Principal's Message

Good Afternoon, Marauders.

8 MMHS Students have been diligently preparing to take on the Aspen Challenge. For 8 weeks, they worked hard, creating something to tangibly support our students’ well being. These remarkable students presented their project on Wednesday and they won one of three grand prizes - a trip to the Ideas Festival in Aspen, Colorado! Congrats, Aspen Challenge Crew - you all are amazing.

Next week, AP Exams begin, and will continue through Friday, May 17th. If your student is taking an exam, please encourage them to eat nutritious food, hydrate, and to get good rest. Students taking a digital exam must use an SDUSD laptop for the exam.

On Monday, 4/22, pre-registration packets went out to all 9th, 10th, and 11th grade students. The packets should have been completed and returned already. If you haven’t done so already, please complete and return the packet to the front office on Monday morning.

It’s time for the 2024-25 LCFF Income Survey! San Diego Unified launched the 2024-25 LCFF data collection on April 19 using PowerSchool Parent Portal and SurveyMonkey. Parents may submit a response via either method; please note that an email from “rrode@sandi.net via surveymonkey.com” is legitimate. The results of this survey are used to determine the Title I eligibility of the site - If you have questions, please contact Amanda Courtney at acourtney@sandi.net.

Have a great weekend, Marauders.

Thank you.

SENIOR REVIEWS
Counselors conducted senior reviews for our seniors who may be at-risk for earning a diploma this June. They signed letters that will be mailed and emailed home indicating the areas of concern. Senior grades will be processed May 31, so seniors still have time to improve grades. If they are struggling to pass a class, they need to talk to their teacher about a plan to pass.

AP EXAMS
AP testing is from May 6-17. Students who are testing and their parents/guardians will receive an email approximately a week prior to their test with important testing information. Visit our Testing and Test Prep site for additional AP testing information: https://sites.google.com/sandi.net/mmhscounseling/academic-information/testing-and-test-prep

FINANCIAL AID
The deadline for seniors to submit financial aid applications was May 2nd. Students can still submit an application after this date, but if they qualify for aid, the amount they receive will be less than students who submitted by the deadline. Please contact your child’s counselor if you have questions about financial aid.

MIRAMAR COLLEGE
If your child is a senior planning to apply to Miramar College, here is a link with the steps needed to complete the application, do an orientation, meet with a college counselor, and register for classes: https://sdmiramar.edu/future-student. The sooner seniors complete these steps, the soon they will get a registration date to select classes.
