Hello, Marauders.

As 2022 comes to a close, I am filled with deep gratitude as I look back on this year. It is a true honor and joy to be the Principal of Mira Mesa High School. The faculty and staff are the best of the best. The students and families are truly remarkable. This is a special place and I am so thankful to be here.

Students and Staff have certainly earned a break, so I hope you all take time to rest, relax, and spend time with those you love. School will be closed through Monday, January 2nd and will resume on Tuesday, January 3rd.

Athletic competitions will continue over break; please check the calendar for home competition schedules. Our student athletes would love the support as they compete.

When we return in January, there are just a few weeks before we wrap up Semester One with finals on January 18, 19, and 20.

Enjoy the two weeks off - see you in the new year.

Happy Holidays!

Have a great Winter Break, Marauders!
New Issue!

Marauder Marquee Presents: December 2022 Issue!

Read about current events and topics such as the World Cup, Abortion, and UC Walkouts! Interested in a new show to binge during break? Read about the Netflix show recommendation!

December 2022 Volume 1
Counseling News

WORK PERMITS
Students will not be able to get work permits processed over the winter break. Here is a link to our work permit page https://sites.google.com/sandi.net/mmhscounseling/work-permits, and Mrs. Lemmon will be happy to process work permits when we return. Her office is in the Counseling Office.

FINANCIAL AID WORKSHOPS
Counselors will host six more financial aid application workshops in January. Seniors need to submit the FAFSA or the California Dream Act Application for the 2023-24 academic year. For students who submit the FAFSA, if they are eligible, they should use the IRS data retrieval tool on the financial information section because it will help to reduce errors on the application. Encourage your child to use the two-week break to complete their application. They are not due until March 2, but there are more financial aid opportunities available earlier in the application cycle for eligible students.

PSAT RESULTS
For juniors who took the PSAT in October, they should have received an email from CollegeBoard or Mrs. Amato notifying them that their results are viewable on their CollegeBoard account. Juniors who have questions about how to access their PSAT scores can see Associate Principal Bice in the Main Office.

PRIVATE COLLEGE APPLICATIONS
For seniors applying to private colleges and universities, if they have college application questions over the break, they need to contact the office of admissions for the colleges they are applying to get their questions answered.
Spring Camp 2023
All-New Curriculum & All-New Activities!
Open to 8th - 12th grade students
All-Virtual Camp on Saturdays (1/28/23-2/25/23) from 10am-12:30pm
