High School
Sexual Health Curriculum
Overview
The Advocates for Youth’s *Rights, Respect, Responsibility* curriculum is based on the belief that:

- Youth have the right to honest sexual health information and equitable opportunities to reach their full potential.
- Youth deserve respect and to have their experiences be valued.
- Young people have the responsibility to protect themselves.
- Society has the responsibility to provide young people with all of the tools they need to safeguard their sexual health.
California Healthy Youth Act

Mandated by the State of CA.

Comprehensive sexual health and HIV prevention instruction must be:

- Taught at least once in middle school and at least once in high school.

- Age-appropriate if taught earlier than grade 7 and instruction must align with the general provisions (§§51930-3) and may include any of the general topics (§51934).

- Medically accurate, objective, and unbiased (§51933).

- Appropriate for use with pupils of all races, genders, sexual orientations, and ethnic and cultural backgrounds, pupils with disabilities, and English learners (§51933).
All sexual health and HIV prevention instruction must:

• Promote understanding of sexuality as a normal part of human development.

• Provide pupils with the knowledge and skills they need to develop healthy attitudes concerning adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family.

• Affirmatively recognize that people have different sexual orientations and, when discussing or providing examples of relationships and couples, shall be inclusive of same-sex relationships.

• Encourage a pupil to communicate with his or her parents, guardians, and other trusted adults about human sexuality and provide the knowledge and skills necessary to do so.

CA Education Code §51933
Parent/Guardian Notification

- You have the right to be notified of the sexual health and HIV prevention instruction that will be held at your school site.

- Notification will be given at least 14 days prior to instruction.

- Parents/guardians must be notified at the beginning of the school year:
  - Comprehensive sexual health and HIV prevention instruction will be taking place.
  - Curriculum materials are available for parent/guardian preview.
  - You may excuse your child from instruction by providing an electronic or written request to the school.
