Emergency Information Student Should Know

**What to Do When Parent/Ride is Late for After School Pick-up** (Example: Wait 20 minutes and then try to call person #1, then try calling person #2)

Directions/Route to Home

All district schools have developed a comprehensive school safety plan that meets state requirements. Emergency procedures are reviewed and discussed with students and staff every year. Emergency drills in case of fire, natural disaster, or other emergencies requiring a shelter in place or lockdown are practiced regularly. Challenger’s goals in any emergency are to stay calm, to keep students and staff in a safe environment, account for every student and adult on campus, and facilitate an orderly evacuation to a safe area of the campus. School intercom system will indicate an emergency event.

**Evacuation or Fire** – All buildings are evacuated. Students will walk with the classroom teacher to a safe area.

**Earthquake** – Students inside should move away from windows, drop to the floor and cover their heads with their hands. Students outside should move away from all buildings and overhead wires, drop to ground and cover their heads with their hands. When the area has been determined safe, an all-clear bell will sound, and students will be escorted to a safe area.

**Shelter in Place/Lockdown** - The campus must close down all rooms for safety reasons. Students need to go into the closest open room. Teachers will lock the door, turn off the lights, and shut the blinds. Students will be directed to go to the designated safe area in that room and/or lay on the ground. When the area is determined to be safe, staff or police will evacuate the school; room by room. In the event of a lockdown where police are involved, the police will assume authority for the situation and the school will follow their instructions.

**Parent Action in Case of Emergency** – Remain calm. In the specific cases of emergency where students will be dismissed early, signs will be posted with instructions. School, district, and police instructions will be followed to reunify parents with students. This may take some time, so please be patient.
My Class Schedule: Fill in this table and find a Study Buddy for each period. Tip: Study Buddies are great to have when you have a question about an assignment or you need to get more information after being absent.

EVERYTHING YOU DO AND EVERYTHING YOU SAY, SENDS A MESSAGE

As a Challenger Middle School student, you are in an age group that is both fascinating and complex. You are no longer a “baby,” but you are not yet an adult. You are experiencing biological, physical, behavioral and social changes. Relationships with your friends and family take on new meanings. This time period, called adolescence, can be joyful and painful at the same time. However, it is always a time of growth. You will be dealing with more complex intellectual tasks. You will be expected to behave in a more mature manner and you will be held more accountable for your actions. In other words, you are growing up. We want you to use your innate curiosity, imagination, energy, and idealism to make your school an exciting place to learn and play.

As an adolescent, you now have more control over how you apply yourself to your schoolwork and on the kinds of friends you make. As an intelligent and thinking adolescent, be aware of health hazards to avoid such as involvement with drugs, alcohol, tobacco, and sexual activity. This involvement diminishes your quality of life. Be kind and gentle to yourself, seek the advice and wisdom of your parents/guardians regularly, and talk with your teachers and school counselors. If you use the suggestions listed below, you will be well on your way to “getting set” to succeed in middle school.

- Attend school every day and be on time to class.
- Stay organized, write down all assignments, complete all homework, AND turn the homework in on time.
- Listen carefully, follow directions, and come to class with all the needed materials.
- Schedule time each evening to prepare for the next school day.
- Choose your friends wisely.
- Seek help from your teachers and counselors as soon as you need it.
- Involve your parents/guardians in your schoolwork and school activities.
- Participate in extracurricular activities.
- Improve your computer skills.
- Show respect and consideration for others.
- Make an appointment to talk with your counselor about school, friends, careers, study skills, or any other topics or concerns.
- Strive to do your personal best!
- READ, READ, READ.

Responsibility - Middle school students are expected to be respectful and considerate of others. You, and you alone, are responsible for your behavior. The saying “Everything you say and everything you do, sends a message” means that you are responsible for yourself. Are you what you are saying and doing reflecting the kind of person that you would like to be? Think of ways to improve your behavior: in your classroom, during school activities, on the lunch court, on the PE fields/courts, on school grounds, in your community. If you need assistance in working on ways to improve yourself as a person, contact your counselor. The counselor is trained to help students resolve personal problems.

Safety - Every student has a right to a safe school environment. Each student is expected to behave in a safe manner. If you should ever feel unsafe at any time, please tell any adult in your school or at home.

Expected Student Behavior - Students are expected to behave respectfully at all times. A quality educational environment requires rules, procedures, and consequences. A student who exhibits negative behavior that interrupts the learning environment or jeopardizes the safety of other students or staff will face the possibility of consequences in accordance with district and state policy. Administrators have the duty and are given the authority to assign consequences for any behavior that is considered inappropriate.

School Colors: Royal Blue and Columbia Blue

School Mascot: Christa the Cheetah - Named in honor of Christa McAuliffe, the teacher who perished in the Space Shuttle Challenger accident.

School Motto: The first teacher in space, Christa McAuliffe, was often quoted as to have said, “I touch the future; I teach.” Challenger’s motto is a version of that quotation. “We Touch the Future; We Teach”
CATSpectations – Community, Attitude, Tolerance and Scholarship! The CATS Program encompasses character education, intervention systems, and student recognition in support of the following philosophy:

**Community** – Your community is your neighborhood, family, friends, school, businesses, libraries, parks, etc. Do your best to make it safe, clean, and something to be proud of. It starts with you!

- **Be Caring!**
- **Be Responsible!**

**Attitude** – You are in charge of your attitude each day. You can choose to react to a situation positively or negatively – the choice is up to you!

- **Have Fun!**
- **Be Positive!**

**Tolerance** – The world is made up of all different kinds of people. Wouldn’t it be a boring place if we were all the same? Strive to respect, accept, and learn from each other!

- **Be Compassionate!**
- **Be Accepting!**

**Scholarship** – Always do your best and take pride in everything you do. Push yourself above and beyond people’s (and your own) expectations of yourself. If you always do your best, you will have no regrets. Autograph everything you do with excellence!

- **Explore Your World!**
- **Learn New Things!**

**HISTORY OF CHALLENGER** - Our school is named in honor of the space shuttle Challenger. On January 28, 1986, the space shuttle Challenger disintegrated during lift-off due to equipment failure, ending the lives of all seven crew members. These astronauts: Sharon Christa McAuliffe, the first teacher in space; Francis Scobee, mission commander; Michael J. Smith, shuttle pilot; Ronald E. McNair, mission specialist; Gregory B. Jarvis, payload specialist; Ellison S. Onizuka and Judith A. Resnik, mission specialists, who trained and worked together, represented the hope and diversity of America. The name “Challenger” captures the energy and the inspiration associated with commitment to success. It dares one to go beyond one’s limits, to have high expectations, to touch the future. The crew’s love for their country, commitment to excellence and appreciation of education were elements that led to their success. The memory of that crew will serve as a role model for our diverse student population.

**CHALLENGER MIDDLE SCHOOL POLICIES AND RULES** (alphabetically)

**ACADEMIC HONESTY POLICY** - One of the goals of Challenger Middle School is to teach the values of integrity, honesty, and trustworthiness. Challenger students are upstanding citizens, however, we recognize mistakes may occur. Acts of academic dishonesty may include the following:

- **Cheating on Tests or Assignments** - If a student cheats or knowingly assists another student to cheat, consequences will be imposed.
- **Forgery** - Forgery is imitating or counterfeiting another person’s signatures.
- **Plagiarism** - Plagiarism is copying another person’s work, data, files, homework assignments, and/or textbook material (including any published print and electronic material) and is claiming the work as the student’s own work.

**Why is Cheating a Big Deal?**

You’re taking credit for work or ideas that aren’t your own. It’s dishonest and reflects poorly on your character. You’re not learning the skills you’ll need to succeed in life. If caught, you could fail the course, be suspended, or even expelled in some schools/colleges.

**Theft or Alteration of Materials** - A student is guilty of theft or alteration of materials if the students steals, exchanges, or alters test documents, class materials, and/or teacher’s records. This includes a student involved in selling, distributing or accepting stolen test materials or a student who refuses to cooperate in an investigation of cheating.

**ALCOHOL/TOBACCO/VAPING** - Alcohol, tobacco, vaping, and other drug use and/or possession on campus, going to and from school, and school-related events is prohibited. Students are not to have any form of vaping items or tobacco (smokeless tobacco, chew packets, and betel) in their possession at school or school-related events. Students found with unlawful possession or to be selling a controlled substance can be recommended for expulsion on the first offense.

**ASB – ASSOCIATED STUDENT BODY** - Every student is automatically a member of the Associated Student Body (ASB). The purpose of the ASB leadership class is to promote school spirit and develop leadership. Students are enrolled in the ASB leadership class via an application process. Students are selected based on grades, citizenship, and teacher recommendations. They model leadership and promote teamwork within the Challenger Community.
ATTENDANCE – California Education Code 48200 requires full-time student attendance for all children between ages 6 and 18.

Absences – When a student is absent, the student’s parent/guardian must call, email, or send a note to the Attendance Office. The district’s automated phone message system will make automated phone calls and send automated emails when students are absent or tardy. If an absence has not been cleared after five (5) days, it will be considered “Unexcused.” Please make sure correct contact information is in PowerSchool or on file with the Attendance Office.

Excessive Absences - Students who have excessive absences may enter into a process called Student Attendance Review Board (SARB) which may lead to court intervention if absences continue to be a problem.

Excused Absences – The State of California only excuses certain types of absences which include illness, doctor or dentist appointments, injury, or personal/family emergencies. For details regarding district and state attendance policies, please check the Facts for Parents booklet sent home at the beginning of the school year or the district’s website, www.sandiegounified.org.

Doctor Appointments, Early Dismissal – A parent/guardian must request an early dismissal for a student by sending a note to the Attendance Office with the student. The note should include the student’s name, the date of the early release, the time when the student will be picked up, the reason the student must leave early, and the parent/guardian’s signature. The parent/guardian must also include the name of the person picking up the student. We will not release a student to someone who is not on the approved contact list which is in PowerSchool. When the student presents the note at the Attendance Office, the student will receive a pass to use to leave class at the designated time. The student will sign out and meet the parent in the office. The person signing out the student must present an ID. Any student leaving campus early without a blue release slip is considered truant.

Extended Absences/Contracts – A parent or guardian must notify the Attendance Office (not the teacher) for a Contract of Independent Study five (5) school days in advance. If a contract is not obtained, this absence will be unexcused. Extended trips/personal leaves are discouraged during the school year. Contracts are only available for absences of five (5) or more days.

Letters for Excessive Absences - The district has a set schedule of when letters are mailed home regarding absences they consider to be more than normal. A student’s attendance record may be viewed through the PowerSchool Portal. The Attendance Office will be able to help anyone who has a question or concern.

Tardies and Truancies – All students are expected to be in class and in their seats when the bell rings. Students who are tardy will not be admitted to class without a tardy slip from the attendance office.

BACKPACKS – Students are encouraged to use backpacks, rolling backpacks, or tote bags to carry books. Challenger does not have lockers for books. Many textbooks are available online. Web links and passwords are available from teachers. Teachers will instruct students when to bring textbooks to school. Please do not leave belongings and backpacks unattended, and do not leave valuables in backpacks.

BALLOONS, FLOWERS, BIRTHDAY CAKES – Birthday cakes/food, flowers, balloon bouquets, or other gift items are not allowed on campus. Do not bring them to school or have them delivered.

BICYCLE, SKATEBOARDS, AND SCOOTER SAFETY – Students riding bicycles, skateboard, or scooters to and from school must wear a helmet. Students must walk bicycles, skateboards, and scooters on school grounds. All bikes, skateboards, and scooters must be locked in the bike racks. Students are responsible for securing their bikes, skateboards, and scooters with a personal lock. All bike riders, skateboarders, and scooter riders must obey all traffic laws and school regulations, or face bicycle/skateboard/scooter suspension. The school is not responsible for security for these items in the event of theft or damage. (Vehicle Code 21212). Roller blades and wheelies are not allowed at school.

BULLYING/CYBERBULLYING/HARASSMENT/INTIMIDATION POLICY – In accordance with district policy, bullying, cyberbullying, harassment, or intimidation in any form are prohibited at school or school-related events (including off-campus events). Bullying, cyberbullying, harassment, or intimidation are considered inappropriate behavior and will result in disciplinary action. Bullying is defined as any severe or pervasive act, including written or electronic communications, including but not limited to sexual harassment, hate violence or harassments, threats, or intimidation that causes: a student to fear harm to his or her person or property; substantial harm to a student’s physical or mental health; substantial interference with a student’s academic performance; or substantial
interference with a student’s ability to participate or benefit from school services, activities or privileges.

Cyberbullying includes the transmission and/or posting of harassing communications, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a phone, computer, or any wireless communication device. Cyberbullying also includes assuming the person’s identity in order to damage that person’s reputation. This may include any off campus conduct during non-school hours which poses a threat or danger to the safety of students, staff or district property or disrupts the orderly delivery of the educational program.

**How do I report Bullying?**

At Challenger, teachers, counselors, staff members, and administrators want students to feel safe at all times. When a student believes that he or she is being bullied, there are several ways to report the unacceptable behavior:

1. Students are encouraged to tell the nearest teacher or staff member if they are being bullied.
2. Students can fill out a “Request to See Your Counselor” form (green form located in the Counseling Center and in any classroom).
3. Students can fill out the white half sheet entitled “Report Harassment of Bullying” and put it into the “Stop Bullying box located in the library or give it to any staff member.
4. Students can access the district form to report bullying through the Challenger website: challenger.sandiegounified.org (the link is “Report Bullying” located on the right in the Quick Links section)

**Why Should I Care About Bullying and Violence?**

- They contribute to a negative learning environment.
- Repeatedly abused students may skip school or drop out.
- Witnesses may feel unsafe and unable to focus in class.
- An incident that seems minor can escalate quickly.

**CLUBS/STUDENT ACTIVITIES** – Clubs are offered after school for a variety of interests. They are formed by students and sponsored by a teacher. Information about clubs is announced during advisory and posted on the website.

**COMMUNICATING WITH STAFF** – Parents/guardians may email staff members through the links provided on Challenger’s website or leave a voicemail by calling the school. During the day, teachers are busy teaching students and often have to attend trainings or parent meetings after school. Please allow staff 24 hours to respond to your message. Parents are encouraged to contact the person they would like to see ahead of time before stopping by. The staff will do their best to accommodate drop-in visits, however, parents may be asked to schedule an appointment. A parent/teacher conference may be scheduled at any time during the school year and can be arranged directly with the teacher. If a parent would like to meet with more than one teacher at the same time or would like the child’s counselor to be included in the meeting, please contact the student’s counselor for assistance. If a parent feels like he/she needs more assistance after communicating with the teacher, please contact the student’s counselor or one of the site administrators.

**CONTACT INFORMATION** - Please update PowerSchool contact information including phone numbers and email addresses using a parent account. Home address changes must be made through the Attendance Office and require a new proof of residency.

**COUNSELING AND GUIDANCE** - Every student will have access to the counselor who will be able to help with school or personal problems. The counselor will make any necessary schedule changes, help plan the student’s school program, and provide academic and personal guidance. Students may request an appointment with the counselor by filling out a “Request to See Counselor” form, emailing the counselor, or completing the request form in the online Counseling Center. These forms are available in every classroom and in the Counseling Center. Parents may request an appointment by completing the online request form, emailing, or calling the counselor.

**CROSSWALKS AND TRAFFIC** - All students must walk on the sidewalks and use the crosswalks especially when crossing in the front of the school on Parkdale Avenue. For the safety of our children, parents are asked to obey traffic signs, not make U-turns in front of the school, not block intersections, and stop 30 feet from the crosswalk when pedestrians are crossing. Vehicles must pull over to the curb to load and unload passengers. Please use the loading zones on north and south sides at the front of the school. Help the school to be a good neighbor and do not park in front of someone’s driveway. This is illegal and neighbors have been advised to call the police when this occurs.
DRESS CODE – Challenger Middle School students are expected to dress for success. In an effort to develop considerate, responsible citizens, the following dress code is required for all students and is not negotiable. Clothing and jewelry cannot depict any profanity, weapons, violence, gang-related drugs, alcohol, tobacco, sexual act or be offensive to any gender, ethnicity, or faith. The school assumes no responsibility for loss or theft of clothing or jewelry.

Pants, Shorts, Skirts, Dresses
• Worn at the waist, no underwear showing
• Ripped jeans with holes above the mid-thigh are not allowed.
• Shorts, skirts, dresses, ripped jeans must cover mid-thigh and above

Shirts
• No strapless tops
• No shirts with low cut armholes
• No exposed chest or midriff
• No off the shoulder clothing that exposes undergarments

Shoes
• Must be closed-toe and have a closed back
• No slippers
• Heel of shoe cannot exceed two inches

Hats, Beanies, and Hoods
• Hats, beanies and hoods must be removed when entering a building and must not distract from instruction.
• Hats with visors must be worn facing forward to protect the face.

Jewelry
• Must be appropriate for school and not pose a safety issue

Miscellaneous
• Any clothing, accessories, or colors that are associated with gangs are prohibited; this could include wallet, but not be limited to chains, traditional paisley bandanas, hairnets, excessive jewelry, etc.
• Sunglasses are not to be worn indoors unless prescribed by a doctor
• No pajamas (with the exception of pajama day during spirit week)

Dropping Off Items for Students – We want to encourage students to become independent and responsible. In addition, we want to minimize interruptions to student learning. When the door opens to a classroom, learning stops, as everyone turns to see who is entering the room. To that end, we ask that parents not drop off any items at school for their student. Please help your student prepare for school by setting up an area at home where all school items are placed the night before.

Eighth Grade Activities and Promotion Ceremony Participation - Challenger’s first priority is preparing students for high school both academically and socially. We look forward to celebrating the accomplishments of our eighth graders at the end of the school year with an end of year activity and promotion ceremony. In order for eighth graders to be promoted to high school and participate in these activities, it is essential that students maintain appropriate academic progress and behavior throughout the school year. Any behavior problems at any time may be cause for students to be ineligible for all 8th grade related activities or promotion activities. The participation criteria will be distributed to students and parents in the fall and posted on our website.

Electronic Device Policy - Electronic devices include, but are not limited to, cell phones, smart watches, tablets, cameras, iPods, and MP3 players.

All electronic devices shall be turned off and kept out of sight during the school day. This means students are not allowed to talk, text, or record during passing period, class time, lunch time, and testing time except when being used for a valid instructional or other school related purpose as determined by the teacher or other district employee. A student who brings an electronic device to school is responsible for ensuring that ECD does not disrupt class or any school function. If an electronic device rings or vibrates during class or other school activity, it will be confiscated and consequences will be issued as outlined below. The school is not responsible for any lost, stolen, or damaged personal electronic devices.

Students are required to follow Network Use Guidelines – unauthorized use and violations will result in the confiscation of the electronic device. Under Education Code Section 48901.5, the school is authorized to regulate possession or use of Electronic Communication Devices by students who are on campus, who attend school-sponsored activities, or who are under the supervision of school district employees.
Any device with camera, video or voice recording function shall not be used in any manner which infringes on the privacy rights of any other person and they must be turned off and kept out of sight when in the PE locker room and bathrooms. A student is prohibited from using an electronic device’s camera and/or video functions except when being used for a valid instruction or other school related purpose as determined by the teacher or other district employee, while on campus, while at a school activity, or while under the supervision of school staff whether on or off campus.

Students who engage in inappropriate use, access or sharing of personal, school or individual electronic data will be subject to disciplinary action. Inappropriate electronic communication which is demeaning, harassing, bullying or teasing based upon sex, race, ethnicity, religion, disability (physical and mental), sexual orientation or perceived sexual orientation may be subject to legal and/or disciplinary action. These guidelines apply when going to and from school or to and from a school-related activity on school grounds and at any school-related activity supervised by school personnel.

Electronic devices must not be used for bullying, harassing, threatening, or teasing of students or school staff. Electronic devices must not be used to send threats and must not contain photos that are sexually explicit, photos of illegal activities, or photos of unlawful drugs or drug paraphernalia.

If a student brings an ECD to school, the site Administrators reserve the right to search electronic devices and review photos, videos, voicemail messages, text messages, and any other capabilities when there is reasonable suspicion and/or when the law otherwise allows. If a parent objects to the school viewing items on the phone or listening to or reading messages, then the parent shall not allow the child to bring an electronic device to school. The school may also share the electronic device with police.

If a student whose electronic device has disrupted the school refuses to turn their electronic device over to staff immediately when requested or if a student uses a electronic device in a manner that violates this handbook or other school rules, the student will be disciplined for disruption and/or willful defiance, which may include after school detention, In-School-Suspension, or Suspension, and the student may be prohibited from bringing an electronic device to school or activities.

FINANCIAL OFFICE – Students may purchase school items such as PE clothes, locks, yearbooks, and spirit wear at the finance office. Items may be also purchased online through the SchoolCash Online website and picked up from the finance office. Student Hours: Before School - Opens 15 minutes before the start of school and closes 5 minutes before the first bell so students will be on time to class; Lunch - last 15 of student’s lunch; After School - 15 minutes after school ends. The finance office accepts cash or checks. Personal checks are to be made payable to Challenger Middle School. Payment by check is accepted through the month of April. Checks must be written for exact purchase amount only. We are unable to make change for large bills.

GOOD NEIGHBOR – Help Challenger be a good neighbor by obeying traffic laws, respecting other people’s property, and throwing your trash away in proper receptacles. Please do not honk your horn.

GRADE REPORTS – All students are expected to maintain passing academic grades and good citizenship. Students are issued a progress report every six weeks with the final report card issued at the end of each semester. Student progress, progress reports, and report cards are viewable via the Internet with a PowerSchool account. Parents may contact teachers via phone or email to receive additional progress information. If a parent or student does not have access to the Internet, parents may contact the student’s counselor. Grade reporting dates are listed on our website, and the flyer entitled, Dates to Remember, which is sent home on the first day of school. Please mark important dates on home calendars.

HEALTH SERVICES
- All on-campus injuries must be reported to the Health Office.
- All students must have a current Health Information Exchange Consent card (goldenrod) on file in the Health Office. Please inform the Health Office of any health concerns that would impact your student during the school day.
- Students must meet immunization requirements – please refer to Facts for Parents booklet for detailed information.
- Medication – Medications are not allowed to be carried by students with the exception of some e.g. inhalers. Please check with the Health Office for more details. All forms mentioned below are available at the Health Office and must be updated annually.
Prescribed and Over-the-Counter Medications Routinely Needed at School: If prescribed and over-the-counter medications are routinely required at school, a Physician’s Recommendations for Medication During the Day form is required to be completed by a physician and brought in with the medication by parent/guardian.

Asthma and the Use of Inhalers at School: Students who use inhalers at school as prescribed by their physicians must have an Asthma Action Plan form on file in the Health Office. The plan will determine if an inhaler is kept in the Health Office or carried and self-administered by the student.

Allergy Medications: Students who have allergies that require antihistamines or epinephrine (Epi pen) must have an Allergy and Anaphylaxis Emergency Plan form that has been completed by a physician and brought in with the medication by parent/guardian.

Homework - Homework helps students become self-directed, independent learners, and improves academic achievements. We believe homework should enhance learning while allowing a balanced life. Homework assignments are purposeful, relevant, and designed to support student learning. Parents are encouraged to take an interest in the homework activities of their children and provide conditions that are conducive to good study habits. So far as possible, homework is adjusted to the goals, abilities, and interests of students. Some students may require more time for study than others, and different subjects require different amounts of homework. Therefore, the amount of homework per day may vary. If the time spent doing homework exceeds the following guidelines, please contact your child’s teacher.

- 60 minutes per day for 6th graders
- 70 minutes per day for 7th graders
- 80 minutes per day for 8th graders

While it is possible that homework may be given on weekends, holidays, or breaks, we will strive to keep this to a minimum.

ID Cards - ID cards are required for many school activities. The first one is distributed on Picture Day. Replacements are available at the Financial Office.

Launchpad/Student Store – Open during most lunches, students can purchase snacks and school supplies at the student store operated by CMS PTO parent and student volunteers. The student volunteer application period and store hours will be announced during advisory.

Library – The Library Media Center is open daily. Students may visit on their own before school, after school, and during lunch. During class hours, students must have a pass from the teacher to be admitted. The library staff is here to help. Be sure to ask for help if assistance is needed. School work may be printed for free – only greyscale is available. Please observe the following rules when using the Library Media Center:

- Students must have a pass in order to go to the library during class time.
- Books are checked out at the circulation desk only with an I.D. card.
- Observe the due dates stamped in the borrowed books. Books are checked out for two weeks.
- Drinks, gum, and food are not allowed.
- Be considerate. Loud talking or disruptive behavior is not allowed.
- The library is a cell phone/electronic communication device (ECD)-free zone, meaning all cell phones and ECDs must be turned off and placed out of sight while in the library. This includes during the school day, but also before and after school.

Textbooks will be issued through the Library Media Center. All textbooks issued to students must have a protective book cover. Although all textbooks are furnished free of charge, students are required to pay for any losses or damages beyond “normal wear.” If a book is lost, the student must pay for the cost of the book.

Lost & Found – Please turn in valuable items such as wallets, watches, purses, jewelry, electronic devices, etc. to the Financial Office. Please turn in clothing and items such as notebooks to the Lost & Found area near the lunch court. All found textbooks or library books should be turned in to the library. Unclaimed found items will be donated to charity at the end of each semester.
MEALS — Good nutrition makes for healthy bodies and healthy minds. Students should have a good breakfast before coming to school so they are ready to learn. Breakfast is available at the school’s cafeteria before school. Food and beverages that are sent to school should be nutritious and low in sugar content. Energy drinks such as Red Bull, Monster, and sodas are not allowed.

MESSAGES FOR STUDENTS — The office will only take a message for a student in cases of emergency.

MOVING/ADDRESS CHANGE - Please notify the Attendance Office whenever a student moves to a new address. If the student will be moving to a different school, the Attendance Office must be notified a few days in advance so transfer documents can be prepared.

PARENT ACCOUNT IN POWERSCHOOL - Parents/guardians are highly encouraged to sign up for an account in PowerSchool by contacting Challenger’s site technician which will enable parents to monitor their student’s homework assignments, grades, test scores, state test scores, and attendance via the Internet. Parent accounts have the ability to update contact information such as phone numbers and email addresses. Students will receive their student account information for PowerSchool via their teachers at school.

PARENT INVOLVEMENT — Parents are a critical part of a student’s support system. Challenger encourages and expects involvement at all levels including our volunteer program, PTO, and several parent committees. Parents are encouraged to look at their student’s planner each week to make sure the student is establishing good organizational habits by keeping track of assignments, tests, and quizzes. Regularly viewing the information listed in PowerSchool and checking the school’s website for school news will help in monitoring a student’s progress.

PASSES - No passes will be issued the first or last ten minutes of each period. When leaving a classroom, students must have their planner/pass signed by the teacher.

PE UNIFORM — Challenger Physical Education shorts, crew neck t-shirts, and a weight room (hand) towel are the PE uniform. Students have the option to purchase PE shirts and shorts from Challenger. It is recommended students have a substitute set of gym clothes kept in a large zip-lock bag in their locker in case the primary uniform has been forgotten. The Sub Set consists of a set of socks, one crew neck t-shirt, and one pair of shorts in plain gray or blue. A plain gray or blue crew neck sweatshirt and sweatpants may be worn during cold weather. The clothes used for the Sub Set and sweats cannot have hoods, pockets, logos, buttons or zippers. For safety reasons students must wear shoes that tie. When physical education attire becomes torn, ripped or defaced such as writing other than name, the garment must be replaced. Clothes such as sweaters, jackets, shorts or shirts may not be worn over or under the physical education uniform. Students are encouraged to have a combination lock on their PE locker. PE clothes and locks may be purchased at the Financial Office.

PLANNER —Every student is provided with a planner. The planner is a communication and organizational tool. It is a tool for STUDENTS will use the planner each day to write down homework assignments, upcoming projects, and future test dates. PARENTS are strongly encouraged to review your student’s planner.

RAINY DAY PROCEDURES - Students are asked to walk under the covered walkways and stay out of the rain as much as possible. PE classes will conduct indoor activities. Students may eat lunch under the covered patio area or in the auditorium. Students should wear appropriate footwear, clothing, jackets, and outerwear to protect them from the cold and wet weather. Umbrellas are permitted at school when used properly for inclement weather. Please monitor weather reports and arrange alternative transportation if necessary. Traffic congestion is always worse on rainy days and is not an excused reason for tardiness. Please plan ahead and leave the house early.

SCHEDULE CHANGES — Our goal is to develop a master schedule that allows students to be placed in the appropriate core classes (English, Math, Social Studies, and Science) based upon their academic needs at the same time participating in one of their top three elective choices. There are a variety of reasons why a student may not receive one of their top three elective choices: 1) There may be a conflict between the core class and the elective class; 2) The student chose an elective that requires a prerequisite; or 3) The elective class may be full. In the event a schedule change is made, counselors may need to change the entire schedule (including core teachers). This frequently occurs when a parent is requesting their child be scheduled into an elective that is not offered during the same period as their current elective. In order to make elective changes, counselors monitor the list of no-shows dropped during the first two weeks and analyze the list of change requests in an attempt to identify patterns and open seats. This task takes two weeks. Therefore, no schedule changes will occur until after the second week of school. No other schedule changes will be made for the duration of the school year unless academic status has necessitated a change. All schedule change requests must be approved by the principal. We do not accept requests to have or to not have a certain staff member.
SHUTTLE COURT – Challenger’s Shuttle Court, located at the front of the school, is named after the life-size mosaic of a space shuttle in the center of the courtyard. Students may gather in the Shuttle Court before school begins. The school also uses it for events such as the space shuttle memorial ceremony and 8th grade promotion ceremony.

SPORTS ELIGIBILITY – To participate in the district’s Middle School Athletics program, students must have a minimum of a 2.0 GPA in both academics and citizenship on the most recent grading period.

STUDENT FUNDRAISING – The only fundraising allowed on campus is for school sponsored activities. No other candy or food can be sold on campus. Students may not sell candy from school fundraisers on campus. Students are responsible for their own fundraising items.

STUDENTS IN NEED - Please contact the student’s counselor if the student is having financial difficulty and needs assistance with school items. The counselors also have information to help families connect with outside organizations for additional resources.

TECHNOLOGY ETIQUETTE - Be polite. Do not send abusive messages to anyone. Use appropriate language. Do not use profanity or use any other inappropriate language. Maintain privacy. Do not share passwords. Do not reveal the personal address, phone numbers, personal web sites or images of yourself or other persons. Respect copyrights. Print only when necessary.

Behavior Not Allowed:
1. Information that violates or infringes upon the rights of any other person.
2. Bullying by using information and communication technologies (cyber-bullying).
3. Defamatory, inappropriate, abusive, obscene, profane, sexually oriented, threatening, racially offensive or illegal material.
4. Advertisements, solicitations, commercial ventures or political lobbying.
5. Information that encourages the use of controlled substances or inciting a crime - any illegal activities.
6. Material that violates copyright laws.
7. Vandalism, destruction of property, unauthorized access, “hacking,” or tampering with hardware or software, including introducing “viruses” or pirated software. (P.C. 502).

TECHNOLOGY/NETWORK ACCEPTABLE USE CONTRACT – Board Policy 6163.4 and Exhibit 6163.4 provide information about the privileges and responsibilities of using the Internet, district networks and electronic communication devices (ECDs) as part of the educational experience. The Facts for Parents booklet sent home on the first day of school contains a Technology section which addresses student access to technology, responsibilities, acceptable use, prohibited uses, privileges, network rules and etiquette, cyber-bullying, security, vandalism, cellular telephone and electronic signaling device policy. Each student and parent is asked to sign the Universal Form in the Facts for Parents booklet to indicate they understand and agree to these rules.

VALUABLES – Students are strongly encouraged NOT to bring anything of value to school. Never leave purses, backpacks, personal property, or objects of value unattended, even for a few seconds. Administration will not investigate lost/stolen valuables such as AirPods, cell phones, toys, etc. The school is not responsible for lost or stolen items. If a student must bring money on campus, it should be kept in the student’s pants’ pockets and not kept in a backpack.

VISITORS - For security purposes, visitors are asked to sign in at the Main Office and state their purpose for the visit. Parents are welcome at any time. Classroom visits must be arranged with the individual teacher prior to the visit. Students not enrolled at Challenger are not allowed on campus at any time unless accompanied by a parent.

DO NOT BRING VALUABLES TO SCHOOL

Students are advised never to leave purses, backpacks, personal property, or objects of value unattended, even for a few seconds.
SCHOOL CODE OF CONDUCT/DISCIPLINE PLAN

The Challenger Middle School staff is committed to helping students be successful by always doing their personal best! Attaining your personal best is the responsibility of the student, his/her parents, and school personnel.

**Parent Responsibility** - Teach your children behavior appropriate to achieving good citizenship and good work habits in school. Communicate with your child’s teachers on a regular basis. Know and support district and school rules. Cooperate and support the school in maintaining proper standards for students and the appropriate consequences.

**Student Responsibility** - Work hard at attaining your personal best. Respect yourself, your classmates, all Challenger staff, and our beautiful campus. It is the student’s responsibility to read and be aware of school policies. Always maintain a positive attitude, do your best, and come to school prepared every day.

**School Personnel Responsibility** - Establish and maintain the standards that are needed to achieve a positive learning environment. Teach and review rules with students. Communicate with parents.

---

**Assault** – Any student who is involved in an unprovoked attack or an assault on any student or adult (verbal or physical threat or action) may be suspended from school and may be referred to the School Police Services Department, which may conduct an investigation for possible expulsion. (P.C. 240.242, E.C. 44014).

**Defiance** – Not following school rules and/or instructions from staff members is defiance. This behavior will be addressed under the Student Support & Response to Behavior plan.

**Disruption** – Any student who deliberately disturbs classroom instruction or school activities will be addressed under the Student Support & Response to Behavior plan. (E.C. 10609)

**Electronic Devices** – Please refer to the above section entitled, “ELECTRONIC DEVICE USE POLICY” for details.

**Explosive/Flammable Objects** – Possession or use of any explosive such as firecrackers, poppers, bomb bags, stink bombs, or similar items may result in an immediate suspension from school. This section applies to the possession/usage of matches and lighters as well. Be advised that the Municipal Code of San Diego, Section 53.10(b)(2) states that “It is a misdemeanor to possess or explode firecrackers on campus.” A referral may be made to School Police for violations of this provision.

**Extortion or Threats** – Any students involved in obtaining money or other possessions of value through the use of intimidation or violence may be suspended. An investigation by School Police Services may be required. (Extortion: P.C. 518, Threats: P.C. 519)

**Fighting** – Fighting, including play fighting, is strictly forbidden. Students who fight will be referred to administration.

**Food and Drink** – Only water is allowed in the classroom. Gum, candy, and soft drinks are not allowed on campus. These items apply to lunch time as well. If brought to school, they will be confiscated by staff and will not be returned. Food and drink are not allowed outside of the lunch court area at any time and if a violation occurs will be confiscated and not returned.

**Gambling** – Gambling in any form is prohibited by state law. Gambling is defined as wagering or betting money on the outcome of any activity. Students who are involved in this activity will be referred for disciplinary action. Students should not have dice or cards or anything that can be considered a gambling device in their possession at school. These items will be confiscated and returned at the discretion of the principal. (Administration Code 301, E.C. 10601-10609)

**Instigating** – Students who instigate problems, unsafe situations, or misbehavior will be considered a participant and will be referred to administration.

**Laser Pointers** – No student shall possess a laser pointer on campus. (P.C. 417.27) Pointing a laser pointer in a threatening manner may be a misdemeanor. (P.C. 417.25) Laser pointers will be confiscated and returned to the parent at the discretion of the principal.
Leaving Campus Without Permission – Students may not leave campus without permission. Leaving campus without a "Blue Slip" (Absence Excuse Slip) is considered a truancy.

Misbehavior Going To and From School – Students are subject to disciplinary action for any form of misbehavior in the process of going to and from school.

Profanity - No profanity or pornography is allowed on campus. The use of offensive words or profanity violates the school conduct code and is unacceptable. Obscene actions, possession of pornographic materials, or habitual profanity will lead to disciplinary action. Obscene or pornographic items will be confiscated and may be returned to parents at the discretion of administration.

Public Displays of Affection – Also known as PDAs (kissing, romantic embraces, etc.) are not allowed.

Theft – Any student involved in the theft or attempted theft of school or personal property may be suspended. This includes receiving stolen property. School Police Services contact may be required. Challenger administration and staff strongly encourage students NOT to bring any valuables to school due to theft risk. Students are encouraged not to bring large amounts of money to school or to leave backpacks/purses unattended. Thefts must be reported immediately to administration.

Toys - (such as yo-yos, darts, baseball cards, electronic games, fingerboards, water guns, squirt bottles, squirt guns, pacifiers, marbles, stuffed animals, etc.) are not to be brought on campus. They will be confiscated and returned at the discretion of administration.

Vandalism – Anyone who maliciously damages or defaces school property or that of another person is required by law to pay for damages. This includes defacing school property with permanent marker or felt pen. Students will be referred to administration for disciplinary action. Parent and possible police contact may be required. (P.C. 594) Permanent pens (i.e sharpies), whiteout, and aerosol cans are not allowed at school and will be confiscated.

CONSEQUENCES - Students who do not follow school rules and procedures are subject to disciplinary action by a school staff member. This action may take the form of restorative justice, lunch detention, after-school detention, a parent conference, an intervention plan, lunch clean-up, in-school suspension, suspension from class, suspension from regular school attendance, or expulsion. For additional information regarding violations and the associated consequences, please refer to the School Code of Conduct/Discipline Code—Cause & Effect.

Levels of Support:

Level 1: A Level 1 behavior is one which requires low level interventions that can be provided by the classroom teacher or support staff member. Behaviors are typically addressed at the time that they occur, and do not require documentation in PowerSchool. Classroom documentation and parent/guardian communication by a certificated staff member involved in the event is recommended.

Level 2: A Level 2 behavior is one which requires more intensive interventions than a Level 1 behavior, and which may or may not require administrator involvement. Formal documentation should be utilized through site referral procedures and parent/guardian communication is required to ensure students receive the support needed to understand and correct behavior.

Level 3: A Level 3 behavior is one which requires immediate administrative involvement and written documentation in PowerSchool. Level 3 behaviors violate municipal codes and/or laws, are severe, or pose a threat to the physical safety of the individual student and/or others. Written formal documentation describing interventions initiated, conducted or attempted, and parent/guardian communication is required.

Level 4: A Level 4 behavior requires immediate intervention and administrative involvement with written documentation of interventions previously in place. Level 4 behaviors may involve immediate suspension and a mandatory recommendation for expulsion. Formal documentation and parent/guardian communication is required.

SAN DIEGO UNIFIED SCHOOL DISTRICT: Student Nondiscrimination and Sexual Harassment Policy
NOTICE OF STUDENT NONDISCRIMINATION

San Diego Unified School District is committed to equal opportunity for all individuals in education. District programs and activities shall be free from discrimination, harassment, intimidation, and bullying by reason of the following actual or perceived characteristics: age, ancestry, color, mental or physical disability, ethnicity, ethnic group identification, gender, gender expression, gender identity, genetic information, immigration status, marital or parental status, nationality, national origin, actual or perceived sex, sexual orientation, race, religion, or on the basis of a person’s association with a person or group with one or more of these actual or perceived characteristics.

Students who violate this policy may be subject to discipline, up to and including expulsion, in accordance with district policy, administrative procedure and state law.

Employees who violate this policy shall be subject to discipline up to and including dismissal. Any disciplinary action shall be in accordance with applicable federal, state and/or collective bargaining agreements.

Reference Board Policy (BP) 5145.3 and Administrative Regulation (AR) 5145.3 for full policies.

NOTICE OF TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES

The United States Code of Federal Regulations, Title 34, Section 106.8 requires the district to issue the following notification to students at all grade levels and their parents/guardians:

The San Diego Unified School District does not discriminate, nor does it permit discrimination, on the basis of sex in any education program or activity that it operates. The prohibition against discrimination on the basis of sex is required by federal law (20 USC 1681-1688; 34 CFR Part 106) and extends to employment. The District also prohibits retaliation against any student for filing a complaint or exercising any right granted under Title IX.

Title IX requires a school district to take immediate and appropriate action to address any potential Title IX violations that are brought to its attention.

The district has designated and authorized the following employee as the district’s Title IX Coordinator to address concerns or inquiries regarding discrimination on the basis of sex, including sexual harassment, sexual assault, dating violence, domestic violence, and stalking:

Lynn A. Ryan
Title IX Coordinator
San Diego Unified School District
4100 Normal Street, Rm 2129
San Diego, CA 92103
(619) 725-7225
lryan@sandi.net

Any inquiries about the application of Title IX, this notice, and who is protected by Title IX may be referred to the district’s Title IX Coordinator, to the Assistant Secretary for Civil Rights of the U.S. Department of Education or both.

Any individual may report sex discrimination, including sexual harassment, to the Title IX Coordinator or any other school employee at any time, including during non-business hours, by mail, phone, or email. During district business hours, reports may also be made in person.

Upon receiving an allegation of sexual harassment, the Title IX Coordinator will promptly notify the parties, in writing, of the applicable district complaint procedure.

To view an electronic copy of the district’s policies and administrative regulations on sexual harassment, including the grievance process that complies with 34 CFR 106.45, please see Board Policy (“BP”) 5145.7 and Administrative Regulation (“AR”) 5145.7 entitled “Sexual Harassment;” and, BP 5145.71 entitled “Title IX Sexual Harassment Complaint Procedures.”

To inspect or obtain a copy of the district’s sexual harassment policies and administrative regulations, please contact the Title IX Coordinator. Materials used to train the Title IX Coordinator, investigator(s), decision-maker(s), and any person who facilitates an informal resolution process are also publicly available on the district’s web site or at the district office upon request. 2/2/21
