Dear Caver Families,

We would like to express our gratitude to the Caver Community for their dedicated efforts over the past few weeks. Just a reminder that Friday, March 29th, 2024 is the final school day before we embark on our spring break, which will last for a week. Students and staff will resume their activities on Monday, April 8th, 2024. We encourage everyone to utilize this break to rejuvenate both physically and mentally, preparing themselves for the remaining part of the school year.

Huge Congratulations to Mrs. Skye Cooke-Pinion for being the District Teacher of the Year Runner Up & a Finalist for the County Teacher of the Year! This recognition is so well deserved and an honor for San Diego High School. Skye, thank you for all you do to support and nurture our student’s passion and the MedTech Academy.

We extend our gratitude to all those who attended the Caver Showcase and showed their support for the staff of SDHS. The teachers thoroughly enjoyed showcasing their students' work. We would also like to thank all the future cavers that came to check out their future home.

Throughout the week, ASB organized various events on campus, including entertaining games for students and an exciting Easter egg hunt. The highlight of the week was the highly popular March Madness event, where all clubs participated by selling a variety of food items to raise funds for their respective clubs.

The SDHS Art Show achieved great success, with students showcasing their amazing creations. Appreciation goes to the Art Teachers for their guidance in helping students produce such beautiful artwork.
