San Diego Unified School District  
Equity Access and Opportunity  
**Strategic Planning for Student Achievement Department**  
Major Categorical (Title I and CSI)  
**PRELIMINARY Expenditure Guidelines 2024-25**  
*Updated 11/30/2023 DG*

**Reminders found in the 2024/25 Guidelines**
- No mandated expenses such as ELPAC/CAASPP/IEPs.
- No written translation expenses for English Learner student populations over 15% for a specific language. Interpretation services are still allowable.
- Secondary school sites: Section course reduction teachers for ELA, Math, Science, Social Studies, ELD. Schools must demonstrate that course sections paid for out of Title I are above the ratio of district contract class size 36:1 ratio requirements. Intervention sections do not need to demonstrate reduction (AVID). [Calculator](#) that can be used to determine section alloability for secondary sites.
- No associate principals in Title I.

**A. FUNDS INCLUDED:**

<td>30100</td>
<td>Title I Base Funds Part of the Elementary and Secondary Education Act (ESEA), which provides federal money to support economically disadvantaged students and close academic achievement gaps</td>
</tr>
<tr>
<td>30103</td>
<td>Title I Parent Involvement Used to encourage parent involvement in order to improve student achievement.</td>
</tr>
<tr>
<td>31820</td>
<td>Comprehensive Support and Improvement (CSI) Funding is provided with the goal to improve student achievement from low or declining to maintaining and improving as measured on the California School Dashboard</td>
</tr>
</tbody>
</table>

**B. PURPOSE:**

1. Focus on improving instruction and extending learning time. These programs enable schools to provide [supplemental](#) opportunities for students to achieve proficiency in the state content standards. **Emphasis is on direct support to students in core subjects.**

2. **Professional development is a priority and is available to anyone in a school-wide program,** including teachers, classroom aides and, where appropriate, other staff and parents. Activities must be based on student needs at the school site.

3. **Supplement,** not supplant the district’s general program. Use of Title I funds must not replace district funds. Title I funds must add to or enhance district programs.

4. **Evidence-Based** interventions are practices or programs that have [evidence](#) to show that they are effective at producing results and improving outcomes when implemented. The kind of
evidence described in Every Student Succeeds Act (ESSA) has generally been produced through formal studies and research.

5. Spending must be linked to needs assessment/SPSA evaluation findings.

6. Foster new types of parent partnerships that focus on improving student achievement.

C. Process:

School Plan for Student Achievement

The annual needs assessment and SPSA evaluation identifies student learning needs at the school site based on an analysis of current student performance data in relation to state standards. The focus is on the academic needs of the children. The students’ educational needs drive the planning cycle. The SPSA describes strategies that will coordinate use of federal, state, and local resources to improve instruction and student achievement. The School Site Council (SSC) oversees and approves the plan and use of the associated Title I and CSI budget allocations.

Title I Schoolwide Program (SWP)

A federal program that puts emphasis on high achievement for all students while serving the most disadvantaged youth and providing flexibility in spending Title I funds. The annual needs assessment is a required component of the SWP and the SPSA serves as the Title I Schoolwide Plan.

D. Budget:

1. Each site develops a budget to implement all strategies for each available funding source. It includes but is not limited to staffing, materials, supplies, contracted services, and equipment that will directly enhance student learning at the school site. The SPSA and the embedded Title I and CSI budget is approved by the Board of Education.

2. The SSC must approve transfers of allocations within any of the categorical programs.

E. Spending:

Expenditures from the Title I and CSI resources are routed through the Strategic Planning for Student Achievement Department (SPSA Department) for approval. All expenditures of categorical funds, including PARs, must be approved prior to the purchase, event, or start date.

Spending Instructions for Title I and CSI Budgets:

SSC approval is required for revisions to Title I and CSI expenditures originally allocated in the SPSA. Complete the Major Categorical Funds Justification of Expenditure for Budget/Expense Transfer (aka Title I Transfer Document) in order to make revisions to Title I and CSI spending. Send original Title I Justification Document to the address below or scan to your SPSA Department staff. Before sending, ensure the document has principal and SSC chairperson's signatures along with SSC meeting minutes verifying SSC approval, and any other supporting documentation that is required (expense transfers).

Send to: Strategic Planning for Student Achievement Department

Eugene Brucker Education Center, Room 3126
The SPSA Department staff member notifies the principal via email upon approval of the expense/budget transfers.

**TITLE I FUND REQUIREMENTS AND RESTRICTIONS EXPLAINED:**

All categorical budgets **MUST** be for direct services that impact student achievement. **Students must be considered first.** You must be able to answer the following questions:

- Are these expenditures centered on our student needs?
- Do these expenditures provide supplementary services that would not be provided absent categorical funding?
- Do position allocations for categorical funds match the proportion of each position actually performing direct, supplementary services to students?
- Do these expenditures directly affect each student in progressing to proficiency on the Common Core State Standards?
- Does this categorical funding allocation help us reach our SPSA goals?

**SPECIFIC SPENDING PROCESSES AND REQUIREMENTS:**

1. Expenditures need to occur in the fiscal year funds were allocated. Categorical resources cannot be used to pay for items and services that begin in the next fiscal year.

2. **Equipment** (Unit cost is between $500 and $4,999.99)
   a. General type of equipment and intended use/benefit must be identified in the site plan.
   b. If not **clearly instructional**, seek guidance in advance from your assigned SPSA Department staff.
   c. Procurement cards (P-cards) cannot be used to purchase equipment.

3. **Permanent equipment** (unit cost is over $5,000)
   - Must have prior approval from the California Department of Education.

4. **Instructional Materials**
   a. Must be related to student academic needs, instructional focus, and core curriculum.
   b. Supplemental to district-funded materials and instruction.
   c. Supplemental to district initiatives and/or school core instruction.
   d. Instructional materials may not have school name, logo, or mascot on them (e.g. Student Planners) unless explicitly provided at no cost in the invoice.
      A separate resource must be used to fund the cost of the school name, logo, or mascot.

5. **No confirming orders** (i.e., Requisition is created, items are purchased and delivered).

6. **Non-Instructional Supplies and Expenses**
   a. Must specifically identify how non-instructional supplies and expenses support student achievement.

7. **Travel**
- Submit travel authorization prior to trip with justification tied to site plan.

8. **Conferences and/or Consultants** (for professional development)
   - Must be identified in the site plan.

9. **Field Trips**
   a. Must be part of a classroom instructional plan.
   b. Must be related to core academics.
   c. Must have appropriate pre- and post-trip activities.
   d. Must be tied to the SPSA.

10. **Substitutes** (for classroom teachers)
   a. For professional development.
   b. To provide sick leave for teachers paid from the same categorical funding source.

11. **Hourly time**
   a. For professional development.
   b. Extra time for support of academic programs.

12. **Parent Involvement**
   a. Workshops for parents.
   b. Materials for parent meetings, training, and parent resource library.
   c. Speakers or consultants for parents.
   d. Communications with parents (including mailings).
   e. Light refreshments only. Meals are **NOT** allowable.
   f. Childcare for parents to attend workshops.
   g. Oral translation for parents attending workshops.
   h. Equipment and supplies for the parent room.
Rationales for Categorical Spending must be clearly described in the SPSA or a Major Categorical Funds Justification of Expenditure for Budget/Expense Transfer. The expenditure must be justified by a needs assessment that uses data and is approved by the SSC.
