Hello, Marauders.

This week, our incredible ASB President, Kianna Rodarte, attended the Laurels for Leaders Luncheon, which honors ASB Presidents in recognition of their service projects. Thank you, Kianna, for all you do for the MMHS community!

School will be closed on Friday, February 17th and Monday, February 20th in observance of Presidents' Day Weekend. School will reopen on Tuesday, February 21st.

A significant number of students continue to be tardy to period 1. Please work with your student to ensure they are on campus prior to the first bell at 8:27 and in class prior to the 8:35 bell to start the day.

In an effort ensure students are in class before the bell rings to start the period, we will be instituting a "warning bell". Starting on Tuesday, February 21st, a special tone will sound, signifying just two minutes remaining in the passing period. The tone will be different from the normal bell sound and will serve as a reminder to get to class on time.

We had a great showing at our 8th Grade Open House on Wednesday evening and look forward to welcoming the Class of 2027 in August.

Counseling is continuing to work with current and upcoming students as they navigate the articulation process. Thank you for your patience and understanding with longer than usual response times.
California School Parent Survey, 2022-2023
Mira Mesa High School

Your school needs you to complete this online survey to learn more about your opinions about it. This survey is an opportunity to communicate your perceptions about your child’s school.

This letter explains the survey and, at the bottom of the page, provides your URL and access instructions.

If you have any questions about this survey, contact: Jason Fowler at jfowler1@sandi.net or at (858) 302-3600 ext. 3002

The purpose of this survey is to obtain parent perceptions about the school.

Your participation is voluntary. It is also very important.

The information you provide will help guide district and school efforts to promote safety, enhance learning supports, and improve student achievement.

- This is an anonymous survey. It is designed so that no one can be identified from the data. You do not have to respond to any questions that you feel could be used to identify you. Simply skip any such questions.
- All questions apply to this school only.
- The results are for the use of your district. The California Department of Education and WestEd will preserve data confidentiality and refer any data requests to the district.

INSTRUCTIONS FOR ACCESSING THE SURVEY

If you have more than one child at this school, you will only need to complete one survey for this school. Please fill out just one survey about the school using your oldest child as a reference.

Access the survey using the following URL:

https://wested.ugam-apps.com/wed/ts/j0hx

Troubleshooting

If you are having trouble taking the survey, check the following:

- Make sure you are entering the web site address correctly.
- Does the survey welcome page show the correct name of your school?
- Make sure you have entered the URL (in the URL bar, NOT THE SEARCH BAR)
- Still having trouble? Contact your survey coordinator.

Thank you for taking this important survey!

ARTICULATION
Counselors finished articulation with our 9th-11th grade students this week, and we will be at Challenger and Wangenheim for articulation the last week of February. If your child did not have a chance to meet with their counselor when they came to the Counseling Office with their English class, we will send a pass for them to meet. Students can also see their counselor before or after school for their articulation meeting. In order for students to get priority with their classes, they need to submit the articulation Google Form and turn in their signed articulation form. Students can find the Google Form in their grade level Google Classroom. Here are the links to the Articulation Slides:

FINANCIAL AID
Seniors need to submit their FAFSA or Dream Act application by March 2nd to see if they qualify for money from the government to help pay for college, and it is now a California law for seniors to submit a financial aid application. Counselors will host a final financial aid application workshop for students and parents/guardians Saturday, February 25th from 8:30-12:30 in the Library. Families should bring a laptop, know their Social Security Number (if filling out the FAFSA), login information to bank accounts, and have their 2021 tax information.

SPRING ATHLETICS
If your child made a spring sports team, here is the process to for student-athletes to get enrolled into 6th period athletics. It starts with the coach and athletic director, not the athlete and counselor. The coach provides a roster to Coach Lardizabal, our athletic director. Coach Lardizabal reviews the rosters to ensure athletic clearances are complete and the students are eligible. The athletic director then emails counselors to let us know who to move into 6th period athletics.

Subject: ASB Update

Hello Marauder Families,

We are excited to build our community with the upcoming Marauders that attended our 8th Grade Open House. Blood drive is starting again on March 9th, sign ups for blood drive starts February 21st. Junior and senior please beware of this. Everyday during lunch, our ASB Student Store is open for students to buy refreshments, snacks, and merch.

ASB is looking to expand to two classes next year. Please see the information below about the responsibilities for each class. ASB members work hard but they also get to attend ASB events (including dances) for free and learn leadership skills from various workshops and conferences (like the one we just attended at Disneyland).

If your student thinks s/he might be a good fit, please encourage them to apply using the QR code below. Incoming 10th - 12th grade student applications are due Friday, February 17 and incoming 9th grade student applications are due Friday, March 3. Please let us know if you have any questions or would like more information.

Regards,

Kianna Rodarte
