Principal's Message

Good Afternoon, Marauders.

Open House will be held on Wednesday, 9/27 at 5:30PM. We will start the evening in the Media Center for a brief presentation before we begin our classroom visits at 6PM. We hope to see you on 9/27!

Tomorrow is another M6 session (Saturday School). If your student has been tardy/absent and plans on attending the upcoming Homecoming Dance, they should plan on attending M6 to clear their attendance ahead of purchasing a ticket.

Parking permits are being enforced. Cars found to be parking in the parking lots without permits will be cited. Parking permits are still available for purchase at the Finance Office.

At the start of the 2023-2024 all TK-12th grade students enrolled in a non-charter San Diego Unified School District school will be registered for a Student EXCEL Library Card account.

With the Student EXCEL Library Card, students can:
- Borrow up to 3 books or audiobooks from any San Diego Public Library location.
- Borrow up to 5 eBooks from our eLibrary.
- Receive free online, one-on-one homework tutoring in English or Spanish in all major subjects.
- Receive access to databases and resources through our Distance Learning Center, using the Student Excel Library Card number or Student ID number.
- Use public library computers at any of the library locations.

And there are no fines or fees! Cards will be distributed to student next week. A representative from the library will be on campus and they can activate the cards during lunch.

Have a great weekend.
Principal Sabins

Our store has been restocked with new snacks and is still opened for the entire lunch!

SUICIDE AWARENESS AND PREVENTION MONTH
September is Suicide Awareness and Prevention Month. People thinking about suicide may have warning signs such as talking about wanting to die, feeling like they are a burden to others, feeling hopeless or having no reason to live, withdraw from friends, give away important items, or take dangerous risks? These people often do not want to die, but they want their pain to end. If our students or their friends show similar warning signs, students are urged to tell an adult on campus right away. They can also text 988 for a Suicide and Crisis Lifeline or get a suicide hotline number from the back of their ID card. One simple text can save a life.
