AVID Candy Valentine's Grams will be sold this week only during both lunches!! Bring \$1 and don't forget to write a note to someone special! We will be sending them out on Valentine's Day with a sweet treat attached!

Attention Drama Club: Be sure you have checked the club's google classroom so you know the rehearsal schedule. We will be rehearsing in the auditorium at 3 p.m. Check the google classroom to see which act or scene is rehearsing on which day.

Do you love your pet? Do you love your abuela? How about your best friend? Well, get ready to celebrate all things love next week with ASB's Love Week! Everything gets kicked off with spirit days, of course. Monday is Mustache Monday, because nothing says love like a construction paper mustache taped to your face. Tuesday is Valentine's Day, so wear pink or red and get ready for music and activities at lunch. Check out posters around school for the rest of the spirit days. Love Week, Seahawks, Love Week!

Today's after school tutoring will take place in room 312 instead of the Library due to the 6th Grade awards. It will be back in the Library again next Tuesday. Don't forget to sign up at lunch!

Attention No Place for Hate Active members: we will meet in Room 514 during both lunches today to sign our pledge and continue with our work on communications. Look forward to seeing everyone!

If you have a chance, please check out the life of Betty Reid Soskin. She is the oldest National Parks Ranger in the United States. Betty started as a National Parks Ranger at the age of 84 and continued until she was well in her 90's leading public programs and sharing her personal remembrances and observations at the park visitor center. She is now retired and living at the age of 101. She has seen much in her lifetime. In 1945 she and her husband, Mel Reid, founded one of the first black-owned music stores -- Reid's Records closed in the fall of 2019.

Have a **Thoughtful Thursday!**
