combines web-based delivery of content, an online exam and a facility-based, in-water skills session. Other course options include an online-content only option (for coaches who have current American Red Cross Lifeguarding/First Aid/CPR/AED or Shallow Water Lifeguarding First Aid/CPR/AED certification).

Longfellow’s WHALE Tales
The American Red Cross created Longfellow’s WHALE Tales to help teachers and youth leaders teach children about safe behavior in, on, and around the water. WHALE is an acronym for Water Habits Are Learned Early. The materials in the Longfellow’s WHALE Tales K–6 Educational Packet are designed to give children an awareness of being safe around the water and to promote healthful aquatic recreation.
The American Red Cross Longfellow’s WHALE Tales lessons teach children about water safety in different environments, such as pools, waterparks, oceans, lakes, and rivers. It teaches them about water hazards around the home and neighborhood and covers sun safety, boating safety, and much more. The program features fun, animated videos; colorful posters; stickers; activity worksheets; illustrated, color fact sheets; and three types of completion certificates. These leader-led program materials are available on Red Cross Learning Center (for instructors) and on redcross.org/whale-tales for individuals without access to the Learning Center.

Training programs for youth interested in becoming babysitters in their neighborhoods:

**Babysitter’s Training**

The purpose of the Babysitter’s Training program is to provide youth who are planning to babysit with the knowledge and skills necessary to safely and responsibly give care for children and infants. This course – designed for youth ages 11 to 15 – helps participants to develop leadership skills; learn how to develop a babysitting business, keep themselves and others safe and help children behave; and learn about basic child care and basic first aid.
INSTRUCTORS AND INSTRUCTOR TRAINERS

Instructor Certification
Certification occurs when an instructor candidate successfully completes the instructor course or the instructor bridge course (if qualified) and is issued an instructor certification indicating that all requirements have been met on that date.

Before an instructor can teach and gain access to the Red Cross Learning Center—Instructor Portal, s/he must be affiliated with a Training Provider. Once certified, an instructor may provide training based upon the affiliation with the Training Provider and the Training Provider’s agreement with the Red Cross.

Instructor Courses
Instructor courses train individuals to be able to teach the course(s) within a specific program. Most Red Cross instructor courses are in a blended learning format featuring an online introduction to the instructor course and an in-person portion. The online portion typically includes a review of the Red Cross mission and services, an overview of the training program and materials, and an introduction to the tools and resources available to instructors. Successful completion of the online introduction is required prior to attending the first session of the in-person portion of the instructor course.

The in-person portion is led by a certified Red Cross Instructor Trainer (IT) in the specific program area. It includes a precourse skills assessment, a review of the training program and materials, and features one or more practice-teaching assignments, which allow instructor candidates the opportunity to practice teaching sections of the course they will be teaching.

Upon successful completion of the instructor course, individuals will be granted a Red Cross Instructor certification permitting them to teach the course or courses within the training program area for a specific period of time, which is usually two years. Newly certified instructors must affiliate with a Training Provider in order to teach Red Cross courses and submit training records.

The specific prerequisites and details for instructor courses vary by training program. For information on instructor courses, visit the Red Cross Learning Center at www.redcrosslearningcenter.org (no login required).

To register for an instructor course in your area, interested instructor candidates can search for a class on the Red Cross website https://www.redcross.org/take-a-class or call 1-800-RED-CROSS.

For organizations that wish to train multiple instructor candidates, the Red Cross offers “Full Service” instructor courses in which a Red Cross Instructor Trainer delivers the instructor course on-site. For information on scheduling an instructor course at your location, contact your sales representative.

Instructor Bridging
Instructor bridging is an expedited instructor certification option that recognizes an individual’s instructor certification and experience – either with the Red Cross or other national training organizations – in order to provide Red Cross Instructor certification without the need to attend a full instructor course. Most instructor bridge courses are online only courses that are made available to eligible instructor candidates at no cost.
Individuals who qualify for and complete the instructor bridge course and process will be granted the same Red Cross Instructor certification as an individual who completed the full instructor course for the program.

Specific requirements for instructor bridging vary by training program and details can be found on the Red Cross Learning Center at [www.redcrosslearningcenter.org](http://www.redcrosslearningcenter.org).

The information contains an extensive collection of resources and information for individuals interested in becoming a Red Cross certified instructor for various training programs.

The program-specific pages available from this site contain:
- Instructor certification options and requirements.
- Prerequisites and process information to complete an instructor bridge.

**Instructor Agreement and Instructor Code of Conduct**

As part of the instructor certification and recertification process all Red Cross instructors are required to review and agree to the *Instructor Agreement and Instructor Code of Conduct*. Available on Red Cross Learning Center for certified instructors, the *Instructor Agreement and Instructor Code of Conduct* outlines the Red Cross obligations to instructors and instructors’ obligation to the Red Cross related to the proper delivery and use of Red Cross training materials.

**Instructor Get Started Guide**

The *Instructor Get Started Guide* is a resource for newly certified Red Cross instructors detailing the key initial steps that an instructor needs to complete to begin teaching Red Cross programs based on their new Instructor certification.

The *Instructor Get Started Guide* is distributed to instructors at the completion of their instructor course and is also available on the Red Cross Learning Center ([www.redcrosslearningcenter.org](http://www.redcrosslearningcenter.org)) in the “Resources” section.

**Instructor Trainers**

Instructor Trainers are individuals certified to teach Red Cross instructor courses which certify new Red Cross instructors. Similar to instructor requirements, in order for an instructor trainer (IT) to be able to teach instructor courses, the IT must:
- Be affiliated with a Training Provider.
- Sign or agree to the *Instructor Trainer Agreement and Instructor Trainer Code of Conduct*.

Additionally, once certified as an IT, the IT is permitted to teach instructor courses based upon their affiliation with the Training Provider and the Training Provider’s agreement with the Red Cross.

**Instructor Trainer Academies**

Instructor Trainer Academies are training courses where instructor trainer candidates achieve their IT certification by participating and successfully completing a training program led by a Red Cross Instructor Trainer Educator. IT Academy curriculum is focused on providing the IT candidates with the knowledge, skills and familiarity with the Red Cross training program area so the IT can train new instructors in:

American Red Cross  |  Training Provider Resource Guide November 2019
- Skill expertise and mastery in the training program area,
- Facilitation and classroom management, and
- Understanding of Red Cross training tools, resources, and processes.

IT Academies are available for the First Aid/CPR/AED, Lifeguarding, and Water Safety programs.

To attend an IT Academy, interested individuals must meet the qualifications and are required to complete an online application that includes providing details of the individual’s teaching experience to-date and information on the IT candidates’ interest in becoming an IT. Once the application is submitted, the IT Academy Administrative Coordinator reviews the application and contacts approved IT candidates with the steps to register for an IT academy.

The nationwide IT Academy schedule and the specific requirements and process for IT applicants to apply to attend an IT Academy are available in the Instructor Lifecycle section on the Red Cross Learning Center.

The Red Cross is always interested in partnering with organizations that would like to host an aquatic Instructor Trainer Academy at their facility. Program facility needs and requirements depend on the specific program area. Potential host facilities for aquatic Academies can complete the “Host IT Academy” application form located in the Instructor Trainer Candidates page under the Instructor Lifecycle section of the Red Cross Learning Center (www.redcrosslearningcenter.org).

**Instructor Trainer Bridging**

Instructor Trainer bridging is a certification option for currently certified Red Cross ITs to become an IT in a different training program area. The IT bridging option is also available to ITs from approved external organizations. Similar to instructor bridge courses, the IT bridge programs are online only courses covering key program information with a focus on conducting the instructor course for that program area.

In order to register for an IT bridge, qualified individuals are required to complete an online application which is reviewed by the Training Support Center. Approved ITs will be sent information on completing the online bridge. IT bridges may include a nominal fee due at registration.

For information on whether an IT bridge course is available for a specific program area as well as qualification requirements, refer to the program’s Instructor Bulletin available or to the information on the Bridging to Become an Instructor page under the Instructor Lifecycle section on the Red Cross Learning Center.

**Instructor Trainer Agreement and Instructor Code of Conduct**

Instructor Trainers are required to review and agree to the Instructor Trainer Agreement and Instructor Trainer Code of Conduct as part of their IT certification and recertification process. A copy of the latest Instructor Trainer Agreement and Instructor Trainer Code of Conduct is available on Red Cross Learning Center.
Maintaining Instructor and Instructor Trainer Certification

Requirements to maintain instructor and IT certification varies by training program. However, requirements typically include maintaining a basic-level certification in the program area, teaching a minimum number of class during the two-year certification period, completing an online recertification assessment or – depending on the program area – an in-person review course, and completing any instructor/IT update course as required by the Red Cross following a program update. Online Instructor/IT recertification assessments and updates are typically available at no cost during the update period.

A visual of the typical instructor or instructor trainer lifecycle is provided below.

For more information on the instructor lifecycle and maintaining certification requirements, instructors and ITs should review the program Instructor Bulletin, instructor’s manual, and instructor trainer’s guide and should review the contents of the Instructor Lifecycle section of the Red Cross Learning Center.

Quality Assurance

The Red Cross is the leader in quality health and safety training, and it maintains that status by ensuring instructors and instructor trainers are provided the tools, resources and information to allow them to adhere to Red Cross training standards. The purpose of the Quality Assurance program is to maintain integrity and compliance with all American Red Cross products, programs, and instructional personnel. Quality Assurance reserves the right to fully review and take remediation measures for any classes, whether as a response to a reported concern or as a proactive measure to ensure quality. Any Quality Assurance questions or concerns should be addressed to qualityassurance@redcross.org

This quality assurance program maintains integrity of Red Cross training and certification for our Training Providers and the individuals, workplaces, and communities where they train. For questions related to QA or to report an issue, please contact qualityassurance@redcross.org.

Support for Instructors and Instructor Trainers

In addition to program materials such as the instructor’s manual and instructor bulletin, a variety of support tools and resources for Red Cross instructors and instructor trainers are available on the Red Cross Learning Center.
**iConnection Newsletter**
The *iConnection* newsletter is an email newsletter sent to all Red Cross instructors and instructor trainers approximately every six weeks. *iConnection* articles detail program updates and enhancements, answers to frequently asked questions related to content within Red Cross programs, and information on enhancements to instructor tools and resources to help instructors deliver Red Cross training programs.

To ensure they receive the *iConnection* newsletter, instructors, and instructor trainers are required to maintain an updated profile and email address in the Red Cross Learning Center.

**How-To Videos**
A series of How-To Videos available on the home page and in the Resource section of the Red Cross Learning Center provide a step-by-step walkthrough of key actions and processes for both new and experienced instructors with screenshots and narration. Topics covered include:
- Accessing Your Instructor Certification Record
- Accessing Your Teaching History
- Entering Course Records
- Setting Up an Instructor Course
- Conducting and Closing Out an Instructor Course
- Setting Up and Managing a Basic-Level Blended Learning Course
- Red Cross Learning Center Site Orientation

**Forum**
Available in the Forum section of the Red Cross Learning Center, the Forum is a collaboration space for instructors to discuss topics and to share information and best practices. Thousands of fellow instructors and instructor trainers from across the country participate in forums covering a variety of topics. Active groups include program specific groups such as First Aid/CPR/AED, Lifeguarding, and Water Safety Instructor as well as groups for instructor trainers and training networking.

**Click-to-Chat and Support Center Case Submission**
If instructors or instructor trainers have a question that is not adequately addressed through the Community or the resources available on the Red Cross Learning Center, the Learning Center also includes capability for instructors or instructor trainers to submit a support case to the Training Support Center for non-urgent matters or to chat with a live representative for urgent matters. Click to Chat and Create a Support Case are available on the Questions section of the Red Cross Learning Center.
CONDUCTING RED CROSS TRAINING PROGRAMS

Maintaining Training Standards
Quality, consistency, and standardized delivery of courses are priorities of the American Red Cross. Red Cross courses are designed with standardized instructor outlines and lesson plans based on well-defined objectives to provide an optimal learning experience for a variety of participants. Many of the courses are designed to meet workplace certification and training requirements of different occupational settings, such as day care workers, workplace response teams, lifeguards, swim instructors, healthcare providers, and other professional responders. Both the course participants and organizations that hire individuals with Red Cross certifications expect and depend on the quality of training outlined in the programs.

To meet the objectives of the courses and ensure standardized delivery, the course outlines and lesson plans included in the instructor’s manual must be followed. Facility availability or constraints, specific instructor-to-participant ratios, equipment-to-participant ratios, or participant needs may necessitate the need to adapt the course outline while still maintaining the educational progression of the course. Adapting the training does not mean that instructors or instructor trainers can add to, delete, or change content.

Training Provider Course and Price Listing
The Training Provider Course and Price Listing lists the courses available to Training Providers and their instructors. This list is organized by program area and includes course combinations and bundles to satisfy the various needs of Training Providers and their students.

In 2018, the Red Cross implemented the practice of publishing an annual price list that will allow for modest price adjustments rather than larger increases that would more significantly impact our Training Providers.

The annual Training Provider Course and Price Listing can be found in the Resources section on the Red Cross Learning Center and will be provided to Training Providers via email each year well in advance of any pricing changes going into effect based upon our contracted agreements and terms to allow our Training Providers to plan accordingly.

To have courses added to your Training Provider Agreement, contact your sales representative.

Training Equipment and Supplies
Many Red Cross training programs require specialized training equipment and supplies. The program’s instructor’s manual outlines the specific equipment needs for each course. Maintaining the equipment ratios outlined in the instructor’s manual allows instructors to deliver quality training, stay within the timelines for the training, as well as to provide course participants the time they need to properly practice and learn skills.

Equipment used in Red Cross training must be maintained in good working order to ensure participant safety and effective practice. Equipment that is not in good working order detracts from participant’s willingness to learn and practice effectively.
All equipment used in Red Cross training should be maintained according to manufacturer guidelines. Equipment such as CPR manikins should be cleaned after each use according to the manufacturer guidelines. More details on manikin decontamination is available in instructor’s manuals for courses that teach CPR and AED. When using equipment during training, Training Providers should ensure that instructors take all the necessary safety precautions.

Equipment and supplies such as CPR manikins, AED trainers, and accessories are available for purchase from the Red Cross Store (www.redcross.org/store.org) or link to it via the Red Cross Learning Center (www.redcrosslearningcenter.org).

**Training Materials**

Training materials for Red Cross programs, including instructor’s manuals, course presentation slides, and videos, are available in digital format on the Red Cross Learning Center or for purchase from the Red Cross Store. To prepare for classes, instructors can download digital versions of participant materials for most programs from the Red Cross Learning Center.

Print versions of participant materials can also be purchased from the Red Cross Store. Participants can download free digital course materials for most courses from the Red Cross Learning Center or www.redcross.org/participantmaterials.

**Delivering Blended Learning Courses**

The Red Cross offers a variety of blended learning course options for basic-level courses, instructor-level courses and IT Academy training. Blended learning courses feature a combination of online learning and an in-person, classroom experience saving in-person training time while allowing course participants the flexibility to complete the online content at their convenience.

The online content for blended learning courses is accessed through the Red Cross Learning Center.

Blended learning classes can easily be set up. Instructors have the option to directly enroll students in a class or save a seat (student voucher) and send the enrollment link to participants once the class is set up. The instructor will be able to view online completion status for all students prior to the in-person portion of the blended learning class.

How-To guides and video for setting up, managing, and closing a blended learning class, including email templates for sending the enrollment links or online course information to course participants are available in the Resources section of the Learning Center.

**Reporting Course Activity**

Collection of information on course activity benefits both your organization and the Red Cross by:

- Providing records on students trained, which can be used by your organization to verify training requirements have been met.
- Providing statistics that help in health and safety program evaluation.
- Assisting in monitoring for quality assurance.
- Tracking instructor activity for maintaining instructor certification and recognition purposes.
For students to receive certificates, instructors must report courses taught along with students who took the courses. Course reporting is done electronically through the Red Cross Learning Center. There are two methods for instructors to report their teaching activity:

- Course Record Entry: This is the method for reporting classes for classroom-only courses. The Course Record Entry function can be accessed through the Red Cross Learning Center—Instructor Portal or Partner Portal home page.
- Close a Blended Learning Class: Blended learning classes are reported by using the Close a Class function which is accessed by clicking on the specific class in the Classes I’m Teaching section on the home page of the Red Cross Learning Center.

When reporting course records, instructors or training partners must enter all the required information including course name, instructor information, training site name and address, student information (phone and or email), and student evaluation (successful, unsuccessful, not evaluated) and provide payment.

**Obtaining Course Completion Certificates**

Digital certificates are available to students once the training fees have been paid. All students whose email addresses are entered in the Course Record Entry system will receive an email with a link to their certificate. Instructors can also print certificates immediately from the Course Record Entry system.

Certificates are available in two formats: 8.5" x 11" that can be printed or distributed electronically via email, and wallet-size that are designed to be printed on standard business card cardstock.

In addition to email, participants may also obtain copies of their Red Cross certification by entering the required information on the Find My Certificate page at [redcross.org/digitalcertificate](http://redcross.org/digitalcertificate).

Digital certificates include an alpha-numeric identifier and a QA code, which allows the certificate to be validated by electronic means. Employers can verify participants’ Red Cross certification by entering the 6-digit alpha numeric identifier on the Find My Certificate page at [redcross.org/digitalcertificate](http://redcross.org/digitalcertificate).

**Payment Options**

Payment for course records submitted in the Course Record Entry (CRE) system can be made by credit card or your organization may submit a purchase order if it has been approved for invoicing. Details on invoicing requirements and terms and conditions are outlined in your Training Provider Agreement. Invoices can be paid by check, ACH/EFT, or credit card. Contact Billing Support to pay by credit card or set up ACH/EFT at the number displayed on the Invoice. For more information on payment options for training and supplies, visit [www.redcross.org/PHSSBilling](http://www.redcross.org/PHSSBilling) to view frequently asked questions (FAQs).

Training Providers that have been approved for invoicing can choose one of the following options:

- **No PO:** Used when your organization has been approved for invoicing privileges and does not require a Purchase Order number printed on the Invoice in order to remit payment.
- **Existing PO:** Used when Purchase Orders have already been set up in this system. Any existing POs may be updated to amend purchase limits or expiration dates as needed. The PO number you select will be displayed on the Invoice.

American Red Cross | Training Provider Resource Guide November 2019
•  **New PO**: Enter information from your organization’s Purchase Order here to set up a new PO. You will be able to select this PO next time you enter training. This PO number will be displayed on the Invoice.
AWARDS AND ALLIANCES

Lifesaving Awards

The Certificate of Merit Award
The highest award given by the American Red Cross to an individual or team of individuals who save or sustain a life using skills and knowledge learned in a Red Cross Training Services course. This action exemplifies the highest degree of concern of one human being for another in distress. Certificate of Merit award is signed by the President of the United States, who is the Honorary Chairman of the American Red Cross, and the Chairman of the American Red Cross.

The Lifesaving Award (for Professional Responder and Healthcare Providers)
Given to an individual or team of individuals who saves or sustains a life outside of a medical setting and had an obligation to respond as part of employment (e.g., on-duty lifeguards; police, fire, and EMS personnel responding to a 9-1-1 call; professional health care workers). The certificate is signed by the Chairman of the American Red Cross and the President and CEO of the American Red Cross.

The Certificate of Extraordinary Personal Action
Awarded to individuals who step up in an emergency and help to save or sustain a life. The awardees exemplify the mission of the Red Cross to prevent and alleviate human suffering in the face of emergencies and are commended for their willingness to help others in distress. This award is given to individuals who are not Red Cross or are unable to provide evidence of Red Cross training.

The Instructor Lifesaving Award
One of the highest awards given by American Red Cross Training Services to instructors who taught an individual who used skills to save or sustain a life.

More information, including a nomination form for Red Cross Lifesaving Awards, can be found at www.LifesavingAwards.org.

OSHA Alliance
On May 19, 2005, the American Red Cross and the Occupational Safety and Health Administration (OSHA) signed an Alliance agreement geared towards preparing employers and their employees to respond to disasters, life-threatening injuries, and other emergencies.

Through this agreement, the Red Cross and OSHA will provide information, guidance, and access to training resources on health and safety topics including emergency preparedness, disease prevention, and first aid in the workplace.

More information about the alliance is available on the OSHA National Alliances website: https://www.osha.gov/dcsp/alliances/red_cross/red_cross.html.
American Red Cross Scientific Advisory Council

The American Red Cross Scientific Advisory Council is an independent panel of nationally recognized health and safety experts that helps establish the standard in first aid care and water safety. Drawing on a body of collective expertise from such diverse fields as emergency medicine, occupational health, sports medicine, school health, emergency medical services (EMS) response, and disaster mobilization, the Council advises the Red Cross in areas related to the development and dissemination of audience-appropriate information and training in first aid and water safety.

More information on the Scientific Advisory Council including scientific advisory statements and from the Council’s bi-annual proceedings is available on Red Cross Learning Center Science page or at www.redcross.org/science.
PERMISSIONS

Promoting Red Cross Courses
The American Red Cross has established graphic standards and guidelines for the use of the Red Cross name and logo which Red Cross Training Providers must comply with in all instances. Subject to the license terms in their Authorized Provider Agreement or Licensed Training Provider Agreement, the terms in this Training Provider Resource Guide, and additional terms provided by Red Cross in association with the download of approved logos and other marketing materials (collectively, the “Terms”), Training Providers may obtain downloadable files with approved logos and marketing materials and use the name, approved logos and branded marketing materials to to promote and advertise that they offer American Red Cross courses. Unless otherwise expressly specified by Red Cross, the Red Cross name and logo must appear in conjunction with one of the following statements:

- Proud Provider of American Red Cross Health and Safety Training
- Proud Provider of American Red Cross Lifeguarding
- Proud Provider of American Red Cross Learn-to-Swim
- Proud Provider of American Red Cross First Aid, CPR and AED Training
- Proud Provider of American Red Cross Caregiving Training
- Proud Provider of American Red Cross Resuscitation Education (BLS/ALS/PALS)

The following uses of the Red Cross name and logo by Training Providers are permitted subject to the Terms.

- Websites and web properties and social media pages of Training Provided to promote classes, including in streamed advertising videos.
- Brochures, flyers and promotional material as provided electronically by American Red Cross for Training Providers to post and make available in printed format in their location.
- Brochures, flyers and promotional materials developed by Training Providers, using an approved logo or use of the name American Red Cross, subject to our Brand Standards and the Terms.

All other uses must be approved in writing by Red Cross. All requests must be made via email sent to trainingservicesmarketing@redcross.org or such other email address as Red Cross may provide from time to time.

- Any paid advertising, including without limitation in print, online, broadcast and social media.
- Any promotional item such as apparel, hats, cups, bottles, recognition plaques, etc. However, Red Cross Training Providers may purchase and utilize promotional items directly from American Red Cross at www.redcross.org/store.
- The Red Cross name may only be used on business cards and letterhead in conjunction with one of the statements set forth above. The Red Cross logo cannot be used on business cards and letterhead.

The following uses of the Red Cross name and logo are prohibited in all instances (“Unauthorized Uses”):

- Unauthorized versions of the Red Cross logo created by Training Provider or obtained in any manner other than by digital download directly from the Red Cross, unless the Red Cross expressly authorizes otherwise;
Use of Red Cross logo on uniforms designed by Training Provider, with or without Training Provider’s logo;
Registration of any Internet domain name or subdomain using the phrases American Red Cross or Red Cross;
Hashtags using Red Cross or American Red Cross or other terms intended to reference Red Cross (such as ARC or RC), except as have been expressly authorized by Red Cross;
Keyword search term advertising using Red Cross, American Red Cross or other terms intended to reference Red Cross (such as ARC or RC);
Combination of the Red Cross name and/or logo with any other logo, slogan, statement;
Presentation of the Red Cross name and/or logo in a way that causes confusion as to affiliation, endorsement or is otherwise misleading; and
Any use of the Red Cross name and/or logo after suspension or termination of the organization’s Training Provider Agreement.

Please refer to [www.redcross.org/brand](http://www.redcross.org/brand) for downloadable Red Cross logos.

Copyright Permission Requests
American Red Cross materials are proprietary and subject to copyright protection. Training Providers and Certified Instructors must take care to use Red Cross training materials only as authorized, and to protect those materials from unauthorized use or distribution. The American Red Cross vigorously protects its materials to preserve their integrity and to protect them against exploitation by others. Training Providers are not authorized to edit or modify any American Red Cross material without permission and must not remove any copyright notices from them. Further you may not create derivative works of any American Red Cross material except as expressly permitted under your Training Provider Agreement. Under clearly defined criteria, the American Red Cross may grant permission to use text, photographs, illustrations and audiovisual material from the American Red Cross.

Improper use of American Red Cross materials or propriety content may result in immediate withdrawal of permission to use American Red Cross materials, and/or cancellation of the Training Provider Agreement. Training providers and instructors who have questions should contact their sales representatives or the Training Support Center.

Translations into Other Languages
The translation of American Red Cross materials into another language requires prior written approval from American Red Cross. Additional requirements may also apply.

Training Outside the Jurisdiction of the American Red Cross
The American Red Cross is not permitted to solicit, deliver services, or provide program support for instructors, companies, agencies, or organizations that are not within the jurisdiction of the United States or its territories unless permitted by or requested to do so by the Red Cross or Red Crescent Society of that country. Training overseas is generally confined to U.S. military installations and U.S. embassies and consulates. Training providers and instructors who have questions about training outside of the United States and/or its territories, should contact their sales representative or the Training Support Center.
ADDITIONAL PRODUCTS AND SERVICES

Automated External Defibrillators (AEDs)
The Consensus on Science and Treatment Recommendations for CPR and Emergency Cardiovascular Care (ECC) agrees that Sudden Cardiac Arrest can be treated most effectively by a combination of CPR and defibrillation. Along with providing comprehensive training on how to use an AED, the Red Cross partners with leading manufacturers to help your organization obtain the devices you need to keep your workplaces, schools, and facilities safe. Contact your sales representative for current AED promotional offers.

Aquatic Examiner Service
The Aquatic Examiner Service (AES) Program is designed to:

- Develop goals to improve operations, training, and performance.
- Increase lifeguard accountability, attention to safety, professionalism, and pride.
- Reinforce and strengthen the lifeguard’s emergency response skills.
- Maintain high lifeguarding operational standards.

The AES program starts with a Red Cross examiner conducting an in-depth facility tour to understand your safety and lifeguarding operations. You’ll then receive a comprehensive, objective evaluation based on American Red Cross Lifeguarding program standards. As a follow-up, unannounced site visits will evaluate on-the-job lifeguard performance including surveillance and rescue skills.

For more information and to request a quote, visit redcross.org/aquaticexaminer.

Emergency and First Aid Kits
In addition to training program materials, equipment, and supplies, the Red Cross Store provides a variety of emergency and first aid kits perfect for your workplace, for your home, or on the go. From car first aid kits to bleeding control kits to ANSI-compliant emergency cabinets, the Red Cross Store can provide the emergency response equipment you need.

Visit https://www.redcross.org/store.org/ to browse our emergency and first aid products.

Red Cross Mobile Apps
Put expert advice in your hand with the Red Cross suite of free mobile apps. These apps can be downloaded from iTunes or Google Play. Please encourage your employees, instructors and participants to take advantage of these free tools!

The tools and preparedness information you need every day:

First Aid
Follow the simple step-by-step instructions to guide you through everyday first aid scenarios. It is fully integrated with 9-1-1 so you can call EMS from the app at any time. Videos and animations make learning first aid fun and easy. The content is preloaded, giving you instant access to all safety information at any time, even without reception or an Internet connection. Ahora disponible en español. Download from iTunes or Google Play or text “GETFIRST” to 90999.
Pet First Aid
Take care of your furry family member. The American Red Cross Pet First Aid app puts veterinary advice for everyday emergencies in the palm of your hand. Get the app and be prepared to act when called upon. With videos, interactive quizzes, and simple step-by-step advice it’s never been easier to know Pet First Aid. Download from iTunes or Google Play or text “GETPET” to 90999.

Blood
Find nearby Red Cross blood drives, schedule appointments, follow your blood journey from donation to delivery. Download from iTunes or Google Play or text “BLOODAPP” to 90999.

Hero Care
Whether you’re the parent of a child joining the military or a family member of the military/veteran communities, Hero Care will connect you to important resources that can help you through both emergency and non-emergency situations. Ahora disponible en español. Download from iTunes or Google Play or text “GETHEROCARE” to 90999.

Disaster Apps deliver expert information when and where you need it most:

Emergency
Monitor more than 35 different severe weather and emergency alerts, to help keep you and your loved ones’ safe. Ahora disponible en español. Download from iTunes or Google Play or text “GETEMERGENCY” to 90999.

Tornadoes
Get your family and home ready for a tornado. This is the complete solution you need to understand and prepare for a tornado. Ahora disponible en español. Download from iTunes or Google Play or text “GETNADO” to 90999.

Hurricanes
Monitor conditions in your area or throughout the storm track, prepare your family and home, find help and let others know you are safe even if the power is out—a must have for anyone who lives in an area where a hurricane may strike or has loved ones who do. Ahora disponible en español. Download from iTunes or Google Play or text “GETCANE” to 90999.

Earthquakes
Get notified when an earthquake occurs, prepare your family and home, find help and let others know you are safe even if the power is out—a must have for anyone who lives in an earthquake-prone area or has loved ones who do. Ahora disponible en español. Download from iTunes or Google Play or text “GETQUAKE” to 90999.

Flood
Get your family and home ready for a flood. This app is the complete solution you need to understand and prepare for flooding and all that comes with it. With interactive quizzes and simple step-by-step advice, it’s never been easier to be ready! Ahora disponible en español. Download from iTunes or Google Play or text “GETFLOOD” to 90999.
Free, fun, and informative apps for parents and kids:

**Swim**
Get the most out of Red Cross swim lessons with the Swim App. Created as a companion to the newly-updated Learn-to-Swim program (including Preschool Aquatics), this app will help you keep your swimmer motivated, while providing you the latest in water safety guidance to help ensure your family stays safe in, on and around the water. Download from iTunes or Google Play or text “SWIM” to 90999.

**Monster Guard**
For kids, 7-11 years old. This app teaches preparedness for real-life emergencies at home with the help of Maya, Chad, Olivia and all the monsters. Download from iTunes or Google Play or text “MONSTER” to 90999.

Memorandum of Agreement with Yupiit School District and Alaska Statewide Mentor Project.

The Yupiit School District (YSD) will provide the names of early career teachers (ECTs) who qualify for mentoring services provided by the Alaska Statewide Mentor Project (ASMP). ASMP will contract with qualified mentors to provide these services. For the 2020-21 academic year, YSD has reported 3 ECT’s who qualify for mentoring services.

The costs to support one ECT calculates to an average of $6000 per year. YSD agrees to share these costs by paying $3000/ECT to ASMP, for a total of $9000.00 this academic year.

ASMP will pay for the mentor contract, arrange and pay for mentor travel, and the mentors will serve, support, and guide ECTs in the following manner:

1. Visit with each ECT once per month, to deliver instructional mentoring according to the ASMP model of mentoring (use of formative assessment tool system, deliver just-in-time resources and best practices classroom strategies and methods, model lesson planning, and respond to ECT needs.) Virtual visits are available as needed.
2. Spend one half of a day minimum with an ECT on a monthly basis.
3. Overnights are expected for rural mentors. Mentors plan to spend one night at the site even if only one ECT.
4. Use mentor language to engage ECTs in conversation about classroom procedures and instructional practice in order to help accelerate the ECT’s classroom practices.
5. Engage ECTs in weekly communication via phone, Skype, chat, email, or other agreed-upon communication; fill out a Collaborate (CAL) for each ECT every week documenting the instructive, collaborative or facilitative mentoring work. Stay current with all contact documentation and tool use on the ASMP portal.
6. When using digitally recording or taking pictures, ensure that the appropriate student permission slips and site/district permission are completed and signed as required. File signed forms with UA K-12 designated staff.
7. Use formative assessment tools, forms, and other ASMP mentoring materials that are "on-line" as directed or necessary to move the ECT’s practice forward,
including yearly Individual Learning Plans and Professional Growth Reflections.

8. Make use of in-person time when an ECT is in a hub near where mentors are located if arrangements can be made.

9. Survey each ECT and Administrator, annually to measure success of program and gather data for program improvement or adjustment and if requested, gather district information.

Billing (to be filled out by school district):
Invoice will be sent from ASMP to:

Re: iPads/Purchase  
Date: November 19, 2020  

Dear Yupiit School District Board Members,

In an effort to better serve our students, I am requesting that the board approve the school’s request to purchase 90 iPads and 65 laptops using the CARES Funds. The iPads/Laptops, coupled with professional development, will give our teachers another tool to serve our students when they are not in the school. This purchase will give us the ability to put iPads/Laptops in the hands of every Elementary/Secondary student thereby improving our ability to prepare every student for any environment.

I appreciate your consideration.

Sincerely,

James M. Boldosser, Sr., Principal

Re: Action Item J

The Administration recommends the approval of 1:1 Device Configuration Proposal.
Proposed Cost Schedule

These costs are all simply proposals, and are based on a current information available. All are negotiable and up for comment/change before finalization and contract agreement. LYNX will not be held responsible for damages due to transportation of devices.

**MDM Configuration & Project Support**

- **Overall Project Research & Development**
  - Discovery & objective development

- **Logistics & Project Management**
  - Planning support & on-the-ground logistics

- **MDM Configuration**
  - Mosyle configuration

LYNX works with district staff and stakeholders to identify specific MDM requirements. This includes all users and device profile settings, as well as required applications and network configurations. After discovery and project scope is determined, LYNX will support configuration of the MDM to meet the project needs. Further, LYNX will work with the district to ensure logistical needs are met for transport and delivery of devices to and from LYNX headquarters, to and from the district and/or Apple.

**Device Configuration & Preparation**

- **250 iPads**
  - ~ 100 used & 150 new iPads

- **110 Macbooks**
  - ~ 80 used & 30 new Macbooks

LYNX will intake all devices coming directly from the district or from Apple, unbox and configure each device as per project scope requirements, and organize for delivery to district headquarters for distribution. Devices will be catalogued and grouped to help in inventory management as well as asset delivery. LYNX will also note any issues that may arise that hinder configuration or deployment of devices.

**Total Estimated Project Cost**

$24,500

**Post-Configuration Deployment Support**

- **On-Site Support** ($1,500/day)
  - Per person. Per Diem & Travel Separate

- **Remote Dedicated Support** ($750/day)
  - Dedicated support during crucial deployment

Optional

On-site or dedicated remote support are available once devices have been delivered back to the district for deployment.

**On-Going Support**

$200/hr

For support outside the scope of work, on-demand and ongoing support is available at an hourly rate.

Re: Action Item K

The Administration recommends the approval of the Kuskokwim Ice Road Contribution letter/Service Agreement.
MEMORANDUM OF AGREEMENT FOR 2020-21 ICE ROAD SERVICES FROM

____________________ TO ____________________

PARTIES:
This agreement is made between the Yupiit School District, and the Native Village of Napaimute, dba: Napaimute Enterprises, LLC hereinafter referred to as “Contractor”, whose Federal Identification Number is 26-4175012 and current address is: P.O. Box 1301, Bethel, Alaska 99559.

PERIOD OF PERFORMANCE:
Contractor agrees to begin and complete services described in the contract no sooner than the contract is completely negotiated, and no later than _________________, 2021.

DESCRIPTION OF CONTRACTOR’S SERVICES:
The Contractor agrees to provide ice road services between _________________ and _________________.

Scope of Work:
Using the approved budget provided by ________________________________, the contractor shall:

• Plow the ice road between _________________ and _________________ as needed
• Measure ice thickness a minimum of every 1/10’s of a mile using radar & manual drilling
• Oversee the installation of ice road markers with reflectors at same distances by ____________________crew
• Ensure that all known open holes in the vicinity of the ice road are marked with willows & blue reflectors by ______________________________Napaimute and other Tribal Transportation crews.

Approved Budget:
$220 per mile X ____________ miles for first plow
$110 per mile X ____________ miles for additional plowing

OR
Direct Contribution* to be used to support overall Kuskokwim Ice Road Work.

Contribution Amount: $_________________________
Direct Contributions will be used to supplement additional plowing beyond the amounts communities are able to pay for. For example if a community is able to pay for plowing three times in their identified mileage area but weather conditions cause the road to need plowing more than three times, direct contributions will be used to cover additional plowing as needed.

**Contractor will provide:**

- Knowledge and experience with Kuskokwim ice road establishment
- Payroll and general accounting services
- General oversight of the project
- Any additional supplies or equipment that may be needed to complete this project including but not limited to: (1) Champion 720 grader, (2) Walter Snow Plow Trucks, (2) ½ ton pickup trucks w/ trailer, (2) snow machines w/ sleds, ice auger, ice drills, ice radar, chainsaws, safety gear, and tools.
- All additional support personnel necessary to complete the project

**SERVICES FEES AND PAYMENT:**

We understand that the usability of the Kuskokwim Ice Road is highly dependent on weather conditions.

___________________________ will pay the Contractor 30% of the approved budget amount of $____________ for initial startup expenses for ice road work.

At the completion of this project the Contractor shall submit an invoice for payment of actual expenses only not to exceed the approved budget amount.

The invoices will detail the ice road work performed in accordance with this contract as well as amount due.

___________________________ will reimburse predetermined expenses from the approved budget, such as equipment lease, personnel cost, and fuel, as outlined in description of services above, provided adequate documentation (original receipts) is attached for justification.

**CONFLICT OF INTEREST:**

During the terms of this agreement, Contractor will not enter any activity, employment, or business arrangement which conflicts with ________________________________ interests or Contractor’s obligations under this agreement.

**CONFIDENTIALITY:**

Contractor will treat as proprietary any information belonging to ________________________________ that was disclosed to Contractor during the term of this agreement.

**DRUG-FREE WORKPLACE:**

During the term of this Agreement, Contractor agrees to comply with ________________________________ drug-free workplace policy.

**INSURANCE AND BONDING:**

For the purposes of this contract, the project employees will be covered under NVN’s insurance.
INDEMNIFICATION:
Contractor shall indemnify, save harmless and defend, ____________________________ its officers, agents, and employees from all liability, including costs and expenses, for all actions or claims resulting from injuries or damages sustained by any person or property arising directly or indirectly as a results of any error, omission or negligent act of the contractor, subcontractor, or anyone directly or indirectly employed by them in the performance of this contract.

TERMINATION OF AGREEMENT:
Either party may terminate this Agreement upon ten (10) days written notice to the address of the other party contained in this Agreement. If this Agreement is terminated by either party, ____________________________ shall only be liable for fees earned and reimbursable expenses incurred as a result of work actually performed and the results of such work delivered to ____________________________ prior to the effective date of the termination.

ENTIRE AGREEMENT:
This instrument is the entire Agreement between ____________________________ and Contractor. Oral changes will have no effect. It may be altered only by a written amendment to this Agreement signed by both parties.

GOVERNING LAWS:
This Agreement is subject to and shall be interpreted in accordance with the laws of the State of Alaska and applicable Federal Regulations.

FOR ____________________________

Signature ____________________________ Date ____________
Title ____________________________

FOR NATIVE VILLAGE OF NAPAIMUTE:
(Contractor)

Signature ____________________________ Date ____________
Title ____________________________
November 23, 2020

Dear Kuskokwim Ice Road Partner:

Please accept this letter as a formal request by the Native Village of Napaimute Tribal Transportation Program (NVN TTP) and Napaimute Enterprises, L.L.C. – Ice Road Division for financial support for the 2020-21 Kuskokwim Ice Road season. Your commitment to support the construction and maintenance of the ice road will aid in the planning process and insure your village will be included in construction of the ice road.

As you may know each year the NVN TTP leads the efforts with various villages to establish and maintain the Kuskokwim Ice Road - a vital regional social and economic transportation network. Our employees continuously strive to improve the Kuskokwim Ice Road. Each season we look for ways to do our job better. This means keeping the road plowed more frequently and extending the route to additional communities in our region.
With unprecedented financial support from across the region in the first two months of 2020 NVN TTP established a new record for the Kuskokwim Ice Road - 355 miles connecting 21 communities. Much of this work was done side by side with other tribal transportation crews along the River. It is very rewarding work as we see firsthand the benefit it brings to the People: safe, efficient, cheaper winter travel.

Over the years, improving our ice road work has also meant investing in additional plowing equipment and incorporating new technology – ice penetrating radar.
For the 2020-21 Kuskokwim Ice Road Season we have added another plow truck to our fleet. All of our equipment is based in Bethel with the goal of keeping the road open above and below Bethel simultaneously.

*In the midst of this COVID-19 Pandemic, having a safe, regularly maintained ice road to Bethel's health care facilities may be especially critical.*

To continue this good work NVN TTP Department is working to create a sustainable plan for the ice road work. As you see from above we are in a good position to do this work so are reaching out to you for a financial commitment for parts of the river that are important to your organization. A good way to consider your contribution is to understand our costs: $220 per mile for the initial ice road construction. This rate includes cost of fuel, personnel, supplies and operating cost of equipment. Additional plowing will be 50% lower.

**Here is an example for the Akiachak area:**

17.5 miles – this is Akiachak’s share of the mileage from half way to Akiak to the Kwethluk/Akiachak Y.

1st plow – 17.5 X $220 per mile = $3,850  
2nd plow – 17.5 X $110 per mile = $1,925

This is the financial support we are asking you to consider. We are intentionally reaching out early in the season to allow us to build more concrete ice road construction and maintenance plans. This support can be in the form of a direct contribution which will be used for the overall work or in the form of a service agreement for specific sections of the River. Sample Direct Contribution and Service Agreements forms are enclosed for your convenience.

*Please note that the ability to plow the road more frequently to keep it open will be dependent on the financial support we receive from major users of the ice road and other tribal transportation departments that don’t have the capacity to do the work themselves.*

We look forward to continuing to work together for the benefit of everyone on the Kuskokwim River and hope to see this season’s ice road fully funded.
I would be happy to meet with you in person, give the Kuskokwim Ice Road Presentation and answer any additional questions you may have. Feel free to call or email. If you are able to, please respond with your commitment by November 30, 2020.

Thank you for your consideration.

Respectfully,

Mark Leary

Mark Leary

Re: Action Item L

The Administration recommends the approval of the Alaska Pacific University Professional Service Agreement.
PROFESSIONAL SERVICES AGREEMENT

This Professional Services Agreement (Agreement) is made and entered into as of the 17th day of December, 2020, by and between Alaska Pacific University (APU) located at 4101 University Drive, Anchorage, Alaska, 99508 and Yupiit School District (YSD) with the mailing address of PO Box 190, Akiachak, Alaska 99551. This agreement covers the time period from 12/17/2020 – 2/1/2021.

RECITAL

YSD and APU desire to enter into this Agreement to provide for and define each party’s responsibilities with respect to the services described in Appendix A, attached hereto and incorporated herein by this reference (“Services”).

ARTICLE 1 – SERVICES

Subject to the terms and conditions herein and subject to the request of APU:

1. APU shall perform the Services, as described in Appendix A, to the reasonable satisfaction of YSD.

2. APU will perform its Services for YSD in a workmanlike manner and in accordance with applicable industry standards. APU will cooperate with YSD to assure that the Services provided by APU are prudent, appropriate, and professional.

3. APU, or its officers, employees, or agents are not employees of YSD and APU shall be solely responsible for all federal, state and local taxes, contributions, and other liabilities with regard to the Services provided.

ARTICLE 2 – TERM AND TERMINATION

1. Term. This Agreement will be effective as of the date signed by both parties and shall continue until terminated in accordance with this Article or will terminate automatically on September 30, 2024.

2. Termination By Mutual Agreement. This Agreement may be terminated at any time by mutual agreement of both parties.

3. Termination On Notice. This Agreement may be terminated at any time by either party upon thirty (30) days prior written notice to the other party.

4. Immediate Termination on Default or Other Specified Conditions. Either party may terminate if there is any material default in the performance of the terms and conditions of this Agreement which default has not been cured within fifteen (15) days following written notice of such default.
5. **Effect of Termination.** Termination will have no effect upon the rights and obligations of the parties arising out of any transactions occurring prior to the effective date of such termination. Nothing in this Agreement will be construed to limit either party's lawful remedies in the event of a material breach of this Agreement.

### ARTICLE 3 – COMPENSATION

1. **Compensation.** Payments will be paid off an invoice only and no more frequent than monthly.

2. **Expenses.** APU shall be responsible for all costs and expenses incident to the performance of Services for YSD, including but not limited to, all costs of equipment provided by APU, all fees, fines, licenses, bonds, or taxes required of or imposed against APU, including federal, state, and local income taxes, and workers compensation costs, and all other of APU’s costs of doing business.

3. **Amount of payments:** $7,000 in total

### ARTICLE 4 – ASSIGNMENT

4.1 This Agreement may not be assigned or delegated by APU without the prior written approval of YSD.

### ARTICLE 5 – COOPERATION

1. **Cooperation Between the Parties.** APU and YSD agree that to the extent compatible with the separate and independent management of each, they will at all times maintain an effective liaison and close cooperation with each other.

2. YSD agrees to comply with all reasonable requests of APU and provide access to all documents and/or facilities reasonably necessary to the performance of APU’s duties under this agreement.

### ARTICLE 6 – DISPUTES

1. In the event that any dispute shall arise with regard to the performance or interpretation of any of the terms of this Agreement, or if either party claims that the other party has breached this Agreement, both parties agree to resolve disputes by meeting or teleconference within sixty (60) days of the date such dispute was brought to the attention of one party by the other party.

2. In the event that the parties are unable to reach a resolution of the dispute, either party may give the other party written notice of its intent to terminate this Agreement in accordance with Section 2.2 or 2.4, as applicable.
ARTICLE 7 – INSURANCE AND INDEMNIFICATION

7.1 **Insurance.** APU shall secure and maintain at its expense throughout the term of this Agreement such policy or policies of general liability, workers’ compensation, and professional liability as shall be necessary to insure APU, its employees, agents and/or contracted providers against any claims for damages occasioned directly or indirectly in connection with the performance of any Services by APU, its employees, agents, and/or contracted providers, if any. Coverage limits shall be at least in the amount of **$1 million per occurrence/$2 million aggregate.** Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions.

2. **Assumption of Risk.** APU shall be responsible for performing the work under this contract in a safe, skillful, and workmanlike manner and shall be liable for its own negligence and the negligent acts of its employees. All work shall be done at APU’s risk, without regard to fault or allocation of negligence.

3. **Indemnification By YSD.** YSD agrees to indemnify and hold harmless APU and its directors, officers, agents, volunteers, students, and employees against any and all claims, lawsuits, settlements, judgments, costs, penalties, and expenses, including actual attorneys’ fees, in whole or in part resulting from, arising from, or in any way connected with any act, error, omission, or failure of APU or APU’s students, employees, or agents, including but not limited to any and all claims: (i) relating to the injury or death of any person or damage to any property; (ii) by APU’s employees for injuries or illnesses incurred in the course and scope of providing Services under this Agreement; (iii) relating to the dishonest, fraudulent or criminal acts of APU or its directors, officers, agents, representatives, or employees, whether acting alone or in collusion with others in connection with the performance of their obligations under this Agreement.

4. **Government Intervention.** In the event that a law, act, or order of government restricts or prohibits the provision of Services, YSD shall be entitled to a credit of any fees paid to APU within 30 days of APU’s failure to provide such Services, or such other period of time as may be specifically provided by law.

5. **Workers Compensation.** APU shall maintain workers’ compensation insurance in accordance with Alaska’s requirements. Neither YSD nor YSD’s workers’ compensation insurance shall cover APU or APU’s employees or agents for any injuries or harm incurred by APU or APU’s employees or agents while performing services under this Agreement.

ARTICLE 8 – LEGAL COMPLIANCE

8.1 **Compliance with Laws and Regulations.** In connection with the performance of work under this contract, both parties agree to comply with applicable federal and state laws, including but not limited to laws governing taxation, employment, wages and hours, workplace safety, workers’ compensation, non-discrimination, and civil rights.
2. **Non-Discrimination/Civil Rights.** In connection with the performance of work under this contract, both parties agree to comply with applicable federal and state laws regarding nondiscrimination and equal employment opportunities and all regulations promulgated thereunder. Both parties agree not to discriminate against any employee or applicant for employment because of age, race, religion, color, disability, gender, physical condition, sexual orientation, national origin, pregnancy, or genetic information.

**ARTICLE 9 – RECORDS**

1. **Maintenance of Records.** APU will maintain any books, documents, or other records pertaining to this Agreement in a form consistent and in compliance with confidentiality provisions of applicable federal and state laws and regulations. APU agrees to preserve the full confidentiality of records and protect from unauthorized disclosure all information, records, and data collected under this Agreement.

**ARTICLE 10 – CONFIDENTIALITY OF PROPRIETARY INFORMATION**

10.1 **Maintenance of Confidentiality.** APU recognizes that in the course of performing Services under this Agreement, it may be exposed or become aware of information and materials related to YSD’s operations, which are confidential to YSD and proprietary in nature. Such confidential information includes, but is not limited to: personnel records, student records, medical records, and/or certain proprietary and management information products, academic and/or scientific research, processes, know-how, designs, improvements, techniques, computer programs, data bases, trade secrets, business plans, and financial information. APU agrees to receive, protect, preserve, and hold in trust, and not to disclose such information to third parties without YSD’s prior written authorization.

2. **Employees and Agents.** APU agrees that any employees or agents assigned to perform Services under this Agreement or who otherwise have access to such information will be made aware of the confidential nature of such information. APU agrees to ensure that its employees and agents comply with any applicable federal and state rules and regulations, including but not limited to state trade secrets law, rules, and regulations promulgated under the Health Insurance Portability and Accountability Act of 1996, and the Family Educational Rights and Privacy Act of 1974 and the Gramm-Leach Bliley Act.

3. Upon termination of this Agreement, APU shall return all such information in APU’s possession to YSD.

**ARTICLE 11 – NON-EXCLUSIVITY**

11.1 The parties enter into this Agreement on a nonexclusive basis.

**ARTICLE 12 – NOTICES**
12.1 Any notice, demand or communication required, permitted, or desired to be given under this Agreement will be deemed effectively given when personally delivered or mailed by prepaid certified mail, return receipt requested, addressed as follows:

1. If for APU: Alaska Pacific University  
   4101 University Dr.  
   Anchorage, Alaska 99516

2. If for YSD: Yupiit School District  
   PO Box 190  
   Akiachak, Alaska 99551

**ARTICLE 13 – MISCELLANEOUS**

1. **Entire Agreement.** This Agreement contains all the terms and conditions agreed upon by the parties hereto regarding the subject matter of this Agreement. Any prior agreements, promises, negotiations or representations, either oral or written, relating to the subject matter of this Agreement not expressly set forth in this Agreement are of no force or effect.

2. **Modifications.** This Agreement constitutes the entire understanding between the parties hereto, and no changes, amendments, or alterations shall be effective unless agreed to in writing by both parties.

3. **Invalidity or Non-enforceability.** The invalidity or non-enforceability of any terms or provisions hereof shall in no way affect the validity or enforceability of any other term or provision.

4. **Choice of Law.** This Agreement shall be interpreted in accordance with the laws of the State of Alaska. Unless waived by both parties, venue for any action to enforce or interpret the provisions of this Agreement shall be in the State of Alaska, in the Third Judicial District at Anchorage.

**The parties hereby acknowledge and agree each has read, understood and agrees to each of the terms of this Agreement as set forth above and in Exhibit A attached hereto.**

Alaska Pacific University
Scope of Work

Services:
Alaska Pacific University will assist Yupiit School District with planning for the implementation of the Alaska Native Education Grant. Specific activities and deliverables include:

1. Identification of community members for Yupiit Education Advisory Team
2. Identification of community youth members for Yupiit Education Youth Advisory Team
3. Initial outreach discussions with the following people to understand prior work on ANE grant
   o Janice George, Clare Robyt, Matthew Turner
4. Initial outreach discussions with the following people for initial needs assessment
   o Janice George, Clare Robyt,
   o Principals at each school
   o Yupik teachers at each school
   o YSD Identified Board members
5. Goal attainment plan for one, three and five years
6. Development of scope of work and full contract proposal from APU for YSD Board assessment and action at January Board Meeting
Date: December 17, 2020
To: Regional School Board
From: John Stackhouse, Acting Superintendent

Re: Action Item M

The Administration recommends the approval of the Fall Oasis.

Re: Reports B-K  

The Administration reports are presented for your information.
Mission Statement
To educate all children to be successful in any environment.

Vision Statement
All members of the community are proud and committed to our school system. Students have a positive learning environment, speak the Yupiaq language, know their culture, attend school regularly and graduate prepared to be successful in any environment. The majority of our teachers and school staff are Yup’ik and speak their language, and the curriculum and instruction is based in Yup’ik values and traditions. Our community members, elders, parents and students feel ownership in our schools.

Values
Love for Children, Spirituality, Sharing, Humility, Hard Work, Respect for Others and Their Property, Cooperation, Family Roles, Knowledge of Family Tree, Hunter Success, Domestic Skills, Knowledge of Language, Avoid Conflict, Humor, Respect for Land, Respect for Nature

Strategic Goal Areas:
1. Students Succeed Culturally and Academically
2. Community, Parents and Elder Involvement
3. Staff Recruitment and Retention
4. Education System Change

State Funding and State Federal Pass through Funding

Fund 100
Foundation Funding- Funding received from Alaska DEED based on Base Student Allocation (BSA) of $5930 per student and calculated using a formula to adjust for school size. Additional funding is received for SPED students based on the Special Needs factor multiplier of 1.20. The vocational and technical funding is based on a multiplier of 1.015. The intensive need student count is calculated by a multiplier factor of 13. Finally, the correspondence program is calculated by a multiplier of 0.90.

Current amount of Grant: $6,078,601

Included in Fund 100:

- E-Rate: This program provides discounts to assist schools and libraries in the United States to obtain affordable telecommunications and internet access. Provides funding at 90% of cost.

- Impact Aid: designed to assist United States local school districts that have lost property tax revenue due to the presence of tax-exempt Federal property, or that have experienced increased expenditures due to the enrollment of federally connected children, including children living on Indian lands.
  
  Amount of Grant: $3,562,334

- Quality Schools Grant- These funds are used for instructional materials to support math competencies, literacy and language development, to provide educational support for students to improve academic language, literacy and math skills.
  
  Amount of Grant: $26,013

Fund 205
Pupil Transportation fund: Funding received to support student transportation.

Amount of Grant: $928

Fund 255
Food Service Fund: Funds received from the USDA for the National School Lunch Program, Breakfast program, Afterschool Snack Program, and Commodities.

Amount of Grant: Varies

Fund 236
Staff Development Grant: Funding received for specific staff development opportunities from the State of Alaska.

Amount of Grant: Varies

Fund 245
CSI/TSI School Improvement funds: Funding received to assist schools in meeting the goals identified in the STEPP plan. Akiachak and Tuluksak are identified Comprehensive Support designated as lowest 5%. Akiak School is identified Targeted Support.

Amount $100,000

Fund 256
Title I, Part A- Services for Children in Poverty: These funds are targeted for use in improving the academic achievement of disadvantaged children. YSD uses these funds to provide a Literacy Coach within each school, paraprofessional support for literacy and
member of the Statewide Migrant Ed Advisory Council.

Fund 297
Title VIB - Services for Students with Disabilities: YSD employs 2 Special education paraprofessional with these funds. Speech and Occupational Therapy services and a Psychologist are also secured from this grant. Title VIB funds provide funding for attendance at the state Special Education Conference and for technology and curriculum needs in district special education classrooms.
Amount of Grant: $160,527.31

Fund 319
CARES act funding: Funding received to assist schools respond to COVID19 related expenditures.
Amount of Grant: $544,799.00

Fund 301
Carl Perkins: These funds must be used for the development and support of approved vocational and career pathways courses. YSD supports supplies and materials for approved vocational courses offered in schools and professional development for CTE teachers and administration.
Amount of Grant: $24,643.00

Fund 390
Employee Housing- Funds generated by rental revenue and transfers from foundation funding to support teacher housing maintenance and repair.

Direct Federal Funding

Fund 350
Johnson O'Malley (JOM): This grant is operated under an educational plan which contains educational objectives to address the needs of our students. Funds were used to purchase supplemental, culturally relevant supplies and materials for students.
Amount of Grant: $26,372.00

Fund 351
Rural Low-Income Schools: Funds used to support student government.
Amount of Grant $9,239

Fund 362
Indian Education: Title VII: Funds are generated by the districts Indian Student Count. Funds must be used to address the academic needs of Alaska Native students in YSD schools. Funding for students, staff, and elders' participation in the Youth and Elders Conference, tuition for students to attend VTE phases through the Chugach School District for college and career readiness training, funding for Regional School Board and Tribal Education Director to attend the National Indian Education Association conference, supplies and materials to increase knowledge of cultural identity and awareness.
Amount of Grant: $169,057.00

Fund 365
Alaska Native Education Grant (ANE): Federal funding received to enhance Alaska Native Education. This grant is a three-year award July 2018- June 2021.
Amount of Grant $2,421,676
math in the primary grades, paraprofessional training in early literacy for primary grades, substitutes for Teachers attending RTI/MTSS, to subsidize teacher housing, Staff travel for committee functions and district staff to attend ESEA Technical Assistance Workshop, and Student travel for sessions offered by Chugach School District/EXCEL Alaska for credit recovery.

Amount of Grant: $1,076,105.53

Reaped into Fund 256
Title II, Part A- Teacher Quality: Increase the academic achievement of all students by helping schools and districts improve teacher and principal quality. In addition, Title II A funds may be used to improve the skills and knowledge of principals for effective school leadership.
Reaped into Title I, Part A

Reaped into Fund 256
Title IV, A- Student Support and Academic Enrichment: The Every Student Succeeds Act (ESSA) authorizes significant funds to help increase the capacity of states, local educational agencies (LEAs), schools, and local communities to provide all students with access to a well-rounded education and to improve school conditions for student learning.
Reaped into Title I, Part A

Fund 257
Title I, Part C - Migrant Education: These funds are to target the academic needs of migrant students, which arise because of their migratory activities such as fishing and agriculture. YSD utilizes these funds to cover costs of migrant recruiting which is done by school secretaries and to provide for a migrant records clerk who monitors the program documentation. Purchase of laptops for each site for Migrant Education students to use in classroom to increase their skills in English, Math, and Reading. These funds are also being used to provide opportunities for migrant students to attend vocational learning opportunities through Chugach School District. Funding is based on the number of students meeting the specifics of the migrant identification rules.
Amount of Grant: $148,576.00

Fund 269
Section 619 - Special Education Support- This grant supports activities for students with disabilities age 3-5. YSD uses these funds to assist in the cost of speech therapy services and educational supplies for young children.
Amount of Grant: $2,010.82

Fund 270
Title III, A-Services for Limited English Proficient (LEP) Students: YSD receives limited Title III funds but uses them to provide support for teacher training in effective practices for teaching students who are not proficient in English. A teacher team has been attending training lead by experts from the Department of Education. They are working with the YSD Literacy Coach to share their learning and understanding of how to efficiently support the learning of LEP students.
Amount of Grant: $76,454

Fund 271
Migrant Parent Advisory Council: Funds received for Jennifer Phillip to attend as a

Regional School Board Report

Author of Report: Kaylin Charles
Department/Location: Federal Programs
Date of Regional School Board Meeting: December 17, 2020

Mission Statement
To educate all children to be successful in any environment.

Vision Statement
All members of the community are proud and committed to our school system. Students have a positive learning environment, speak the Yup'iq language, know their culture, attend school regularly and graduate prepared to be successful in any environment. The majority of our teachers and school staff are Yup'ik and speak their language, and the curriculum and instruction is based in Yup'ik values and traditions. Our community members, elders, parents and students feel ownership in our schools.

Values
Love for Children, Spirituality, Sharing, Humility, Hard Work, Respect for Others and Their Property, Cooperation, Family Roles, Knowledge of Family Tree, Hunter Success, Domestic Skills, Knowledge of Language, Avoid Conflict, Humor, Respect for Land, Respect for Nature

Strategic Goal Areas:
1. Students Succeed Culturally and Academically
2. Community, Parents and Elder Involvement
3. Staff Recruitment and Retention
4. Education System Change
