Hello, Marauders.

I want to start by congratulating our Softball team as they fought hard all season and made it all the way to the CIF Semi-finals. Way to go, ladies!

Tomorrow night, the Class of 2023 will be celebrating their Prom at the Birch Aquarium. We always look forward to this event as it is so special for students and staff alike. Thank you, Mr. Caleb Moore, for all you have done as the Class of 2023 advisor. On June 8th, we will gather in the 700 Amphitheatre to celebrate some of our seniors at the annual Senior Awards program. This is a great night of celebrating our seniors and their many accomplishments. The last day for Seniors is Friday, June 9th. For more info on Class of 2023 End of Year Events, please check our FAQ.

Underclassmen finals will take place Monday, June 12th (Periods 1&2), Tuesday, June 13th (Periods 3&4), and Wednesday, June 14th (Periods 5&6). School will release at 1:02PM (Grab & Go lunches will be available) on those days.

It's time for the 23-24 LCFF Data Collection. The LCFF Data Collection process determines our Title I Eligibility status. As always, we are looking for 100% participation. The first round of collection is done solely through PowerSchool Parent Portal (NOT Student Portal). There is a job aid included on Page 3, with step-by-step instructions on how to complete the process. This needs to be done for every student (if you have 3 children in the district, you need to complete the process for all 3 students). We will also be sending out an email with this information. Thank you for your help with this important process.

Have a great weekend.
Enter LCFF Data in PowerSchool Parent Portal

Follow the steps below to enter Local Control Funding Formula (LCFF) data in the Parent Portal. This information is private and will not be used for any other purposes. Your child’s school needs this information to help ensure it receives all the state funding it is entitled to. It will not affect your child receiving free meals at this school.

1. **Sign in to PowerSchool Parent Portal**: [https://powerschool.sandi.net/](https://powerschool.sandi.net/)

2. **Click** the icon near the bottom of the navigation menu.

   For reference on the LCFF page in the parent portal, the information shaded in blue provides help in determining number of household members and what types of income to include.

3. **Click** the dropdown, **select** the number of people living in your home.

4. **Click** the radio button next to the appropriate income amount for the household.

5. **Click** in the checkbox to certify the information and then **click Submit**.

6. If you have additional children attending eligible LCFF schools, click on their names in your Parent Portal and repeat steps 1-5.

   For help with technical issues, please contact Parent Online Support at 619.732.1400
Adult volunteers needed to help scan in library items for textbook return week June 6-June 9

TUESDAY - FRIDAY

Counseling News

SUMMER SCHOOL
Next week, counselors will send an email to notify parents/guardians if their child is enrolled in Summer School. As of now, counselors have not received any updated information about Summer School transportation to Scripps Ranch HS. When we get any updated information, we will post it at this link: https://sites.google.com/sandi.net/mmhscounseling/academic-information/summer-school-2023

SENIOR AWARDS
The Senior Award Ceremony is June 8th at 5:30 PM in the 700 Building Pavilion. Invitations have been emailed to families for the seniors we will recognize. If you have questions about the event, please email Mrs. Blum mblum@sandi.net or Mrs. Morales jmorales4@sandi.net.

SAN DIEGO COMMUNITY COLLEGE DISTRICT
If your child is a senior and will attend San Diego Miramar College, Mesa, or City College in the fall, they can already register for their classes. June 16th is the priority deadline for seniors to submit their application to San Diego Promise, the program where first time college students can attend community college in California for up to two years tuition-free. If seniors have questions about what classes to take in college, they need to reach out to the college counselors. If seniors needs help applying to any of the local community colleges, they can see their high school counselor.

ACTION PLANS
Each year, counselors throughout the district create “Action Plans” specific to their school site needs based on the national American School Counselor Association domains: Academic, College/Career, and Social/Emotional. Mr. Schwartz gathered our Action Plan data, created an “infographic,” and did an outstanding job presenting it to other counselors in the district and an area superintendent. Click here to view the infographic.
