Priorities 2024 – 2025

Safe, collaborative, and inclusive culture. Transformation of school climate and culture.

- Decrease chronic absenteeism
- Decrease suspensions (8th grade focus)
- Increase ADA
- Increase SEL/CalSchls participation
- Decrease occurrence of assault/battery incidents
- Decrease lunchtime incidents

Challenging Curriculum, Accelerated Learning, High Expectations
Prioritize instructional practices and differentiated instruction

- Increase overall school performance on ELA and Math grade level standards
- Increase performance of our English Learners on state wide assessments
- Improve student achievement on FAST
- Increase completion rate of DEMI
- Improve application and communication level on DEMI

Special Education
Meeting the needs of all of our students

- Increase the percentage of meeting or exceeding grade level standards in ELA and Math
- Increase number of students with a 2.0 GPA
- Maintain and keep IEP’s in compliance
- Work alongside teachers to help differentiate instruction

English Language Learners
Meeting the needs of all of our students

- Improve students making progress on English Learner Progress Indicator
- Increase student proficiency on ELPAC
- Increase number of students who are reclassified
- Provide specific ELD/ALD classes
- Build student knowledge of the reclassification

Graduation/Promotion Rate
Ensuring all students graduate/promote to the next level

- Decrease the number of 9th graders graduating with a GPA lower than 2.0
- Decrease number of middle schoolers promoting with D’s and F’s
- Increase number of student promoting from 8th grade to 9th grade

Family and Community Engagement
Expanding our community beyond the school walls

- Increase parent engagement at Coffee with Principals
- Increase family engagement workshops
- Increase PTSA membership meetings
- Increase ELAC participation
- Increase parent participation on CHK survey
- Increase family and community communication
