

SGT Minutes

January 23, 2023

Present: William Pearson, Jennean Danielson, Timothy McLellan, Brenda Wilson, Hiram Gonzalez, Jenny Varol, Nicole Asaro, Julie Dennis, Todd Resley, Yuko Kanazawa, Polly Foster

Item 1

Call to order at 3:07 p.m.

Item 2 – Public Comments

- None

Item 3 – SGT Business

- November minutes were reviewed and approved.

Item 4 Principal's Update

- Construction on the Solar Panels continues, and the next phase will be trenching for electrical. In the meantime, some fencing will be removed for more parking access to staff and the green privacy screens will be removed. We are still on track for a May completion followed immediately by a perimeter fence installation. We are having meetings now with architects and district crews in preparation for the Whole Site Modernization process scheduled to begin in 24/25. 40 US Marines will be on campus the 27th to help with PE classes and run students through drills. This is the first school to participate since the COVID shutdown. Prop 28 has allocated funding for VAPA (Visual and Performing Arts) programs in SDUSD. We have been initially allocated around \$100K to use toward VAPA programs at site. We are waiting for more information on how we can use these funds to support staffing and materials. The district is currently looking at Math curriculum for a new Math adoption. Staff from sites are reviewing the materials and Mr. McLellan is on that committee. They will also solicit feedback from the community soon.

Item 5 SGT Discussion/Action

- LOP List: P2 grades and citizenship did not show a drastic change in those on the LOP list and we have not had any issues at school events using the current process. The team decided to leave the LOP guidelines as is for now.
- SBL: Mr. Pearson reviewed a staff survey regarding progress toward implementation of SBL in multiple areas. The question from the last meeting was about a common body of evidence. 5% felt they were above target, 58% on target, 21% approaching target, and 16% were just starting on this area. The survey had an equal sample of grade levels and content areas.
- Food deliveries did not continue to be an issue so no further action is required.
- Mr. Pearson suggested at the last staff meeting to communicate in some manner with students and/or parents regarding end of the semester details. He gave examples of what might be included to reduce stress on families and help them help students. He offered to support teachers through School Messenger if they were not familiar with it. The team suggested a job aid be sent out anyway in case they did not want to ask. It was also suggested to allocate time in a meeting to send messages to families especially in 6th grade.
- A parent requested we add Standley Awards to a future agenda.

Adjourn at 4:00 p.m.

Next meeting February 23, 2023
