Principal's Message

Hello, Marauders.

If your student is missing their water bottle, please encourage them to check the "Lost & Found" near the Supply Room (in the "Tree Room") in the 400 Building. As you can see, in the photo above, there is quite a collection, and it grows day after day. There are other items in the "Lost & Found" as well; if your student is missing something, they should check there first.

Thank you, to everyone who took the time to complete our Needs Assessment Survey last week. The data collected will be reviewed and will help to guide conversations and decision-making as we head into our annual SBB Build in the coming weeks.

We have been tasked with asking our parents/guardians to complete the OWLS (Operation World Language Success) survey. The purpose of this survey is to receive parent/guardian input for the enrollment of their child in a World Language course for the 23-24 school year.

Tonight, we host another Friday Night Basketball double-header with Girls Varsity taking on Canyon Hills at 6PM and Boys Varsity taking on Scripps Ranch at 7:30PM. While we host Varsity Basketball here at home, Girls Soccer is taking on Scripps Ranch at Scripps Ranch, with the JV starting at 4PM and Varsity starting at 6PM. Tomorrow, Wrestling heads to the City Conference Championships at Lincoln High School. Best of luck to all of our amazing student-athletes.

Have a great weekend, Marauders!

ARTICULATION – 9th GRADE
Articulation began Friday with our freshman. Counselors were in frosh English classrooms to do a presentation on: graduation requirements, college entrance requirements, which classes they can take for 10th grade, and how to input their classes in their PowerSchool Student Portal. Click here for a link to the slide deck: Please know that this is a very busy time for counselors, and it will take longer for counselors to respond to emails.

Here is the schedule showing when 9th grade students will come to the Counseling Office for a one-on-one meeting with their counselors:

January 30
1. Melrose 1,2,3
2. Sandquist 5

January 31
1. Cudal 1,3,4,5,6

February 1
1. Moore 1,2,3,5

February 2
1. Williams 2,3,4,5
2. Holmes 1

MIRAMAR COLLEGE COURSES
Miramar college classes begin next week. Students should check their student emails for information about their classes and logging into Canvas. Questions about when college classes meet or Canvas, please contact Mrs. Blum at mblum@sandi.net or Mrs. Morales at jmorales4@sandi.net.

SUMMER SCHOOL
Summer School applications are now available. Click here for the Summer School website with Summer School details and the applications. Unfortunately, MMHS will not be a host site due to construction. The application will indicate what schools are hosting and which classes are available for a student to make up.

WOMEN IN STEM – VIRTUAL SEMINAR
There will be a virtual seminar about career opportunities for females in STEM fields February 2 from 4:30-6. See the flier at the end of the Mask for the link to register.
