Together with the community, we will create a supportive learning environment, where all students are successful in their social, emotional and academic lives which enables them to communicate and participate in a global society that we have yet to imagine.

We work to create a positive learning environment that supports a goal of increasing achievement levels for all children. Thank you for your support.

**ZERO TOLERANCE**

Our school supports the district’s *Zero Tolerance* policy. **No** weapons/drugs on campus. Action will result in suspension/expulsion.
Dear Sequoia Families,

You are active partners in your child’s education. Research shows that a combined effort by the administrator, teachers, parents and community members results in a child truly succeeding in school. Using recommendations from the State Department of Education and the San Diego Unified School District Superintendent, Sequoia School’s Governing body (SGT) modified the original School-Home Partnership Agreement to meet the needs of our students. The purpose of this partnership agreement is to emphasize the importance of working together to assist our children in reaching their highest potential for intellectual and social growth. All district schools re-implement School-Home Partnerships Agreements that meet the individual needs of their schools.

Please review the attached School-Home Partnership Agreement in the back of this booklet with your family. Please acknowledge your acceptance of the partnership by completing the form on the back page. Please return the form to your child’s teacher. The form will be kept at the school site.

In order to support this agreement, the school will continue to inform parents on their child's progress and to provide materials to support classroom instruction and student learning at home. Parents are always encouraged to attend the School Site Council meetings (SSC) which take place the second Monday of each month. Parent meetings will continue to be arranged to discuss such topics as school accountability and district standards.

Thank you for your cooperation,

Ryan Kissel
Principal

If students need to call home for any reason during the day, they may ask to use the classroom phone or the office phone.

   Parents/Guardians will be available to discuss students’ progress and behavior outcomes. Parents will…

8. **ATTENDANCE**

Every minute, every day is what is necessary for your child to receive an education and prepare him/her for a successful future. Regular attendance is REQUIRED at Sequoia Elementary. California Education Code mandates that students attend school daily and arrive on time. Parents play a major role in developing the strong importance of regular attendance.

All medical or dental appointments should be made after school or during winter or spring breaks. If it is necessary for your child to be absent from school, please call our front office at 858-496-8240. Any absence not cleared by phone requires a note written by a parent/guardian and delivered to the attendance office.

Please remember that the only excused absences are:

1. illness
2. medical or dental appointment (please try to schedule late in the day)
3. attendance at the funeral of an immediate family member

All other reasons for absences are UNEXCUSED and result as a truancy on your student’s attendance record. Serious attendance issues will be referred to the School Attendance Review Board (SARB) and can eventually lead to court prosecution.

**INDEPENDENT STUDY CONTRACTS**

Although we discourage that your child is out of school for any length of time, if this circumstance cannot be avoided you can arrange for a Contract for Independent Study (CIS) for your child’s schoolwork. This enables your child to receive attendance credit while keeping up with schoolwork during the absence from school. Please notify the attendance office and/or your child’s teacher **two** weeks in advance (or as far in advance as possible) so an independent contract may be arranged for your child.
