Are you curious about fashion design and want to create your own stylish clothes? Our introductory course, Sewing with Shapes, is the perfect place to start!

**Sewing With Shapes**

Come join us and unlock your creativity with Sewing with Shapes!

Learn how to use geometric shapes such as squares, triangles, and circles to create a simple and stylish summer top that’s all your own. Step-by-step instruction to guide you through the basics of sewing and help you discover how to combine shapes to create visually stunning designs. With hands-on experience and supportive fellow beginners, you’ll gain the confidence to create your own unique summer top that you’ll love to wear.

***The scale and scope of the class will be heavily dependent on the enrolled students and where they want to take the class!***
