Hello, Marauders.

Your student should have brought a progress report home yesterday, they were distributed in their Period 4 class, for your review. We recommend you review the progress report (either the paper version or by logging into PowerSchool Parent Portal) with your student to ensure they are on track to finish strong. The end of the school year will be here before we know it!

It's the time of year when we get to intentionally celebrate the amazing staff of Mira Mesa High School. This week was Administrative Professionals Week and we were able to celebrate our Office Staff. Next week, we will celebrate the Administrators. This week, the Board of Education adopted a resolution recognizing May 9th as Day of the Teacher and May 8th - May 12th as Teacher Appreciation Week. Classified Employees will be celebrated May 22nd - May 26th. Mira Mesa High School is fortunate to have an absolutely incredible staff, who deserves to be celebrated, so we are excited about these next few weeks!

Testing begins on Monday with the opening of the AP Testing Window. AP Testing will take place May 1st - 12th. State Testing for 11th graders (English and Math) and 12th graders (Science) May 15 - May 19th. As always, a good night of sleep and a good breakfast are very important.

There are just 4 more M6 (Saturday School) sessions before the end of the year. If your student needs focused academic support or needs to clear absences, they should sign-up for M6!

Have a great weekend.

Subject: ASB Update

Hello Marauder Families,

ASB we hope you have had a great day. This past week it was Badminton Senior night and Golf Senior night. Thank you for coming out and supporting your fellow Marauders.

ASB is looking for student section leaders for next school year. This is NOT an ASB position but it would include working with ASB to take our student section to the next level. Use the QR code below or the link on our IG bio to apply by Friday, May 12th. We are also looking for sponsors to provide everyone on campus with a student section shirt. We’d love to see a sea of blue on Friday nights (and at other events and games on campus too). If you know of a business that would consider adonation in exchange for recognition on a banner at both entrances of the stadium and the gym, please let us know.

We are excited to announce that Andrea Fernandez, a junior here at Mira Mesa, is running for one of two student board representative positions. Students in this role work with the other SDUSD School Board members to make sure student voices are heard regarding issues and policies in the district. It's not too late for students to vote for whichever candidate they feel would best represent their interests. Simply go to your school email account and follow the instructions there before 5 pm today.

Do you know a senior or junior who wants to earn a red cord for graduation? Our fourth and final Blood Drive is happening on Thursday, May 18th. In order to donate it must be at least six months since your last donation, you must be 17 or older and weigh more than 115 lbs. Every donation can save up to three lives! Only two donations at MMHS/ San Diego Blood Drives are needed to earn that red cord.

Thank you for your continued support!

Regards,

Kianna Rodarte

AP TESTING
AP testing begins next week, and most exams will take place in the library. Test takers need a photo ID for check in as well as number 2 pencils (not mechanical) and pens with black or dark blue ink. If your child’s exam is electronic, they need to bring their school issued computer and charger, and charge it the night before their exam. Check in for morning exams is 7:30 and 11:30 for afternoon exams. Students will get a reminded email 1-2 days prior to their test, so please encourage your child to check their student email frequently.

SCHOLARSHIP OPPORTUNITIES
The Marauder Alumni Association scholarship is due April 30 and the Mira Mesa Town Council/Verne Goodwin Scholarship is due May 2nd. Please encourage your senior child to apply. Links to the applications are here.
