Good Afternoon, Marauders.

And, just like that, Semester One has come to a close. It is wild to think that we are at the half-way mark. Semester Two always flies by, so be sure to talk with your students about finishing the year strong.

Friendly Reminder:
This school year ends on Thursday, June 6th and the 24-25 School Year will begin on Monday, August 12th.

There is another M6 (Saturday School) session scheduled for tomorrow - please encourage your student to attend if they need support ahead of the end of the semester or need to clear absences for the Winter Formal.

I want to congratulate Ivorii Seals for reaching 1,000 career points at Mira Mesa High School. She reached this milestone in the 3rd quarter of last Friday’s game and we were able to celebrate her that night. Congrats, Ivorii!

Winter Formal is on Friday, January 26th and tickets are still available! ASB has been hard at work planning this event for our students. Tickets are $30 and are available at the Finance Office.

Sandburg Elementary is hosting a Math & Science Night on January 26th and is need of volunteers. If your student is interested in volunteering, please have them sign-up at the link included in the flyer on the next page.

Thank you.

ARTICULATION
Councilors were at Challenger MS and Wangenheim MS January 4th-9th for articulation. We have also been meeting with any of our 9th-11th grade students for articulation that we may have missed. At this point, students who have already met with their counselors are unable to request course changes for the next school year until further notice while we work on the next phase of getting schedules ready for the 2024-25 school year.

SEMESTER ONE COLLEGE COURSES
For any students who took a college class the first semester, those grades are not yet processed. They will be processed soon and should be viewable on student transcripts the first week of February.

SEMESTER TWO COLLEGE COURSES
The 2nd semester college classes start the week of January 29th. The Power School Student Portal is currently open so students can view their schedule including when their college classes will begin and if the classes will be online or in person. It is very important that all students check their schedules to ensure they are attending the correct classes. Most schedules did not change, but there are some that have changed.

SCHOLARSHIP OPPORTUNITY - TEACH-LEAD SAN DIEGO
The counseling department hosted staff from TEACH-LEAD San Diego January 11th to talk about a scholarship opportunity for our seniors interested in pursuing a STEM or teaching career. Last year we had two seniors earn this scholarship. Here is the link to the scholarship application: https://www.sdef.org/

FAFSA
The new Free Application for Federal Student Aid (FAFSA) is now open, and there are still glitches. Reports indicate that most of the issues are occurring for parents creating their FSA ID. Parents may need to reach out to FAFSA to resolve this issue or the student and parent can attend workshops to get support. There are fliers at the end of the Mask that show workshop dates. Seniors can attend one of our workshops Tuesdays and Thursdays at lunch as well.
