Hello, Marauders.

If you haven't already, please complete the OWLS survey. As we shared last week, we have been tasked with asking our parents/guardians to complete the OWLS (Operation World Language Success) survey. The purpose of this survey is to receive parent/guardian input for the enrollment of their child in a World Language course for the 23-24 school year.

Tonight, we celebrate our seniors as the Girls Soccer Team takes on Henry for their final regular season home competition. We would love to see a great crowd out to support these incredible student-athletes. Game starts at 6PM!

Have a great weekend, Marauders!
MMHS 8TH GRADE OPEN HOUSE

WEDNESDAY, FEBRUARY 15TH IN THE MMHS GYM

5:30PM - 7PM

Event Includes:
INTRODUCTION BY PRINCIPAL SABINS
PRESENTATION BY COUNSELING DEPARTMENT FAIR
CAMPUS TOURS
ARTICULATION
We met with our 9th grade students this past week to review their course selections for the next school year, and Friday we were in 10th grade English classes to do the articulation presentation with them. Next week counselors will meet individually with the sophomores to review their course selections. They will bring home a form to have parents/guardians sign regarding their course requests.

SUMMER SCHOOL
Counselors will begin to enroll students in summer school next week. Summer school is from June 20th-July 21st, and students can take up to four classes to make up D or F grades. Unfortunately, Mira Mesa will not be a host site, but students can get a bus ride from Mira Mesa High to take them to Scripps Ranch High, or students can choose a different host site, and find their own transportation there. Summer school applications are available here.

AT-RISK SENIORS
Along with articulation, counselors have been meeting with our seniors who are at risk of earning a diploma this June. If there is a concern about a senior’s progress toward graduation, the counselor will mail and email a letter to the parents/guardians indicating the areas of concern and plans to remedy the concern.

SDSU CONFERENCE
SDSU’s Asian Pacific Student Alliance is hosting their annual high school conference Saturday, February 25th from 9 AM-9 PM at SDSU. The main goal for the conference “is to promote a greater appreciation for academic success and ultimately serve as an inspirational drive to pursue a higher education.” See the flier below for the link to register.
MMHS ARTICULATION
