School Site Council, LCFF, and Title I Funds

- Verify you have calendared SSC meetings to discuss topics related to the SBB process.
  - The SSC must approve Title I funding and provide feedback towards LCFF funding PRIOR to your scheduled finalization meeting as documented in both an SSC agenda and minutes.
  - Educational Partners such as ELAC must be consulted and their recommendations shared PRIOR to the SSC meeting where the SSC votes on the Title I budget.

- Title 1 schools and their preliminary funding allocations will be released to school board on December 12th. [Click to view document](#).

- Secondary teachers funded using Title 1 funds must be scheduled into intervention / support classes or **additional** sections for core classes. Credit recovery courses do not meet the funding requirement. Use this [allowable sections calculator](#) to determine if the section is allowable in Title I.

- Preliminary [Title I Guidelines](#) & [LCFF Guidelines](#)

- Title I positions will require a duty statement.
