

SGT Minutes

February 13, 2023

Present: William Pearson, Jennean Danielson, Timothy McLellan, Brenda Wilson, Hiram Gonzalez, Jenny Varol, Nicole Asaro, Julie Dennis, Todd Resley, Polly Foster

Item 1

Call to order at 3:07 p.m.

Item 2 – Public Comments

- None

Item 3 – SGT Business

- January minutes were reviewed and approved.

Item 4 Principal's Update

- Construction continues on Solar Project with expected end date of May. The fence project will go to the board in July and begin in the fall. Mr. Pearson continues to meet with district staff/partners regarding the Whole Site Modernization answering questions and providing feedback to design teams who will ultimately propose the scope of the project in 24/25. We will have a Coffee with the Principal meeting for parents on the 23rd to discuss budget plans for 23/24. Mr. McLellan shared that the Math Textbook Adoption Committee chose Amplify as the vendor for the new math curriculum.

Item 5 SGT Discussion/Action

- As requested by a parent, we reviewed awards criteria. Parent proposed we consider “weighting” harder classes as part of the GPA average. The team discussed pros and cons of “weighting” and the consensus agreed it would not be possible to just give weight to one class without doing it for all classes and then it is too “messy” and too much gray area. Data was presented to show 64% of Standley students received an award at the S1 awards. The criteria in the planner for awards will remain the same.
- Standley currently has Beginning Band, Beginning Orch, Intermediate Band, Advanced Band, Advanced Orchestra, AVID for 6, 7, 8, Computers for 6, Coding 7/8, Art 7/8, Spanish 1-2, Spanish 3-4, Multi-Level Study Skills, Academic Language Development, English Language Development. We are maintaining the same staffing allocation for next year and all articulation forms have been completed for all grade levels. We will not be changing any electives for next year at this time. With the VAPA funding that is being allocated we will add other electives to the articulation forms for next year to see what students are interested in and then we will discuss the possibility of changing programs.
- Staffing allocations are based on projected student enrollment. Our projected student enrollment provides for an allocation of 30.2 full time teachers. We have 30.4 this year and have requested the extra .2 for next year to remain as currently staffed. This request was granted so staffing will remain the same next year other than retirements or voluntary transfers.
- The budget surveys were reviewed at the last meeting for priority items. Mr. Pearson shared the plans developed from the surveys using the discretionary and LCFF budgets. We are not a title 1 school so did not receive those funds. SGT discussed the budget items and had no further recommendations for the SSC.

Item 6 – Additional Public Comments

- None

Adjourn at 4:00 p.m.

Next meeting March 20, 2023
