OLD BUSINESS:

4.1 Discussion of Sunset Ridge School Landscaping
Dr. Stange introduced the discussion on landscaping noting issues to be
addressed relative to the replacement of dead/dying trees, the rebidding of
landscaping services, and the presence of landscape contractors on campus
during school hours. Mr. Dreher recommended replacing the dead/dying
trees. The Finance/Facilities Committee agreed with the recommendation.
Mr. Dreher recommended continuing the landscaping contract with Milieu
Landscaping and requesting that they only work on-site during non-school
hours (e.g., evenings, weekends). The Committee agreed with both
recommendations.

4.2 Long-Term Capital Improvement
Mr. Beerheide reviewed the long-term capital improvement plan including
recommended work on the entrance canopy at Middlefork School,
replacement of the Middlefork roof and boilers, and other miscellaneous
items. The committee agreed to move forward with the Summer 2022
projects as recommended.

NEW BUSINESS:

5.1 Technology Refresh Plan Update
Mrs. Styczen provided an overview of the historic technology refresh
cycle for various devices (e.g., computers, interactive flat panels) and
discussed the relative benefits and potential challenges of modifying the
refresh plan to extend the life cycle of devices and defer some costs. The
Committee recommended delaying the refresh of interactive flat panel
devices by one (1) year. Mr. Welch also requested exploration of the
potential for switching to Microsoft devices in the future.
5.2 Sunset Ridge School HVAC Update
Mr. Dreher updated the Committee on the status of the Sunset Ridge School HVAC systems. He noted that repairs to the 6th grade units appear to be holding and the system is now operating normally. He noted continued issues with the HVAC system for the main offices, which the installation contractors continue to troubleshoot. He recommended seeking financial reimbursement from the vendors for the financial costs the District has incurred.

5.3 Summer Projects/Cleaning Update
Mr. Dreher provided an update of the summer projects noting that all are either already completed or scheduled to be completed prior to the start of student attendance, except the renovations to the bathroom in the 3rd grade at Middlefork School. He noted that project has been delayed by the contractor.

5.4 2020-2021 Pre-Audit Financials
Mr. Beerheide reviewed the 2020-2021 District financials noting strong tax collections, lower than expected interest revenue, and lower than expected expenditures relative to salaries/benefits and food services costs. Overall, he noted a surplus of approximately $300,000.
